Beyond Single-Word Vocabulary Blue Rose Publishers

The New Cambridge English Course is a course teachers and students can rely on to cover the complete range and depth of language and skills needed from beginner to upper-intermediate level. Each level is designed to provide at least 72 hours of class work using the Student's Book, with additional self-study material provided in the Practice Book. The course has a proven multi-syllabus approach which integrates work on all the vital aspects of language study: grammar, vocabulary, pronunciation, skills, notions and functions. Teacher support Free photocopiable placement tests for Levels 1 and 2 are available, with teachers' notes in French, Spanish and Polish and answer sheets to help allocate students to the appropriate level. Please contact your local Cambridge University Press representative for details.

A Course in Language Teaching Trainee Book Oxford University Press
Elementary to advanced activities illustrating techniques appropriate for both adults and children.

Games for Language Learning Cambridge University Press

The fully revised edition of this 'classic' helps teachers give their learners the tools they need to express themselves through a range of stimulating drama contexts. This completely revised edition of the classic title *Drama Techniques* provides: *150 ideas for interesting and productive fluency practice *a large selection of drama-based techniques which focus learners' attention on communicative tasks or activities *techniques suitable for all levels *clear instructions for the teacher *advice on

how to use the techniques in the classroom

Teaching Listening Comprehension Cambridge University Press

Discussions and More is an updated version of the classic handbook *Discussions that Work* and an invaluable resource for teachers who want to provide learners with a varied range of successful speaking activities. This second edition takes into account the changes in approaches to ELT over the last thirty years which means that, as well as containing updated versions of old favourites, the book has a much greater range of oral fluency activities from game-like activities to debates and presentations. It includes many new activities suitable for younger learners and lower level learners, making it suitable for a wide range of teaching contexts where teachers are keen to develop learners' speaking skills. Activities are meaningful and motivating, require minimal preparation and result in high interaction.

Modern Italian Grammar Cambridge University Press

This comprehensive anthology provides an overview of current approaches, issues, and practices in the teaching of English to speakers of other languages. Containing a broad collection of articles published primarily in the last decade, it illustrates the complexity underlying many of the practical planning and instructional activities involved in teaching English. These activities include teaching English at elementary, secondary, and tertiary levels, teacher training, language testing, curriculum and materials development, the use of computers and other technology in teaching, as well as research on different aspects of second-language learning. Organized into 16 sections, the book

contains 41 articles by well-known teacher trainers and researchers. Also included are two sets of discussion questions--a pre-reading background set and a post-reading reflection set. The anthology serves as an important resource for researchers, M.A. TESOL students, and teachers wishing to design a basic course in methodology.

Handbook for Teaching English in Mexico and Central America

Cambridge University Press

A wide range of motivating and engaging stories from many cultures and sources.

Task-centred Fluency Practice

Cambridge University Press

This important course provides a comprehensive basic introduction to teaching languages, for use in pre-service or early experience settings. It can be used by groups of teachers working with a trainer, or as a self-study resource. The Trainee's Book provides all the tasks given in the main book but without background information, bibliographies, notes or solutions. It is suitable for those studying on a trainer-led course, where feedback is readily available.

Students With Interrupted Formal Education Cambridge University Press

Discussions that Work Cambridge University Press

Written by leading English-language educators in Japan, this Handbook provides an in-depth guide for the new generation of teachers at Japanese universities. In clear, accessible prose, it offers practical and detailed advice on effective classroom pedagogy, student motivation, learning styles, classroom culture, national language policy, career opportunities, departmental politics,

administrative mindset, and institutional identity. Its four sections—The setting, The courses, The classroom, and The workplace—examine issues faced by university language teachers as well as challenges confronted by the increasing number of scholars teaching English as a Medium of Instruction (EMI) and Content and Language Integrated Learning (CLIL) courses. Firmly grounded in contemporary teaching method and theory, the Handbook's 23 chapters also acknowledge the influence of diverse movements such as World Englishes, global issues, gender, and positive psychology. Its three appendices contain information on organizations, books, journals, and websites particularly useful for Japanese university educators; explanation of types and rankings of schools; ways to learn more about individual institutions for job-hunting; and detailed information on the structure (and Japanese titles) of faculty and non-teaching staff at the typical university. This Handbook is an invaluable resource for anyone teaching, or aspiring to teach, at a Japanese university.

Five-Minute Activities Cambridge University Press

Helps to develop students' ability to speak English fluently and confidently, especially in less formal contexts. Provides a useful source of ideas to supplement any coursebook at any level.

Teaching English through Communicative Approach Cambridge University Press

70 activities that encourage interaction and cooperation in classrooms with few resources.

Discussions that Work - Task-centred Fluency Practice Newbury House Publishers

A three-level series of grammar reference and practice books for

teenage and young adult learners. Active Grammar Level 1 covers all the grammar taught at A1-A2 (CEF) level. The book presents grammar points in meaningful context through engaging and informative texts, followed by clear explanations and useful tips that highlight common mistakes usually made by low-level learners. Exam-style exercises provide plenty of challenging practice and encourage students to apply their own ideas creatively to grammar learning. A large number of contrastive revision exercises in the book and on the CD-ROM allow students to assess and monitor their progress at regular intervals. This version without answers and CD-ROM is suitable for classroom use and self-study.

