My Big Book of Catholic Bible Stories is a Catholic family treasure! With almost 200 stories, this book is an excellent resource for children and families to grow together in their faith and knowledge of Catholic tradition. It uses selections from the actual text of the highly respected and readable New

Revised Standard Version, Catholic Edition, including stories from the Deuterocanonical Books. Along with stories from actual Bible text, *My Big Book of Catholic Bible Stories* includes additional elements. Each of these elements will help encourage the child to talk to God, to understand the meaning of new words from the passage, to learn quotes from saints and other important figures, and to go deeper in their faith by cross-referencing the CCC and applying the lesson to their lives. With its thorough teaching of Catholic faith, Bible stories, and classic art, this Bible Storybook will be a welcome addition to Catholic homes, schools, and churches. *The Big Book of Ketogenic Diet Cooking* Rockridge Press

A free eBook that asks hard questions about why politics once worked, and how today's politics do not. What if idealistic reform itself is a culprit? In *Political Realism*, Jonathan Rauch argues that well-meaning efforts to stem corruption and increase participation have stripped political leaders and organizations of the tools they need to forge compromises and make them stick. Fortunately, he argues, much of the damage can be undone by rediscovering political realism. Instead of trying to drive private money away out of politics, how about channeling it to strengthen parties and leaders? Instead of doubling down on direct democracy, how about giving political professionals more influence over candidate nominations? Rauch shows how a new generation of realist thinkers is using timetested truths about politics and government to build reforms for our time. Rich with contrarian insights and fresh thinking, *Political Realism* is an eye-opening challenge to today's conventional wisdom about what ails American government and politics.
