BISHOP AXEL

Plaza Suite Univ. Press of Mississippi
The American World War II film depicted a united America, a mythic America in which the average guy, the girl next door, the 4-F patriot, and the grieving mother were suddenly transformed into heroes and heroines, warriors and goddesses. The *Star-Spangled Screen* examines the historical accuracy -- or lack thereof -- of films about the Third Reich, the Resistance, and major military campaigns.

Concerned primarily with the films of the war years, it also includes discussions of such postwar movies as *Battleground* (1949), *Attack!* (1956), *The Bridge on the River Kwai* (1957), and *Patton* (1970). This revised edition includes a new afterword that covers more recent films, such as *Sophie's Choice* (1982), *Biloxi Blues* (1986), and *Schindler's List* (1993). The *Star-Spangled Screen* makes a major contribution to popular culture by recreating an era that, for all its tragedy, was one of the most creative in the history of American film.

The *Routledge Guide to Broadway* is the second title in our new student reference series. It will introduce the student to the Broadway theater, focusing on key performers, writers, directors, plays, and musicals, along with the theaters themselves, key awards, and the folklore of Broadway. Broadway is the center of American theater, where all the great plays and musicals make their mark. Students across the country in theater history, performance, and direction/production look to Broadway for their inspiration. While there are illustrated

coffee table type books on Broadway, there are few that offer a comprehensive look at the key figures and productions of the last two centuries. The Routledge Guide to Broadway offers this information in an easy-to-use, inexpensive format that will appeal to students, professors, and theatrical professionals.

A History with Cast and Crew Profiles and an Episode Guide University Press of Kentucky

100 Greatest American Plays is the 1st book on the 100 greatest American, non-musical plays. Arranged alphabetically, each entry covers each play extensively including the plot, the production history, a summary of the critical reaction, its influence and long-range effects, cast lists of notable stage and film versions, and a playwright biography.

Historical Dictionary of Contemporary American Theater Concord Theatricals Inspired by the playwright's youthful experience as a staff writer on Sid Caesar's *Your Show of Shows*, with all the attendant comic drama as the harried writing staff frantically scramble to top each other with gags while competing for the attention of star madman "Max

Prince."

Engulfed Oxford University Press, USA From *Double Indemnity* (1944) to *The Godfather* (1972), the stories behind some of the greatest films ever made pale beside the story of the studio that made them. In the golden age of Hollywood, Paramount was one of the Big Five studios. Gulf + Western's 1966 takeover of the studio signaled the end of one era and heralded the arrival of a new way of doing business in Hollywood. Bernard F. Dick reconstructs the battle that reduced the studio to a mere corporate commodity and traces Paramount's devolution from freestanding studio to subsidiary—first of Gulf + Western, then of Paramount Communications, and currently, of Viacom-CBS. Dick portrays the new Paramount as a paradigm of today's Hollywood, where the only real art is the art of the deal. In modern Hollywood, former merchandising executives find themselves in charge of production on the assumption that anyone who can sell a movie can make one. CEOs exit in disgrace from one studio, only to emerge in triumph at another. Corporate raiders vie for power and control, purchasing and

selling film libraries, studio property, television stations, book publishers, and more. The history of Paramount is filled with larger-than-life people, including Billy Wilder, Adolph Zukor, Sumner Redstone, Shari Redstone, Sherry Lansing, Barry Diller, Michael Eisner, Jeffrey Katzenberg, and more.

Historical Dictionary of the Contemporary American Theater, Second Edition contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more than 1,000 cross-referenced entries on plays, playwrights, directors, designers, actors, critics, producers, theaters, and terminology. *The Odd Couple on Stage and Screen* Concord Theatricals (Applause Books). *Curtain Times* is a uniquely comprehensive, uniquely detailed and uniquely contemporaneous history of the New York theater in the seasons from 1964-65 up to 1987. This is a collection of more than two decades of annual critical surveys (originally published in the Best Plays series of yearbooks) in a single volume. Each of these surveys is a report

and criticism of a whole New York theater season: its hits and misses onstage and off, its esthetic innards. Each is a comprehensive overview which takes in every play, musical, specialty and revival, foreign and domestic, produced on and off Broadway during the theater season. Hardcover.

The Actor's Field Guide Da Capo Press (Theatre World). Applause Theatre & Cinema Books is pleased to make this venerable continuing series complete by publishing Theatre World Volume 63 . Theatre World remains the authoritative pictorial and statistical record of the season on Broadway, Off-Broadway, Off-Off-Broadway, and for regional theatre companies. Volume 63 features Duncan Sheik and Steven Sater's Tony Award-winning Best Musical *Spring Awakening* , which also earned a Theatre World Award for actor Jonathan Groff. Tom Stoppard's *The Coast of Utopia* captured the Best Play Tony Award, as well as Tonys for featured actors Billy Crudup and Jennifer Ehle. *Frasier* star David Hyde Pierce returned to his theatre roots to capture a Tony for *Kander and Ebb's Curtains* , and other highlights of the season include the Off-

