The Shaking of the Foundations

Daniel Friedmann

God designed us to build our lives around a local church. Bestselling Joshua Harris reveals how and why to fall in love with, and stay committed to, the church.

A Human History Doubleday

From debut author Chandra Blumberg comes a playful, heartfelt romance about chasing your dreams and finding love in the process. Alisha Blake works her magic in the kitchen, creating delectable desserts for her grandfather's restaurant in rural Illinois. Though Alisha relishes the close relationship she has with her family, she can't help but dream about opening a cookie shop in Chicago. She may be a small-town baker, but Alisha has big ambitions. Then a dinosaur bone

turns up in her grandparents' backyard. When paleontologist Quentin Harris arrives to see the discovery for himself, he's hoping that the fossil will distract him from a recent painful breakup. Instead, he finds Alisha--and sparks fly. The big-city academic and the hometown baker seem destined for a happily ever after. But Alisha is scared to fall in love. And Quentin's trying to make a name for himself in a competitive field, which gets even more complicated when the press shows up at the dig site. For love to prevail, the two may have to put old bones aside--and focus on the future.

Dug Down Deep B&H Publishing Group
 A generation stands on the brink of a "rebelution." "Most people don't expect you to understand what we're going to tell you in this book. And even if you

understand, they don't expect you to care. And even if you care, they don't expect you to do anything about it. And even if you do something about it, they don't expect it to last. We do." - Alex and Brett Do Hard Things is the Harris twins' revolutionary message in its purest and most compelling form, giving readers a tangible glimpse of what is possible for teens who actively resist cultural lies that limit their potential. Combating the idea of adolescence as a vacation from responsibility, the authors weave together biblical insights, history, and modern examples to redefine the teen years as the launching pad of life. Then they map out five powerful ways teens can respond for personal and social change. Written by teens for teens, Do Hard Things is packed with humorous

personal anecdotes, practical examples, and stories of real-life rebelutionaries in action. This rallying cry from the heart of an already-happening teen revolution challenges a generation to lay claim to a brighter future, starting today. Now includes: -- A new introduction from the authors, "Looking Back, Looking Ahead" - - Questions (and Stories) To Get You Started -- A list of 100 Hard Things to help inspire you -- A study guide for personal or group use

An Intimate Life of Paul McCartney Vision
A much neglected field of study has been opened by the research of the author into the history of the Christian church from its apostolic origins to the close of the eighteenth century. Taking as his thesis the prominence given to the Church in the Wilderness in Bible

prophecy, and the fact that "'the Church in the Wilderness,' and not the proud hierarchy enthroned in the world's great capital, was the true church of Christ," he has spent years developing this subject. In its present form, Truth Triumphant represents much arduous research in the libraries of Europe as well as in America. Excellent ancient sources are most difficult to obtain, but the author has been successful in gaining access to many of them. To crystallize the subject matter and make the historical facts live in modern times, the author also made extensive travels throughout Europe and Asia. The doctrines of the primitive Christian church spread to Ireland, Scotland, and Wales. As grains of a mustard seed they lodged in the hearts of many Godly souls

in southern France and northern Italy — people known as the Albigenses and the Waldenses. The faith of Jesus was valiantly upheld by the Church of the East. This term, as used by the author, not only includes the Syrian and Assyrian Churches, but is also the term applied to the development of apostolic Christianity throughout the lands of the East. The spirit of Christ, burning in the hearts of loyal men who would not compromise with paganism, sent them forth as missionaries to lands afar. Patrick, Columbanus, Marcos, and a host of others were missionaries to distant lands. They braved the ignorance of the barbarian, the intolerance of the apostate church leaders, and the persecution of the state in order that they might win souls to God. To unfold

the dangers that were ever present in the conflict of the true church against error, to reveal the sinister working of evil and the divine strength by which men of God made truth triumphant, to challenge the Remnant Church today in its final controversy against the powers of evil, and to show the holy, unchanging message of the Bible as it has been preserved for those who will “fear God, and keep His commandments” — these are the sincere aims of the author as he presents this book to those who know the truth. MERLIN L. NEFF.

The Van Apfel Girls Are Gone

Multnomah

Dating. Isn't there a better way? Reorder your romantic life in the light of God's word and find more fulfillment than the dating game could ever give - a life of

purposeful singleness.

