A Navy SEAL will need every bit of his extensive skill set when he appoints himself as bodyguard to a woman determined not to need one in this thrilling new novel from #1 New York Times bestselling author Julie Garwood. Grace Isabel MacKenna had a hundred things to do today. Killing someone wasn't one of them. It was supposed to be a quick visit to Boston for the Buchanan anniversary party, then on to Scotland to collect an inheritance. She checks into the hotel and then decides to go for a brisk walk. But after getting lost she ends up with a wounded man stumbling into her arms, and then his shooter coming after them both. When she fires back in self-defense, she doesn't expect him to drop dead. Thanks to the Buchanans dispatching Navy SEAL and now a lawyer Michael Buchanan to help her deal with the police, Isabel endures hours of interrogation and is finally free to go. Isabel knows she should be grateful for Michael's help, but since she's harbored an extreme dislike for him for years, gratitude is difficult to muster. Michael has appointed himself her de facto guardian, and she's stuck with him despite their constant bickering and sizzling attraction. Even when Isabel goes to Scotland to claim her inheritance, Michael follows her, but he isn't the only thing she can't shake. Mysterious threats against Isabel surface, and before they can deal with their growing feelings for each other, Michael and Isabel must first survive.

Murder List Penguin

In this breathless new novel, Julie Garwood has written her most electrifying thriller to date. Avery

Delaney has always tried to put the past far behind her. Abandoned by her rapacious, conniving mother when she was only three days old, Avery was raised by her grandmother and beloved aunt Carolyn. Then, when she was eleven, she witnessed her grandmother's violent death, before Avery herself was shot and left for dead. Miraculously she survived. The man responsible is serving time in a Florida prison. This traumatic experience propels Avery into a life of law and order. Her razor-sharp mind and ability to gather data and decipher evidence has made Avery an expert crime analyst for the FBI. But soon she will have to use every one of her adroit skills on a case that hits painfully close to home. Avery's workaholic aunt, Carolyn Salvetti, is certain her (hopefully soon-to-be ex) husband sent her the gold embossed reservation to the posh Utopia Spa in the mountains of Colorado. At first she is resistant, but then figures it will be a welcome respite from the cutthroat advertising business, not to mention a networking extravaganza. Plus she persuades her niece to join her for the two weeks of luxury and decadence. But Carolyn never makes it to Utopia. Under false pretenses, she is taken to an isolated retreat by a handsome stranger with a dazzling smile, suave demeanor, and the darkest of motives. His name is Monk, a hired assassin. Now, with scant clues and fewer resources, Avery must track down and save Carolyn—and outmaneuver a brilliant killer who is part of an elaborate plot of madness and lethal vengeance.