A Resource Book of Short Activities
Routledge

This practical book contains over 100 different speaking exercises, including interviews, guessing games, problem solving, role play and story telling with accompanying photocopiable worksheets.

A New Handbook Cambridge University Press

Fifty practical activities to produce a genuine and enthusiastic exchange of ideas.

Discourse Cambridge University Press
Practical and detailed recommendations, based on research, for the development of language learning strategies for the four language skills, with case studies, models, etc.

A Revised and Updated Edition of Discussions that Work (CHLT).

Paperback Cambridge University Press
Tried and tested teaching tips for language teachers. This practical ebook, with its clear and accessible style, will be useful to many teachers, whether trainee, novice or experienced, in a

variety of contexts. It provides a set of 100 hands-on tips on 19 different areas of classroom teaching, including using a coursebook, giving and checking homework, classroom discipline, testing and assessment. The clear and concise advice is accompanied by brief explanatory notes based on the author's extensive teaching experience.

Activities for Language Teaching with Limited Time and Resources

Cambridge University Press

This comprehensive resource book contains an easy-to-use set of short activities essential for anyone teaching Business English. Reflecting real-life business activities such as emails, noisy telephone conversations, making excuses, negotiating, handling customer complaints and cultural awareness, Five-Minute Activities for Business English helps teachers mirror the pacy feel of the work environment. This book is also of interest to teachers of general English who are looking for stimulating skills-based activities in meaningful contexts and complements both tailored and coursebook-based materials. The four main areas covered are 'Business topics', 'Business communication skills', 'Language work' and 'Exploiting coursebooks'. These areas feature activities on various topics such as money, finance, meetings, negotiations, telephoning, management, marketing, etc.

A Practical Guide for Teachers

Cambridge University Press

The present book viz., A Handbook to Teaching Communicative English (For Research students) is a successful attempt to teach English to ESL students through communicative approach. Several practical tasks are suggested to practice speaking English in a normal class room by an English making

learning live and interesting. The communicative approach to teaching of English is organized on the basis of certain communicative functions, such as apologizing, describing, inviting, promising etc. that the ESL learners need to know. It explains the language in terms of the functions it performs. This approach does not ignore the role of grammar in the process of language learning, but it insists that the grammatical rules are useless unless they are applied to real-life situations. Communicative approach focuses on the significance of language functions because the learner needs knowledge of both meaning and functions. It lays emphasis on functional, communicative and social interactive activities. The basis of each lesson is a problem or a task and the conduct of the lessons consists of setting the task, demonstrating ways of tackling it and, in the process, giving some pupils a chance to attempt it, then getting all the pupils to attempt and, finally giving each pupil a rough indication of the measure of his success. The function of the task is to bring about a self-reliant effort by the learners. Tasks consist of : interpreting a schedule, giving a set of directions, *Bridging Where They Are and What They Need* Cambridge University Press

This textbook provides a practical and research-based foundation for teaching second language (L2) multiword units (also commonly called collocations). Multiword units - such as strong tea, beautiful weather, or would you mind - cannot be readily understood or predicted by the meanings of their component parts, and prove particularly challenging for English language learners. With contributions from top scholars, this text presents a thorough and rounded overview of the principles

and practices currently dominant in teaching L2 phrases in a variety of instructional settings around the world. Divided into two sections, Part I examines the pedagogical foundations of teaching the essential units of language. Part II covers a range of techniques and classroom activities for implementing instruction. Intended for students and teacher educators, this accessible volume integrates the key principles, strategies, and applications of current and effective English language instruction for both vocabulary and grammar.

New Camb English Course:Level 3 Class C (3) Routledge

New hope for our most vulnerable English learners “One of the guiding principles of effective English language teaching is for educators to know their students. And that in a nutshell captures the value of this book. . . . The compassion that Custodio and O’Loughlin feel for our SIFE students, the commitment they have to educating them well, and the comprehension they have of the assets these learners bring to the classroom are evident in the writing, tools, and vignettes they share.” -Deborah J. Short Under the best of circumstances, the academic demands of today’s classrooms can be daunting to our English learners. But for the tens of thousands of newly arrived students with interrupted formal education, even the social challenges can be outright overwhelming. Rely on this all-in-one guide from Brenda Custodio and Judith O’Loughlin for expert insight on how to build the skills these students need for success in school and beyond. Inside you’ll find Essential background on factors leading to interrupted education Specific focus on refugee children and Latino immigrants Guidance on building

internal resilience for long-term social and emotional health Recommendations for creating supportive environments at the classroom, school, and district level About one thing, Brenda and Judith are absolutely convinced: our SIFE students

can learn and make progress, often at a remarkable speed. But it's up to us, their educators, to provide the time, attention, and a specific focus. Consider this book your first step forward.
