 What Determines How You Love? Each of us relates to our spouse based on how we experienced love as a child. In this expanded and enhanced companion workbook to *How We Love*, relationship experts Milan and Kay Yerkovich offer assessments and conversation starters to help you and your spouse identify your relational patterns and realize how they are affecting you now. Their solution-focused tools help you: \* understand why your spouse relates to you the way he or she does \* learn how to break free from

the barriers that make you feel stuck \* see the connection between your personal love style and your childhood \* follow specific, clear goals to create a thriving marriage \* ask and answer questions strategically with your spouse  
 The Yerkoviches have helped thousands of couples around the world heal and renew their relationships. This eminently practical guide will take your marriage to the new level of intimacy you've always wanted.

*The Samson Syndrome* WaterBrook  
 Why do some strong men fail while others succeed? Like the biblical character Samson, all strong men—those who are successful, influential, self-confident, aggressive, or widely respected—face

twelve tendencies that can lead to sin and even personal tragedy. The adventurous and gifted Samson—whose story is told in four chapters of the book of Judges—never had the intention of fighting against God. He was just a fun-loving guy looking for a good time. Like so many strong men today, he didn't think his sin was any big deal. But it's clear as you read his story that the older he got, the more sin held him in its grip. The Samson Syndrome is a set of twelve tendencies or challenges that strong men will always face. Obstacles like lust, ignoring good advice, big egos, fears of authentic intimacy, losing sight of the big picture, and others, have the ability to be any man's undoing. Atteberry's mission is to remind men of the joy of

living within God's boundaries, because he believes there's a little Samson in all of us. With God's help we're capable of such great things. But we're never more than one bad choice away from humiliation. However, it doesn't have to be that way if you want to fulfill your God-given potential.
