Introduction to techniques for conversion of over 85% of 30,000 of the most frequently used English words to Spanish vocabulary with a minimum amount of memorization effort & for selection of English words which are more likely to be understood by Spanish speaking persons. As an adjunct to grammar study, this shortcut to an extensive Spanish vocabulary helps minimize the gap between an existing English vocabulary & the desired Spanish vocabulary. It is designed for use by anyone learning Spanish regardless of the level of study. Extensive lists of words in each conversion pattern are provided flagged for words which don't follow the stated conversion

formulae & for words that appear similar in the two languages but having significantly different meanings. (A list of 500 misleading cognates is included to help avoid embarrassing errors). Tips are provided to help in determining noun gender. Supplemental lists of key groups of nonconverting words & lists of 40 separate subject matter groups with their Spanish equivalents are also included. This is the first of a CONVOcab series on the conversion of vocabulary between English, Spanish, French, Italian & Portuguese.

How to Speak Intermediate Level Spanish in Less Than 28 Days Barron's Educational Series

Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Gandhi to Kurt Vonnegut Jr. – have written for the magazine.

How to Learn 1000+ Spanish Words in 1 Hour and Impress Your Colleagues by Using 7 Simple Vocabulary Tricks Harper Collins

A Spanish language phrase book for English speakers offers one hundred essential words needed to create a variety of useful Spanish phrases.

Have Fun with Easy Spanish Stories: a New Way to Learn Spanish from Scratch and to Boost Your Spanish Vocabulary and Your Language Skills in a Funny Way Oxford University Press

Have you been desperately trying to learn Spanish but simply can't find the way to take the first steps? Do you dislike overly grammatical learning material and just want to learn in a natural, fun fashion? Are you looking for the most sensible, quickest and most reliable way to learn Spanish where the whole method is backed by reliable scientific research? If you answered yes to at least one of the questions above, then this guide is exactly for you. For those who've despaired of ever learning a foreign language, here, finally, is a book that will make the words stick long-term.

Possibly the most feared challenge to learning Spanish is the challenge of memory; there are just too many words and too many rules to remember. For every new word we learn, we seem to forget two old ones, and as a result, fluency can seem out of reach. That is exactly why "1001 Top Spanish Words In Context" was written. According to Professor Elfrieda H. Hieber from the University of California, Berkeley, The 100 most frequent words account for about 50% of the words in a typical text and the 1000 most frequent words for about 70%. Therefore it is evident that the first 1000 words of learning a language can provide you with an immense boost on your journey to master the language. In '1001 Top Spanish Words In Context' you'll discover: The 7 most common contexts to INSTANTLY kickstart your learning process (even if you barely know a word at the moment!) The exact formula to use expressions, proverbs, and sayings like a native speaker The latest scientific research about language learning combined with a practical guide you will not find on your average online learning website The single best way to increase your reading and listening comprehension, and enable you to communicate with little or no grammar How a simple grouping of thematic vocabulary lists can take tremendous fear from getting started and make everything suddenly seem 10x easier The absolute basic 4 areas of phrases you HAVE to know to communicate in Spanish as quickly as possible (You might be missing out tremendously if you don't know these!) ...and much, much more! Even if you have already tried everything else without success, the beginner friendly and systematic choice of words and phrases are based on both practical experience as a native speaker and the latest scientific research. Thus, '1001 Top Spanish Words in Context' is your shortcut to master the hard beginning in the easiest way possible. So if you want to finally turn into a Spanish speaker nearly overnight with just one single concept, click "Add to Cart" now! ★★ Buy the Paperback version and get the Kindle eBook version included for FREE! ★★

Not for Beginners, Not Quick and Easy, But Really Effective Harmony

The train tracks ran right by Bigmama's house in Cottondale, and the children were warned to stay off the tracks. But one night they were late, and the tracks were a shortcut, so they started off. And when there was no turning back, they heard the train coming.

Simple Spanish Shortcuts for Busy Clinicians Berlitz

Want to give your Spanish students a shortcut to fluency? Short stories are the ticket. Spanish novels are more like meandering, scenic paths to arrive at fluency. But short stories are the short, direct paths chopped through the hedges. The book also includes useful learning support features: -Audiobook included. -Basic Spanish vocabulary. -Grammar clues. -Comprehension questions. - Description of keywords. -A review of the verbs used in each story in different tenses.

Organizing for Power in the New Gilded Age Routledge

'Excellent book. The chapters put together and systematise a lot of material that is often taught in an anecdotal or haphazard sort of way, if at all. Students will learn a great deal from the book and have their confidence in using Spanish considerably boosted as a result.' – Jonathan Thacker, Merton College, University of Oxford, UK 'An invaluable, highly original and methodically sound approach to correcting and eliminating common, yet difficult-to-eliminate errors.' – Manuel Delgado, Bucknell University, USA 'The user-friendly format and page layout makes Speed Up Your Spanish a highly practical reference source for students and teachers.'– Ma Victoria García Serrano, University of Pennsylvania, USA False friends, idiomatic expressions, gender and capitalization are just some of the areas that cause confusion for students of Spanish. Learning how to avoid the common errors that arise repeatedly in these areas is an essential step for successful language learning. Speed Up Your Spanish is a unique and innovative resource that identifies and explains such errors, thereby enabling students of Spanish to learn from their mistakes while enhancing their understanding of the Spanish language. Each of the nine chapters focuses on a grammatical category where English speakers typically make mistakes in Spanish. Each chapter is divided into sections that classify the concepts and errors into subcategories. Full explanations are provided throughout with clear, comprehensive examples and exercises to help the learner gain an in-depth understanding of Spanish grammar and usage. Key features: carefully selected grammar topics and examples based on the most commonly made errors exercises throughout to reinforce learning shortcuts and mnemonic devices providing vital learning strategies a Companion Website available at www.speedupyourspanish.com providing supplementary exercises as well as audio files. Suitable both for classroom use or self-study, Speed Up Your Spanish is the ideal resource for all intermediate learners of Spanish wishing to refine their language skills. Javier Muñoz-Basols is an Instructor in Spanish at the University of Oxford. Marianne David teaches Spanish at the Trinity School in New York. Olga Núñez Piñeiro is Senior Lecturer in Spanish at the University of Westminster.

Strategies to Avoid Common Errors Independently Published

The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine

languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book The Way of The Linguist, A language learning odyssey, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.

A Language Learning Odyssey Barron's Educational Series

If you want to become fluent in Spanish, you need more than immersion and Spanish courses. You need a system that works! If you want to become fluent in Spanish, this book is for you! Most people think you need a great Spanish teacher or immersion to become fluent in Spanish. And while both great teachers and immersion can definitely help improve your Spanish, many students find that typical courses and short-term immersion experiences are not sufficient to become totally fluent. Sorry, but it's just not that easy to attain fluency. It takes dedication and hard work with the right techniques. In this book, the author recommends a self-training system that will allow you to learn Spanish daily and become fluent much faster by training yourself how to learn. Is it hard work? Yes, it is. But it's what it takes to become fluent in Spanish. This little guidebook might just save you a lot of time and frustration on your journey to become a proficient and fluent Spanish speaker.