Ten Things I Wish Jesus Never Said
Penguin

Purpose Driven Romance The last thing singles want is more rules. But if you're looking for an intentional, God-pleasing game plan for finding a future spouse, Joshua Harris delivers an appealing one. A compelling new foreword, an all-new "8 Great Courtship Conversations" section, and updated material throughout makes this five-year revision of the original Boy Meets Girl a must-have! Harris illustrates how biblical courtship—a healthy, joyous alternative to recreational dating—worked for him and his wife. Boy Meets Girl presents an inspiring, practical example for readers wanting to pursue the possibility of marriage with someone they may be

serious about. Are you ready for "romance with purpose"? If you're fed up with self-centered relationships that end in disillusionment, it's time to rethink romance. Finding the loving, committed relationship you want shouldn't mean throwing away your hopes, your integrity, or your heart. In Boy Meets Girl, Joshua Harris—the guy who kissed dating goodbye—makes the case for courtship. As old-fashioned as it might sound, courtship is what modern day relationships desperately need. Think of it as romance chaperoned by wisdom, cared for by community, and directed by God's Word. Filled with inspiring stories from men and women who have rediscovered courtship, Boy Meets Girl is honest, romantic, and refreshingly biblical. Keep God at the center of your

relationship as you discover how to:

- Set a clear course for your romance
- Get closer without compromise
- Find support in a caring community
- Deal with past sexual sin
- Make the right decisions about your future

New! Courtship Conversations Eight ideas for great dates that will help grow and guide your relationship. Story Behind the Book “I wrote I Kissed Dating Goodbye to challenge singles to drop the worldly approach to serial dating and reconsider the way they pursued romance in light of God’s Word. Since then, I’ve received letters asking questions like, So, what comes between friendship and marriage? and, How can you know when you are ready for marriage? Boy Meets Girl answers those questions. Now as a happily married man I can look back on

my courtship with Shannon and see from personal experience that God is faithful. If you trust Him enough to wait on romance in dating, He will lovingly guide you as you pursue it in courtship...right to that wonderful moment when you kneel together at the altar.” — Joshua Harris

Truth Triumphant Thames & Hudson
Chantel Hobbs lost two hundred pounds without the help of surgery, pills, point systems, or a trendy diet. And just as important, she kept the weight off. Her dramatic turnaround began with five decisions—personal, no-excuses commitments that kept her from losing sight of her goals. It worked for Chantel and it will work for you. Once you unconditionally change your mind your body will follow, and your life will never

be the same. In this book you will discover:

- How to move beyond past failures and get over your old excuses
- How changing your eating patterns can break food's hold over you
- Why winning the weight-loss battle must come from the inside out
- The simple workouts that deliver lasting results and are fun to do
- How to overcome the naysayers, the diet police, and your own nagging doubts
- How to prioritize your health, juggle family and career, and stay motivated when life takes unexpected turns
- Why the diet industry wants you to keep coming back
- And much more!

You will find straight talk on developing the determination, commitment, and personal responsibility it takes to achieve weight loss that lasts. It's time to stop getting ready for the event and

start getting ready for life!

Do Hard Things W. W. Norton & Company

A National Book Critics Circle Award Finalist "Extraordinary...Sensitive and perceptive, Mr. Hessler is a superb literary archaeologist, one who handles what he sees with a bit of wonder that he gets to watch the history of this grand city unfold, one day at a time." —Wall Street Journal

From the acclaimed author of *River Town* and *Oracle Bones*, an intimate excavation of life in one of the world's oldest civilizations at a time of convulsive change

Drawn by a fascination with Egypt's rich history and culture, Peter Hessler moved with his wife and twin daughters to Cairo in 2011. He wanted to learn Arabic, explore Cairo's neighborhoods, and visit the

legendary archaeological digs of Upper Egypt. After his years of covering China for The New Yorker, friends warned him Egypt would be a much quieter place. But not long before he arrived, the Egyptian Arab Spring had begun, and now the country was in chaos. In the midst of the revolution, Hessler often traveled to digs at Amarna and Abydos, where locals live beside the tombs of kings and courtiers, a landscape that they call simply al-Madfunah: "the Buried." He and his wife set out to master Arabic, striking up a friendship with their instructor, a cynical political sophisticate. They also befriended Peter's translator, a gay man struggling to find happiness in Egypt's homophobic culture. A different kind of friendship was formed with the neighborhood garbage

