Featuring a slow burn shifter romance and intelligent snark, this clever mix of urban fantasy and mystery will take you on a wild ride. Meanwhile, her screw-up on a dangerous fact-finding mission may have kicked her sexual tension with the wolf shifter in the balls. At least she's not obsessing over it, since fighting through a maze of mind games, tested loyalties, and secrets is consuming all her energy. Glass half-full, right? Now armed with

her trusty to-do list, she's determined to multitask her way to victory like a magic badass. Yaas, Queen. Fans of Jana DeLeon, Robyn Peterman, and KF Breene, will adore Miri, a smart older heroine with zero effs left to give! Let's get you reading!

"Hauntingly good" - P.C. Cast, co-author of the #1 NYT bestselling *House of Night* series Like everyone born after *The Shift*, sixteen year-old Aura can see and talk to ghosts. Persistent, and often angry, some even on the verge of becoming Shades, these violet-hued spirits are constantly talking to her, following her, and demanding her help to make amends for their untimely deaths. Aura has always found this mysterious ability annoying and wished she could find a way to reverse it. She'd much rather the ghosts left her alone so she could spend time with her boyfriend, Logan. But when Logan dies suddenly and unexpectedly, Aura is forced to reconsider her connections with the dead... and, the living. Surely a violet-hued spirit Logan is better than no Logan

at all, isn't it? And things are complicated further when new exchange student, Zachary, is paired with Aura for a class project researching the 'Shift phenomenon'. Zach is so understanding - and so very alive. His support and friendship means more to Aura than she cares to admit. And, as Aura's relationships with both the dead, and the living, become more complicated, so do her feelings for both Logon and Zach. Each holds a piece of her heart... and clues to the secret of the shift. "A fully satisfying read, with well-developed, believable characters. Smith-Ready changes the world completely by simply changing our ability to see" - Publishers Weekly, starred review [Mortal Queen \(Shadow Shifters #4\)](#) Bold Butterfly Publishing Inc.

They all made a terrible mistake. One they will pay for. For the past ten years I've been a victim. A victim to my pack. A victim to my true mate, who rejected me in the most brutal of ways. And a victim to Shadow Beast, who used me for his own gains. Or did he? The beast of mystery never reveals his whole hand, but one thing is for sure? In my time with him, I've changed. Now I will no longer walk the path dictated by the powerful men in my life. Never again will I let my strength be taken from me. I must evolve or die. And we all know, with a choice like that, there's really only one answer.* Reclaimed is book 2 of 3 in the Shadow Beast Shifters series, and ends on a cliffhanger. If you like sexy, dark paranormal romances, with humor, steam, action, a tough heroine and an

antihero, this is for you. It's full length (100k) words and is recommended for 18+ due to language and sexual situations.
