From award-

winning author Sally Nicholls, her debut novel about a boy's last months with leukemia. 1. My name is Sam. 2. I am eleven years old. 3. I collect stories and fantastic facts. 4. I have leukemia. 5. By the time you read this, I will probably be dead. Living through the final stages of leukemia, Sam collects stories, questions, lists, and pictures that create a profoundly moving portrait of how a boy lives when he knows his time is almost up. HarperCollins UK Tradition has it that God's second commandment is that we should love one another. Why is it so hard? The capacity to love is in everyone. Yet so often it remains trapped and waiting to be released. In John Powell's best-selling *Why Am I Afraid to Love*, he carefully and sensitively confronts the barriers that restrain. He looks at the fear of rejection, the motives for love, how to truly understand the inner self and what true love looks like. He then considers the true test of love: can self be forgotten in loving others? Based on the original best-selling edition, this new book has been completely re-designed. A fitting companion to *Why Am I Afraid to Tell You Who I Am?*, it is one

of the most original and popular self help books on the market. It sits comfortably alongside other classics like *I'm OK, You're OK*, *Why Am I Afraid to Love* has sold over 100,000 copies in its original edition. *The Seven Lost Secrets of Success* Random House Digital, Inc. S.U.M.O. stands for Shut Up, Move On. It's a phrase to say to ourselves (and sometimes

others) when we are acting or thinking in a way that is hindering our ability to succeed. It doesn't necessarily mean 'get over it' or 'pull yourself together' (although there may be occasions when both responses are necessary). 'Shut Up' means stop what you're doing, take time out to reflect, let go of baggage and beliefs that hinder your potential. 'Move On' means tomorrow can

be different from today, look for new possibilities, don't just think about it, take action. There are six S.U.M.O. principles that are designed to help you create and enjoy a brilliant life. If you are wrestling with life's challenges, these principles will help you do so more successfully. 1. Change Your T-Shirt - take responsibility for your own life and don't be a victim. 2. Develop Fruity

Thinking - change your thinking and change your results. 3. Hippo Time is OK - understand how setbacks affect you and how to recover from them. 4. Remember the Beachball - increase your understanding and awareness of other people's world. 5. Learn Latin - change comes through action not intention. Overcome the tendency to put things off. 6. Ditch Doris Day - create your own future rather than leave it to chance. Forget the attitude 'que sera, sera, whatever will be, will be.' "A superb book. It combines honesty, humour and inspiration to help people move ahead in life." —Allan and Barbara Pease, authors of *Why Men Don't Listen and Women Can't Read Maps* "Powerful, simple and effective. A highly engaging and thought provoking book. Anyone who reads it is sure to look at themselves and the world differently as a result." —Octavius Black and Sebastian Bailey, *The Mind Gym* The S.U.M.O. guy is Paul McGee, an international speaker and author. He has been developing the S.U.M.O. principles over the last five years. [Melupakanmu Sekali Lagi](#) Simon and Schuster The New York Times bestselling look at the real reasons for male

marital infidelity and what might prevent it Few events cause as much turmoil in a marriage as infidelity. It can shatter trust and breed insecurity and resentment from which some relationships never recover. People who think it won't happen to them are hit that much harder when it does. Why are men unfaithful? Can infidelity be prevented? What do men say they're getting from	their mistresses that they're missing at home? Do a man's friends have anything to do with his willingness to cheat? In this New York Times bestselling book, experienced family counselor M. Gary Neuman shares the revealing and surprising findings of a cutting-edge research study in which he interviewed men across the country who have physically cheated on	their wives. Neuman shares many shocking discoveries, including the prominent role of emotional dissatisfaction in motivating husbands who stray and how small a role sexual dissatisfaction plays. love, unrequited love, illicit love, not to mention lost love, twisted and obsessional love...	results. Marketing Genius is about achieving genius in your business and its markets, through your everyday decisions and actions. It combines the deep intelligence and radical creativity required to make sense of, and stand out in today's markets. It applies the genius of Einstein and Picasso to the challenges of marketing, brands and innovation, to deliver exceptional	impact in the market and on the bottom line. Marketers need new ways of thinking and more radical creativity. Here you will learn from some of the world's most innovative brands and marketers – from Alessi to Zara, Jones Soda to Jet Blue, Google to Innocent. Peter Fisk is a highly experienced marketer. He spent many years working for the likes of British Airways and American Express, Coca

Cola and Microsoft. He was the CEO of the world's largest professional marketing organisation, the Chartered Institute of Marketing, and lead the global marketing practice of PA Consulting Group. He writes and speaks regularly on all aspects of marketing. He has authored over 50 papers, published around the world, and is co-author of the FT Handbook of Management.

