 Falling Into The Fire
 AFalling Into the Fire is psychiatrist Christine Montross's thoughtful investigation of the gripping patient encounters that have challenged and deepened her practice. The majority of the patients Montross treats in Falling Into the Fire are seen in the locked inpatient wards of a psychiatric hospital; all are in moments of profound crisis. We meet a young woman who habitually commits self-injury, having ingested light bulbs, a box of nails, and a steak knife, among other objects. Falling Into the Fire: A Psychiatrist's Encounters with ... "Thoughtful and deeply compassionate...[Falling Into the Fire] is a fluid meditation on the limits of medicine and how Montross learned to care for 'people nearly all of whom are in profound moments of crisis.'...This is not a doctor puzzling clues together like some real-world Dr. House; this is a doctor struggling to sit with the uncomfortable ...Christine

Montross - Falling Into the Fire Without doubt a meaningful contribution to her field that is also a learning experience for any reader, "Falling into the Fire" is a terrific follow-up to Montross' first book, "Body of Work." We can only hope that there are many such works to come. One person found this helpful Amazon.com: Customer reviews: Falling Into the Fire: A ... Falling Into the Fire is a good quick read that presents several interesting stories about a psychiatrist's experiences with patients. Dr. Montross is successful in presenting these illnesses in a way that is accessible to those with non-psychological backgrounds, as well as bridging the gap between those who are mentally ill and those who are not. Falling Into the Fire: A Psychiatrist's Encounters with ... Falling into the Fire is a fine addition to a body of writing - including the work of Paul Broks, Kay Redfield Jamison and Oliver Sacks - that makes the strange and frightening territory of ...