collector, an illiterate but highly perceptive man named Sayyid, whose access to the trash of Cairo would be its own kind of archaeological excavation. Hessler also met a family of Chinese small-business owners in the lingerie trade; their view of the country proved a bracing counterpoint to the West's conventional wisdom. Through the lives of these and other ordinary people in a time of tragedy and heartache, and through connections between contemporary Egypt and its ancient past, Hessler creates an astonishing portrait of a country and its people. What emerges is a book of uncompromising intelligence and humanity--the story of a land in which a weak state has collapsed but its underlying society remains in many

ways painfully the same. A worthy successor to works like Rebecca West's *Black Lamb and Grey Falcon* and Bruce Chatwin's *The Songlines*, *The Buried* bids fair to be recognized as one of the great books of our time.

Their History, Culture, and

Character Harvest House Publishers
Dug Down Deep Unearthing What I
Believe and Why It Matters Multnomah
*A Teenage Rebellion Against Low
Expectations* Thomas Nelson

Many Christians believe we need to choose between fighting injustice and communicating the good news of Jesus Christ. But what if failing to speak the truth is ultimately the greatest injustice of all? If we truly believe the human heart is the source of injustice and the gospel is the only real solution, shouldn't

sharing the gospel's transforming truth be our highest priority? With his thoughtful, accessible style, Rice Brooks explores why knowing the gospel is, in fact, every person's greatest right—and therefore the greatest justice issue of our time. Drawing on contemporary stories and rich historical sources, *The Human Right* answers the question, What is truth? frames evangelism as a human rights issue, explains why secularism lacks the foundation to ground human rights, gives evidence for the existence of the human soul, and describes how the Bible has shaped the modern world. *The Human Right* urges us persuasively toward a renewed conviction that our ultimate calling is to proclaim the gospel—the only truth that has the

power to change our world, to change us, from the inside out.

Holding Random House

Presents the Swiss psychologist's thoughts, experiences, and everything he felt after a period of time spent seeing visions, hearing voices, and inducing hallucinations.

Building Your Life on Truths That Last
Algonquin Books

We don't get to choose between humility and orthodoxy. We need both.

Orthodoxy, for the faithful, evokes what's cherished and beautiful and eternal. Yet in our day, orthodoxy is too often wielded like a weapon, used to bludgeon others with differing points of view. The word has become associated with behavior like argumentative, annoying, and arrogant. It's time for

God's people to demonstrate both right thinking and right attitudes. We are called to embrace and defend biblical truth. But that truth includes repeated commands to love our neighbor, love our enemy, and be clothed in gentleness and respect. In *Humble Orthodoxy*, bestselling author Joshua Harris examines New Testament teachings about the calling of believers to a love-infused courage that ignores foolish controversies, patiently endures evil, and champions truth with generosity of spirit. Without this kind of humility, Harris asserts, we become like the Pharisees—right in our doctrine, but ultimately destroying the cause of truth with our pride.

Things Fall Apart Little, Brown Books for Young Readers

"The Genesis One Code" offers a careful examination of the relationship between scientific theory and biblical teaching. The book targets the origins debate from a fresh perspective informed by scientific and spiritual research and demonstrates an alignment between the dates of key events described in Genesis 1 and 2 with those derived from scientific theory and observation.

Breaking Dawn Dug Down

DeepUnearthing What I Believe and Why It Matters

Sissy Fletcher, the preacher's daughter, disappeared on the night of the Rodeo Dance ten years ago and has been missing ever since. Until now, that is—a team drilling an oil well has made a grisly discovery in an isolated pasture. Seeing as how it's an election year,

finding her killer is a bigger priority than it might usually be in sleepy Washington County, Texas, where not much ever happens anyway. Though it's becoming clear that the town isn't quite as sleepy as it seems. Martin Fletcher, Sissy's brother, seems to believe he's on a mission from God to raise hell in Washington County. He and his partner, Dud Hughes, aim to start small, with armed robbery, and work their way up to bigger things, but an inquiry into his sister's death threatens to draw a little more attention his way than he wants just now. As the mood begins to shift in the town, three men put their heads together to work the case: ex-Texas Ranger Jeremiah Spur, who is retired but can't get the thrill of the chase out of his blood; the current sheriff, Dewey Sharpe,

who just may not be as dumb as he looks; and Deputy Clyde Thomas, an African-American ex-Dallas cop who is probably the savviest of the bunch. All in all, James Hime's *The Night of the Dance*, is a terrifically original, jaunty, and action-packed debut from a writer to watch.