Broadway musical *In the Heights* as well as *Passing Strange* , which debuted at the Berkeley Repertory Theatre. Both have since transferred to Broadway and become critical and popular hits. As always, Theatre World 's outstanding features include: * An expanded section of professional regional productions from across the U.S. * The longest running shows on and Off-Broadway * Full coverage of the Theatre World Awards for Broadway and Off-Broadway debuts * Expanded obituaries and a comprehensive index

The People, the Power, the Money, the Movies Samuel French, Inc.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

From a veteran actor, teacher, and author, here is a quick-reference guide aimed at working actors. Got a funny scene that doesn't seem very funny? Look up "comedy." Got a scene in which you're supposed to cry? Look up "cry." Each entry includes a brief introduction to the topic, followed by several pages of short, bulleted tips or "field notes" that offer quick solutions to any acting problem. In addition, there are brief essays throughout that expand on some of the trickier aspects of the actor's craft. Edgy, concise, and infinitely helpful, no working actor will want to be without this one-of-a-kind guide. There are 100,000 members in actors unions in the US, with a 50% turnover Unique quick reference guide for busy actors Advice on everything from rehearsals to auditioning and memorizing lines Author has trained thousands of actors, including Heather Locklear and Teri Hatcher Advertising in Back Stagemagazine

Standards of Theatrical Reviewing in America

MacMillan Publishing Company
A coming of age tale that focuses on brothers Arty and Jay, left in the care of their Grandma Kurnitz and Aunt Bella in Yonkers, New York. Their desperate father, Eddie, works as a traveling salesman to pay off debts incurred following the death of his wife. Grandma is a severe, frightfully intimidating immigrant who terrified her children as they were growing up, damaging each of them to varying degrees. Bella is a sweet but mentally slow and highly excitable woman who longs to marry an usher at the local movie house so she can escape the oppressive household and create a life and family of her own. Her brother Louie is a small-time, tough-talking hoodlum who is on the run, while her sister Gert suffers from a breathing problem with causes more psychological than physical problems. Missing much of the sentimentality of the plays comprising Simon's earlier Eugene trilogy, *Lost in Yonkers* climaxes with a dramatic confrontation between embittered mother and lonely daughter that creates a permanent fissure in this highly dysfunctional family.

The Reader's Adviser Dramatists Play Service Inc
Inspired by the real life post-divorce experiences of television comedy writer Danny Simon, *The Odd Couple* has touched multiple generations of fans. Playwright Neil Simon embellished his brother Danny's pseudo-sitcom situation and created an oil-and-water twosome with memorable characters showcasing the foibles of mankind. The original Broadway production enjoyed a run of 964 performances. The story of the cohabitation of Felix Ungar and Oscar Madison translated extremely well to the silver screen, and then in 1970 to television, where it brought weekly laughs and mirth to an even larger audience for five seasons in prime time. This thorough history details *The Odd Couple* in all its forms over the decades. It provides

capsule biographies of the stage, film and television casts and crew, as well as an episode guide and a wealth of little-known information.

A portrait of three couples successively occupying a suite at the Plaza. A suburban couple take the suite while their house is being painted and it turns out to be the one in which they honeymooned 23 (or was it 24?) years before and was yesterday the anniversary, or is it today? This tale of marriage in tatters is followed by the exploits of a Hollywood producer who, after three marriages, is looking for fresh fields. He calls a childhood sweetheart, now a suburban housewife, for a little sexual diversion. Over the years

she has idolized him from afar and is now more than the match he bargained for. The last couple is a mother and father fighting about the best way to get their daughter out of the bathroom and down to the ballroom where guests await her or as Mother yells, "I want you to come out of that bathroom and get married!"-- Publisher's description.

The Best Plays McFarland

Discusses the major literary figures in the English-speaking world

Laughter on the 23rd Floor McFarland

Neil Simon (1927–2018) began as a writer for some of the leading comedians of the day—including Jackie Gleason, Red Buttons, Phil Silvers, and Jerry Lewis—and he wrote for fabled television programs alongside a group of writers that included Mel Brooks, Woody Allen, Larry Gelbart, Michael Stewart, and Sid Caesar. After television, Simon embarked on a playwriting career. In the next four decades he saw twenty-eight of his plays and five musicals produced on Broadway. Thirteen of those plays and three of the musicals ran for more than five hundred performances. He was even more widely known for his screenplays—some twenty-five in all. Yet, despite this success, it was not until his BB Trilogy—Brighton Beach Memoirs, Biloxi Blues, and Broadway Bound—that critics and scholars began to

take Simon seriously as a literary figure. This change in perspective culminated in 1991 when his play *Lost in Yonkers* won the Pulitzer Prize for Drama. In the twenty-two interviews included in *Conversations with Neil Simon*, Simon talks candidly about what it was like to write commercially successful plays that were dismissed by critics and scholars. He also speaks at length about the differences between writing for television, for the stage, and for film. He speaks openly and often revealingly about his relationships with, among many others, Mike Nichols, Walter Matthau, Sid Caesar, and Jack Lemmon. Above all, these interviews reveal Neil Simon as a writer who thought long and intelligently about creating for stage, film, and television, and about dealing with serious subjects in a comic mode. In so doing, *Conversations with Neil Simon* compels us to recognize Neil Simon's genius.
