A Down-to-Earth Approach James Henslin shares the excitement of sociology in Essentials of Sociology: A Down-to-Earth Approach, 11/e. With his acclaimed "down-to-earth" approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, Henslin stimulates students' sociological imagination so they can better perceive how the pieces of society fit together. In addition to this trademark down-to-earth approach, other distinctive features include: comparative perspectives, the globalization of capitalism, and visual presentations of sociology. MySocLab is an integral part of the Henslin learning program. Engaging activities and assessments

provide a teaching a learning system that helps students see the world through a sociological lens. With MySocLab, students can develop critical thinking skills through writing, explore real-world data through the new Social Explorer, and watch the latest entries in the Core Concept Video Series. Revel from Pearson is a new learning experience designed for the way today's students read, think, and learn. Revel redesigns familiar and respected course content and enriches it for today's students with new dynamic, rich-media interactives and assessments. The result is improved student engagement and improved learning. Revel for Henslin will be available for Fall 2014 classes. This program will provide a better teaching and learning experience-for you and your students. It: Personalizes Learning with MySocLab: MySocLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Explores a A Down-to-Earth Approach: This title highlights the sociology of everyday life and its relevance to students' lives. Improves Critical Thinking: Features throughout help build critical thinking skills. Understands Social Change: An important theme of the text, social change over time, examines what society was previously like, how it has changed, and what the implications are for the present and future. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of

Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. Gente MySpanishLab Access Code Prentice Hall

For courses in the History of Latin America and Modern Latin America. A thoroughly updated examination of Latin American Latin America: An Interpretive History interweaves the story of Latin America with coverage of broader themes and regional differences. Building upon the work of original author E. Bradford Burns, current author Julie Charlip presents Latin American history as a continuum to help students make connections among time periods and events, and see the impact of the past upon the present. A new closing chapter examines in detail the "Pink Tide"—the swing left in Latin America that began at the end of the twentieth century and has continued over the last 15 years.

Semester Access) Prentice Hall

The moment you know. Educators know it. Students know it. It's that inspired moment when something that was difficult to understand suddenly makes perfect sense. Pearson's MyLab products have been designed and refined with a single purpose in mind—to help educators create that moment of understanding for their students. MyLanguageLabs deliver proven results in helping individual students succeed. They provide engaging experiences that personalize, stimulate, and measure learning for each student. And, they come from a trusted partner with educational expertise and an eye on the future. This 6-month access code card gives you access to all of MySpanishLab's tools and resources, including a complete eText of your book. You can also buy immediate access to MySpanishLab with Pearson eText online with a credit card at www.myspanishlab.com. Following Gente: Nivel basico in its philosophy and task-based approach to teaching and learning a second language, with Gente: Nivel intermedio students learn intermediate level Spanish through interaction and collaborative work. *MyLanguageLabs are available for Spanish, French, Italian, Chinese, Russian, and Latin. Portuguese and German will be available for Fall 2012 courses

Check with the seller prior to purchase. -- Designed with You in Mind The ¡Anda! program provides practical responses to the challenges today's Spanish instructors and students encounter. Instructors now face many challenges: Decreased classroom contact hours, increased instructor and student workloads, larger class sizes, new course models like hybrid and fully online and more ambitious classroom goals including focusing on practical communication and culture awareness instead of grammar alone. The ¡Anda! program offers a true solution for instructors by delivering realistic goals with a realistic approach; focusing on student motivation and offering a variety of tools to promote success. Teaching and Learning Experience Realistic and Balanced Approach – Instructors and students don't have to rush through the entire scope of Spanish grammar in 2 semesters. They can focus on practical communication which helps students feel more motivated and successful in the course. Explore Grammar – Grammar is chunked to allow students to assimilate and practice without feeling overwhelmed. Explanations are clear and concise and include many supporting examples followed by practice activities. Build Vocabulary – Each chapter contains a realistic number of new vocabulary words and like grammar, is presented in chunks at the point of need. Develop Skills – Unique reading and video storyline mystery motivates students to read. Dedicated speaking, listening and writing sections provide strategies and the process necessary to effectively develop skills in the target language. Connect with Culture – Both "high" and "popular" culture are woven throughout the chapters to enable students to learn to recognize and appreciate cultural diversity as they explore behaviors and values of the Spanish-speaking world. They are encouraged to think critically about these cultural practices and

gifts to society. Personalize Learning – MySpanishLab’s proven results will be available for fall 2012 courses. Note: MyLanguageLabs does not come automatically packaged with this text. To purchase MyLanguageLabs access, please visit: www.mylanguagelabs.com or you can purchase a valuepack of the text + MyLanguageLabs 24-month access (ISBN: 0205872387).
