Learning  
Imagine a  
class where  
students are  
actively and  
personally  
engaged in  
thinking  
critically while

also  
discovering  
how to apply  
those thinking  
skills in  
everyday life.  
Now imagine  
those same  
students

confidently participating in class, working efficiently through the exercises outside class, and performing better in the course. With Connect Critical Thinking, students can achieve this success. Connect Critical Thinking is a first: a learning program with pedagogical tools that are anchored in research on critical thinking. Along with Moore &

Parker's engaging writing style and the wealth of topical exercises and examples that are relevant to students' lives, Connect Critical Thinking helps ensure that students can come to class confident and prepared. What other course provides students with skills they can apply so broadly to success in school and success in life? *An Introduction to Mass*