Bucking the Tiger Delmarva Publications, Inc.

Author Biography: Paul Tillich (1886-1965), an early critic of Hitler, was barred from teaching in Germany in 1933. He emigrated to the United States, holding teaching positions at Union Theological Seminary, New York (1933-1955); Harvard Divinity School (1955-1962); and the University of Chicago Divinity School (1962-1965). Among his many books are "Theology of

Culture, Dynamics of Faith," and the three volumes of "Systematic Theology." [Excavating the Evidence for Jesus](#) Simon and Schuster

One recent skeleton among ancient bones raises questions—and danger—for forensic anthropologist Temperance Brennan in this newly repackaged thriller from New York Times bestselling author Kathy Reichs. Tempe Brennan is stuck teaching an archaeology field school for students at UNCC in Charleston, South Carolina. When she stumbles upon a recent skeleton among the ancient bones, she starts asking questions. She's the expert they might have called in, but lucky for the local police she's already there. The skeleton leads her to a free street clinic where patients have begun to go missing, and some have wound up

dead. What is going on and who is to blame? The charismatic televangelist who oversees the clinic? The shady doctor who practices there? Or is it the clinic staff? Ryan is in Montreal, though he may come down for a visit. If he does, Tempe will have to juggle him and Detective Galiano, an old flame, who is in town investigating the disappearance of wealthy young woman. This is a phenomenally high stakes business where one dead body can save a couple of lives, maybe more. Along with the corpses, Tempe investigates the sick moral logic of the mastermind behind the operation. Kathy Reichs has returned Tempe to America and put her in the middle of a sinister trafficking ring that's local and global. The suspense is intense, and the world is riveting. Kathy

Reichs's books are expert, smart, with a taut energy, and this is her best plot and best writing ever.

Liber Novus Noble Publishing Associates
"ONE PART MYSTERY, ONE MILLION PARTS AMAZING." —Cosmopolitan A Recommended Summer Read from Entertainment Weekly * Bustle * Nylon * Cosmopolitan "How do you escape your childhood, emotionally, actually? This compelling mystery has a rare depth of psychological and emotional truth. It will engage your heart." —Delia Ephron, New York Times bestselling author of *Siracusa* Tikka Malloy was eleven and one-sixth years old during the long, hot, Australian summer of 1992. The TV news in the background chattered with debate about the exoneration of Lindy ("dingo took my baby") Chamberlain. That summer was

when the Van Apfel sisters--Ruth, Hannah, and the beautiful Cordelia--mysteriously disappeared. Did they just run far away from their harsh, evangelical parents, or were they taken? While the search for the girls united the small community, the mystery of their disappearance was never solved, and Tikka and her older sister, Laura, have been haunted ever since by the loss of their friends and playmates. Now, years later, Tikka has returned home to try to make sense of that strange moment in time. Part mystery, part darkly comic coming-of-age story, *The Van Apfel Girls Are Gone* is a page-turning read--with a dark, shimmering absence at its heart.

Destination Dig Multnomah

The Sumerians, the pragmatic and gifted people who preceded the Semites in the

land first known as Sumer and later as Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is a compendium of what is known about them. The author outlines the history of the Sumerian civilization and describes their cities, religion, literature, education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world.

Say Hello to Courtship Montlake
Romance

In 1919, the United States made its boldest attempt at social reform: Prohibition. This "noble experiment" was aggressively promoted, and spectacularly unsuccessful, in New York

City. In the first major work on Prohibition in a quarter century, and the only full history of Prohibition in the era's most vibrant city, Lerner describes a battle between competing visions of the United States that encompassed much more than the freedom to drink.

An Archaeology of the Egyptian Revolution Harvard University Press

Traces the 1960s effort to revive music in England that underscored the achievements of such period artists as Pink Floyd, Nick Drake and Led Zeppelin, providing insight into how their work reflected historical precedents while establishing models for present-day musicians. Original. 10,000 first printing.