"Marketers who want to recharge their left and right brains can do no better than read Marketing Genius. It's all there: concepts, tools, companies and stories of inspired marketers."  
—Professor Philip Kotler, Kellogg Graduate School of Management, and author of Marketing Management  
"A fantastic book, full of relevant learning. The mass market is dead. The consumer is

boss. Imagination, intuition and inspiration reign. Geniuses wanted."  
—Kevin Roberts, Worldwide CEO Saatchi & Saatchi, and author of Lovemarks  
"This is a clever book: it tells you all the things you need to think, know and do to make money from customers and then calls you a genius for reading it."  
—Hamish Pringle, Director General of Institute of Practitioners

in Advertising, and author of *Celebrity Sells* "This is a truly prodigious book. Peter Fisk is experienced, urbane and creative, all the attributes one would expect from a top marketer. The case histories in this book are inspirational and Peter's writing style is engaging and very much to the point. This book deserves a special place in the substantial library of books on marketing." —Professor Malcolm

McDonald, Cranfield School of Management, and author of *Marketing Plans* "Customers, brands and marketing should sit at the heart of every business's strategy and performance today. *Marketing Genius* explains why this matters more than ever, and how to achieve it for business and personal success" —Professor John Quelch, Professor of Business Administration

at Harvard Business School and author of *New Global Brands* "Marketing Genius offers marketers 99% inspiration for only 1% perspiration." —Hugh Burkitt, CEO, The Marketing Society *The Truth about Cheating* *GagasMedia* She's been handed her walking papers. Jane McGregor has just been laid off from her job designing pink slips for an office supply company. The

irony is not lost on her. She's a twenty-eight-year-old art major whose last major career accomplishment was being propositioned by the company vice president. Desperate to maintain her freedom from her oddball parents, tyrannical older brother, and slacker ex-boyfriend, Jane starts sending out resumes. So what if some of them aren't exactly, well, true. She's taking the future in

stride. When Jane's dad, a staunchly conservative believer in the corporate dream, loses his job, and her mom goes to work for a trendy dot com, Jane discovers that the family she's taken for granted is unraveling. After a fellow lay-off victim hatches a plot to seek revenge on the office supply company, Jane must choose between living in the past and seeking out a new future. To her surprise, that

future might involve a most unlikely partner in crime -- handsome, funny Kyle Burton -- and maybe, just maybe, a new job, too. [Pink Slip Party](#) Wiley  
The first entry in a magical, thrilling, time-traveling adventure trilogy This is the story of Katie Berger-Jones-Burg. One minute, she's under the bed of her New York apartment, and the next she's in Buckingham Palace, at the height of

Queen Victoria's reign—a dangerous place to be. The Royal Family is in mortal peril. In the secret passages of the palace, a plot is afoot. Suspicious figures huddle in the gaslit streets of London. And Katie is not the only time-traveler in the city.

A small misshapen frog, has the

opportunity to choose between a comfortable life as a pet and an adventurous life in the wild. His story intersects with the life of a young girl facing family challenges and struggling to understand the difference between what she can be and what she must be. The arc of this poetic story introduces readers to some of the great ideas in philosophy, especially those of Sartre, Heidegger,

Kierkegaard, Dostoyevsky, Buber; and offers an excellent opportunity for dialogue and discussion.

**Firebelly** Harper Collins  
Desire came like a wildfire to the Colorado hills to claim a woman's property...and her heart. From the New York Times bestselling author of *A Lady of the West*. For five years after her father died, beautiful Dee Swann held on to Angel Creek valley and her independence.

