Basic and effective fighting strategy with a stick or stick-like weapon. Kali sticks, umbrellas, canes, crowbars. Find a practice stick that's comfortable for you to hold. A cut-down broom handle will work. The stick should be... How to Fight With a Stick: 10 Steps (with Pictures) - wikiHow Description Stick fighting is a general term for martial arts which utilizes simple, long, slender, blunt, hand-held, usually wooden sticks such as a cane, staff, baton, walking stick or similar for fighting. Some methods can as well be utilized with a sword in a scabbard or a sturdy umbrella. Stick Fighting Methods- A Comprehensive Guide for Beginners Welcome to Cane Masters, where we carry a large collection of self-defense canes. As you browse through our selections, you will notice

we offer different sizing options, engravings, wood selections, and much more. We are the only site that manufactures custom self-defense walking canes specifically catered for martial arts and self-protection. Self-Defense Canes | Self Defense Walking Cane | Cane Masters The most obvious way to use a cane for self-defense is to simply swing it in a single hand at the attacker. Though many movies have flashy techniques or funny acts like using the loop of a cane to trip a person, these are not very practical or realistic to use. Cane Fighting Techniques - EzineArticles Now you have a good kali stick fighting stance, you can learn to move. The "spring semi-forward stepping" is a good stick fighting technique to close distance. Your back heel is up. This turns your calf muscle into a double spring. One behind your knee and one at your heel. When you release these springs, it projects your whole body forward. Basic Stick Fighting Techniques for Self Defense Grip the cane with just one fist and hit him with your free hand. With two hands on the cane, you can combine

techniques by first thrusting, then reversing the cane and striking with the crook, then thrusting again as you reverse on the rebound of your strike. Introduction to Defensive Cane | The Martialist Cane Fighting Techniques For The Real World!
