## **KENNEDI BRODERICK**

*Kevin Meets Cranky* Random House Books for Young Readers

What does it take to bring the entire Island of Sodor Railway System to a halt? Just a crack in the track. Well, a crack in the track and some hail on rail . . . and a toad in the road, and a fuss on the bus. In fact, one thing leads to another until just about everything that can go wrong does go wrong. Luckily, there's a breakdown train with a couple of cranes that can fix a big mess (and they don't mind the rain). From the Hardcover edition.

*Thomas and Friends* Random House Books for Young Readers

After James tells a scary story, Thomas the tank engine imagines there is a horrible, engine-eating monster coming after him, in a tale that shows how your imagination can blow things way out of proportion. Original.

*The Minority's Search for Place in Independent Ireland* Random House Books for Young Readers

Meet all of the engines in this Thomas & Friends board book with a padded cover! Train-loving boys and girls ages 2 to 5 will love to discover fascinating facts about Thomas, Nia, Bertie, Harold, and all their favorite Thomas & Friends characters in this sturdy board book with padded cover. In the early 1940s, a loving father crafted a small blue wooden train engine for his son, Christopher. The stories that this father, the Reverend W Awdry, made up to accompany the wonderful toy were first published in 1945 and became the basis for the Railway Series, a collection of books about Thomas the Tank Engine and his friends--and the rest is history. Thomas & Friends(TM) are now a big extended family of engines and others on the Island of Sodor. They appear not only in books but also in television shows and movies, and as a wide variety of beautifully made toys. The adventures of Thomas and his friends, which are always, ultimately, about friendship, have delighted generations of train-loving boys and girls for more than 70 years and will continue to do so for generations to come.

*A Crack in the Track (Thomas & Friends) Paw Prints*

Winter is coming and Thomas, being a small engine, needs to put on his snowplow. Thomas hates his snowplow; he thinks it makes

him look funny, and when he has it on, the other, bigger engines tease him. But Thomas saves the day when a big storm comes up and Toby is stuck on his branch line. From the Trade Paperback edition.