The homestead was hers, and she vowed no one else would ever own it...or her. Then Lucas Cochran came back to Colorado. In the drought-cursed high country, he needed Angel Creek and its cool water to turn his Double C ranch into the cattle dynasty he craved. His ruthless ambition guaranteed he would fight to take it away from the black-haired, green-eyed spitfire who claimed it. But

the passion that blazed when Dee Swann and Lucas Cochran met shocked them both. Unbidden, unexpected, their kisses swept them toward a dangerous destiny where dreams might be scattered...men could be killed...or love would be born as wild and unfettered as this glorious frontier. Another Gulmohar Tree Bukune Sir Tobias Aldridge sets out to take revenge on his enemy,

Benedict Grayson, by seducing Benedict's beautiful sister Isabel, who has just returned from the West Indies and is determined to make her mark on society. **Fantasia** Yayasan Pustaka Obor Indonesia At the end of the nineteenth century China is rocked by foreign attacks and local rebellions. The only constant is the power wielded by one woman, Tzu Hsi, also known as

Empress Orchid, who must face the perilous condition of her empire and devastating personal losses. In this sequel to the bestselling *Empress Orchid*, Anchee Min brings to life one of the most important figures in Chinese history, a very human leader who sacrifices all she has to protect both those she loves and her doomed empire. An inspiring visual guide to a richer life. “If there’s a thinker to steal from, it’s Jessica Hagy.”—Austin Kleon, author of *Steal Like an Artist* and *Newspaper Blackout*  
How to Be Interesting is passionate, positive, down-to-earth, and irrepressibly upbeat, combining fresh and pithy life lessons, often just a sentence or two, with deceptively

simple diagrams and graphs. Each of the book’s more than 100 spreads will nudge readers a little bit further out of their comfort zones and into a place where suddenly everything is possible. It’s about taking chance—but also about taking daily vacations. About being childlike, not childish. It’s about ideas, creativity, risk. It’s about trusting your talents and doing only what you want—but having the

courage to get lost and see where the path leads. Because it's what you don't know that's interesting. Marketing Genius Scholastic Inc. Alessandra is desperate to escape. Desperate to escape her stepmother, who's locked her away for a year; to escape the cloister that awaits her and the marriage plans that have been made for her; to escape the expectations that limit her and every other girl in fourteenth-century Italy. There's no tolerance in her quiet village for Alessandra and her keen intelligence and unconventional ideas. In defiant pursuit of her dreams, Alessandra undertakes an audacious quest, her bravery equaled only by the dangers she faces. Disguised and alone in a city of spies and scholars, Alessandra will find a love she could not foresee -- and an enduring fame. In this exquisite imagining of the centuries-old story of Alessandra Giliani, the world's first female anatomist, acclaimed novelist Barbara Quick gives readers the drama, romance, and rich historical detail for which she is known as she shines a light on an unforgotten -- and unforgettable -- heroine. *A Golden Web* Createspace Independent Publishing Platform

Bahagia itu sederhana—duduk diam bersamamu saja telah membuatku bahagia. Bersamamu membuat hari-hariku penuh warna. Begitukah makna sahabat, seseorang yang membuatmu rindu, membuatmu tersenyum diam-diam ketika mengingatnya? Ataukah aku telah jatuh cinta kepadamu—dalam kebersamaan hari-hari kita? Namun, jika cinta

membuat kita luka dan membuatku kehilanganmu, aku memilih menyimpan cintaku di relung hati paling jauh. Dan, luka, biarkan ia tersimpan di hati. Dengan begitu, kau akan tetap di sisiku, bukan? Ah, nyatanya, kau tetap menjelma kehilangan dalam kisah kita. Entah bagaimana, aku pun kehilangan bahagia. Kau, di takdir manakah kita bisa bertemu kembali? Aku menunggumu. ... -Bukune-

**A Russian Affair** Simon and Schuster Usman is visiting post-war London from Pakistan when he meets a young aspiring artist called Lydia who has, like him, come out of an unhappy marriage. Just as the lonely strangers' friendship begins to blossom into something deeper Usman has to return to Karachi, leaving Lydia behind. Two years later, Lydia impulsively abandons her life in London

and boards a ship to Karachi, where the two are married. But as the years flit by Usman feels distanced from his life and realises that he hasn't noticed the buds of the gulmohar tree unfurl. A beautiful account of a marriage that is in turns wry and unashamedly romantic. 'We are lucky to have Hussein among us, telling us stories as few can.' Amit Chaudhuri 'A lovely, strange, and

very moving novel.' Ruth Padel 'At its heart it is a story of love, into which Hussein weaves all his remarkable skills of storytelling.' Kamila Shamsie 'In his splendid, dreamy Another Gulmohar Tree, Hussein gives us an indelible sense of two worlds - Karachi and London - in miniature and the strong parable of a love story that endures over a lifetime.'
