Mona Lisa Darkening American Library Association

The first novel in the explosive new Southern Shield series from New York Times bestselling author Angela Knight explores the intoxicating games between a female cop and a Navy SEAL—and the killer instincts of a secret enemy watching every move they make. Atlanta deputy Alexis Rogers and Navy SEAL Frank Murphy know all about power and restraint, necessary force, and pushing their limits. When they meet in the darkness of a BDSM club, their skills are put to use. With each successive night comes a new adrenaline rush, and while they're falling into something perilously close to love, their games are still too private, too extreme, and too daring ever to be exposed. But their intimate lives are upended when a fellow deputy of Alex's is killed. It's not a tragic hazard of the job. It's cold-blooded murder. And he's not the last to be taken out. Now Alex and Frank have found

themselves more vulnerable than ever—and exposed to a killer with a twisted vendetta who turns desire into the most dangerous sensation of all.

Love Bites Penguin

Hailed as “exhilarating,”* “passionate and hot,”** USA Today bestselling author Angela Knight’s supercharged romances combine heated passion with non-stop action. And she’s back with more werewolves and vampires—in a story too hot to handle... Jim London is outraged over the death of his friend, a fellow bounty hunter and werewolf—and thinks the police department of nearby Clarkston cooked up a phony story about Tony’s murder. The only way to find out is to go undercover. And, in his wolf form, Jim can do that better than anybody... There’s one complication, though. The new police-dog handler, Faith Weston, is sexy enough to bring out the animal in any man...

Animal magnetism has a whole new meaning when the menagerie of shapeshifters in Shelly Laurenston’s Pride series prowls, sniffs, howls, and roars into hot-blooded action . . . THE MANE EVENT NYPD cop Desiree “Dez” MacDermot knows she’s changed a lot since she palled around with her childhood buddy, Mace. But it’s fair to say that Mace has changed even more. It isn’t just those intensely gold eyes, or the six-four, built-like-a-Navy Seal body. It’s something in the way he sniffs her neck and purrs, making her entire body tingle . . . THE BEAST IN HIM Some things are so worth waiting for. Like the moment when Jessica Ward “accidentally” bumps into heartthrob Bobby Ray Smith and shows him just how far she’s come since high school. Now Jess is a success on her own terms. And she can enjoy a romp with a big, bad wolf and walk away. Easy. Or so she thinks . . . THE MANE ATTRACTION Weddings have the strangest effect on people. Exhibit 1: Sissy Mae waking up in Mitch Shaw’s bed the morning after her brother

Bobby Ray’s nuptials. Exhibit 2: the gunmen trying to kill Mitch. Exhibit 3: Sissy Mae escorting a bleeding yet sexy lion shifter to her Tennessee Pack’s turf for safe keeping. It doesn’t help that Mitch’s appraising gaze makes her feel like the most desirable creature on earth . . . **THE MANE SQUEEZE** Growing up on the tough Philly streets, Gwen O’Neill knows how to fend for herself. But what is she supposed to do with a nice, suburban Jersey boy who has a tendency to turn into a massive Grizzly? Despite his menacing growl and four-inch claws, Gwen finds Lachlan “Lock” MacRyrie cute and really sweet. He actually watches out for her, and unlike the rest of her out-of-control family, manages not to morbidly embarrass her. Too bad cats don’t believe in forever . . . Praise for the Novels of Shelly Laurenston “Hot and humorous.” —USAToday.com “Shelly Laurenston’s shifter books are full of oddball characters, strong females with attitude and dialogue that can have you laughing out loud.” —The Philadelphia Inquirer “A little bit of everything . . . humor, passion, and suspense with a touch of paranormal.” —FreshFiction

She quickly learns that office politics are even more complicated when your new boss is a real ogre, and you have a crush on the sexy, shy, ultra powerful head of the R&D department, who is so busy fighting an evil competitor threatening to sell black magic on the street that he seems barely to notice Katie.
