Race History of Science  
153 - MIT Scientific racism  
is a pseudoscientific belief  
that empirical evidence  
exists to support or justify  
racism (racial  
discrimination), racial  
inferiority, or racial  
superiority. Historically,  
scientific racism received  
credence throughout the  
scientific community, but  
it is no longer considered  
scientific. Scientific racism
