Everything has gone according to plan, including her recent marriage to Kim Betz, an investment banker with the right combination of looks and position. On the surface it appears to be a match made in heaven. The only problem is Kim’s ex-wife. Sophie begins to follow Carter like a shadow, making outrageous claims about Kim’s involvement in the occult. Convinced herself that Sophie is mad, Carter moves ahead with her life. But something is amiss—and as Sophie’s stories are corroborated by other unwelcome disclosures from Kim’s past, Carter is thrown into a terrifying web of suspicion and betrayal, pushing her sanity to the edge. In desperation, Carter seeks help from Nicholas Darrow, the charismatic priest of St. Benet’s Healing Center. Though a religious skeptic, Carter hopes to stem the tide of darkness that threatens to envelop her life—and begins a compelling journey into the very nature of good and evil, wisdom and redemption. . . .

Susan Howatch’s global bestsellers have appeared regularly since the 1970s, but a radical shift in her subject matter in the 1980s and especially the 1990s made reviewers and then academics adjust their glasses and stare hard at her pages. Howatch began to take her loyal following of gothic and family-saga readers into unexpected psychological and theological depths, while taking to an extreme, with a serious-novel format, the experiments begun in her family sagas. She also introduced to her readers a character only half-alive in Trollope, the Anglican Church.

The New York Times bestselling novel about a powerful Wall Street family in the 1920s and the illicit affair that threatens their empire. During the Roaring Twenties, Paul Van Zale is the undisputed king of the financial industry, an influential man of great wealth, unparalleled power, enormous ego, and insatiable appetites. He’s also exactly what Dinah Slade is looking for: a millionaire susceptible to seduction who can rescue her endangered ancestral estate and make her dream of creating her own business empire come true. All it takes is one look at the intoxicating young Englishwoman—“delivered” in secret to his London office—and all thoughts of his wife and other mistresses are instantly banished from Van Zale’s mind. But their ensuing love affair has repercussions that will shake the foundations of the banking tycoon’s Wall Street firm, especially when his dynamic, impulsive right-hand man also falls victim to Dinah’s vibrant sensuality. Perhaps graver still is her effect on Van Zale’s family, among whom greed, rage, and jealousy are prime motivating factors. And as the boom of the twenties gives way to the despair of the Great Depression, everything threatens to come tumbling down in an avalanche of treachery and murder. Inspired by the love triangle involving Caesar, Cleopatra, and Mark Antony, the author of *Sins of the Fathers* and *The Wheel of Fortune*—known for writing “impressive fiction imbued with moral questions”—presents an unforgettable saga of an American dynasty in the tumultuous years between the two world wars (Publishers Weekly). This ebook features an illustrated biography of Susan Howatch including rare photos and never-before-seen documents from the author’s personal collection.

John Vanbrugh is an outsider in the England of 1905: A determined but unsuccessful American architect, he has moved to London to make a new life for himself and his wife, Margaret. When he receives an unexpected summons to meet the dazzling Duchess of Marlborough at Blenheim Palace, he is skeptical. The young duchess, Vanbrugh comes to understand, has her reasons. Like him, she is American-born: Consuelo Vanderbilt, one of the richest debutantes in America. Seemingly on impulse, the duchess hires Vanbrugh to renovate her rooms at Blenheim - a plum job Vanbrugh accepts. He and his wife join the weekend party at Blenheim, a group that includes the foul-tempered duke; his young cousin Winston Churchill; the society painter John Singer Sargent; the duchess’ mother and American suffragette

Mrs. O.H.P. Belmont; Gladys Deacon, an American friend of the duchess'; and the enigmatic Catholic Monsignor Vay de Vaya. Almost as soon as he begins work at Blenheim, Vanbrugh uncovers a series of unsettling letters that hint at a long-concealed deceit. As he tries to grasp the meaning of this discovery, a sketchbook owned by Sargent is stolen and a young housemaid is found in the courtyard, strangled. It is then that Vanbrugh realizes he is caught in a maze of duplicity and manipulation with no way out. Struggling to uncover the treachery he sees around him, Vanbrugh is forced to re-evaluate everything he thought about Blenheim, himself, even the very nature of truth.
