before feeding time and it doesn't eat, or vomits the food out, hypoglycemia can appear. It can also appear after your cat has had great exertion or vigorous exercise. First Aid . If you see mild symptoms of hypoglycemia, the first thing to try is feeding your cat its regular food. The Danger of Giving Diabetic Cats Too Much Insulin Options for Treating Cat Diarrhea . Once you've determined that your cat is a candidate for home treatment, you have to choose which

type of treatment you want to try. Here are five options, with pointers on when to use each. 1. Change Your Cat's Food . There is no need to withhold food from cats who have diarrhea. Cat Diarrhea: 5 Treatment Options You Should Try | PetMD But how do you know if you should give your cat probiotics? What kind of probiotics should you buy for your cat and how often should you administer them? petMD reached out to an array of experts who have studied the topic to find out more

about probiotics for cats. Probiotics for Cats: What are They and How Do They Help ... Tylenol should never be given to cats. A dose as little as 10mg/kg is dangerous. For a 5kg (11 pound) cat, this is equivalent to 50mg, or one-tenth of a regular 500mg Tylenol tablet, so you can appreciate the feline's extreme sensitivity to acetaminophen. References "Acetaminophen toxicosis in 17 cats." Aronson & Drobatz. What Happens During a Tylenol Overdose

in a Dog or a Cat? In this Article. In humans, a kiss of a warm forehead may give you a clue. But you can't tell if your cat has a fever by feeling for a warm, dry nose, as many people believe. The only way to know for sure -- with either a human or a cat -- is to take its temperature. A normal temperature in cats ranges from 100.4° to 102.5° Fahrenheit. Fever in Cats: Symptoms and Treatments Vetsulin, an insulin made specifically for dogs and cats, can be shaken like a polaroid

picture. Other insulins need to be gently inverted in a rocking motion, not shaken like orange juice. Your veterinarian will show you how to give shots, and make sure you get some practice with saline solution while still at the clinic!
