It's Kind of a Funny Story
Abrams
Ancient Greece and Rome
aren't usually

remembered for their sense of humor. However, in reality the ancient Greeks and Romans often refused to take themselves seriously. The

authors chronicle the more bizarre activities of the ancient world, venturing out as far as Egypt, Babylon, and Scandinavia, ranging everywhere from moochers to quacks to shrews to perhaps the oldest laundromat joke in history.

A Funny Thing Happened on the Way to the Gynecologic Oncology Unit at Memorial Sloan Kettering Cancer Center of New York City Abrams

The superb classic

memoir from a dazzlingly eccentric and endlessly fascinating author and feminist icon - a woman very much ahead of her time - including her time spent on the glorious island of Skiathos 'A happy, hilarious book' Daily Express Nancy Spain was one of the most celebrated - and notorious - writers and broadcasters of the 50s and 60s. Witty, controversial and brilliant, she lived openly as a lesbian (sharing a household with her two lovers and their various children) and was

frequently litigated against for her newspaper columns - Evelyn Waugh successfully sued her for libel... twice. Nancy Spain had a deep love of the Mediterranean. So it was no surprise when, in the 1960s, she decided to build a place of her own on the Greek island of Skiathos. With an impractical nature surpassed only by her passion for the project, and despite many obstacles, she gloriously succeeded. This classic memoir is infused with all Spain's chaotic brilliance,

zest for life and single-minded pursuit of a life worth living. Perfect for fans of A PLACE IN THE SUN and ESCAPE TO THE COUNTRY 'Full of fun, and that zest of intelligence that never left her' Sunday Times
A Supposedly Fun Thing I'll Never Do Again Da Capo Press
Nineteen side-splitting stories from sri lanka to begin this chronicle of the funny things that have happened to him, muller goes back to his days as a recruit in the royal ceylon navy when the queen of

england came a-visiting: the saucy sailors decide to tip her a wink! the second story takes us back to mullers childhood in anuradhapura where two visiting rat snakes turn out to be a railway linesmans grandparents there are further hilarious adventures in the navy, encounters with more snakes of different sizes and lineage, graphic descriptions of jam-making factories, and hazardous days in the gulf effortlessly, muller creates caricatures that leave you helpless with

laughter as they highlight the follies and foibles of the human race.

There's more to this museum than meets the eye! This is the wonderfully wacky world of celebrated international author-illustrator team

Davide Cali and Benjamin Chaud, the duo behind Junior Library Guild selections I Didn't Do My Homework Because . . . , The Truth About My Unbelievable Summer . . . , and A Funny Thing Happened on the Way to School Notoriously (and delightfully) unreliable narrator Henry is late to a museum where his class is spending the day. But he has a plan: He'll just catch up in one of the exhibits. That's not possible in these halls! With volcanoes erupting, dinosaurs charging, and

secret stairwells lurking, reuniting with his classmates becomes a quest of outrageous proportions. Young readers will revel in this entertaining book's over-the-top antics.

FUNNY THING HAPPENED ON THE WAY TO CHEMO.

This book has emerged primarily from Jim Connor's own life experiences. It is written to all those trying to deal with dementia and similar wretched diseases, in the hope that their lives will

be enriched. This book has emerged primarily from Jim Connor's own life experiences caring for his wife. It is written for all those trying to deal with dementia in the hope that their lives will be enriched.

A Funny Thing Happened on the Way to the Nursing Home

ReadHowYouWant.com Charles Osgood, one of America's favorite news personalities, offers a hilarious compendium of anecdotes from the last seventy years of presidential campaigns.

With anecdotes from Harry Truman to JFK to George W. Bush, *A Funny Thing Happened on the Way to the White House* captures the wit and humor of the campaign trail. Culled from speeches, interviews, press conferences, as well as articles written by and about the candidates--no source is left untapped. From Bob Dole telling reporters after a loss in the primary that "I slept like a baby--every two hours I woke up and cried," and Barry Goldwater's comment that

his talkative opponent Hubert Humphreys "has been clocked at 275 words a minute with gusts up to 340," to Adlai Stevenson declaring that "If I talk over the people's head, Ike must be talking under their feet," this is the go-to source for campaign humor. Just when America most needs a good laugh, *A Funny Thing Happened on the Way to the White House* makes the seemingly endless race to the presidency a lot more fun. Back Bay Books

A Funny Thing Happened on the Way to the Farm, written by Sharon Wistisen and illustrated by Kathy Hamann, is a collection of vignettes about farm family living in Southeastern Idaho. In total, the essays tell the story, sometimes warm and thoughtful, often humorous, of a third-generation farmer-rancher who marries a California city girl. It is filled with dialogue depicting the trials and joys of working side by side with their five children – often being

raised by them. It is homespun humor, insider's wisdom, and reflections of yesteryear. **A Production Book for A Funny Thing Happened on the Way to the Forum** MIT Press (Applause Libretto Library). Book by Burt Shevelove and Larry Gelbart Introduction by Larry Gelbart "This brazenly retro Broadway musical, inspired by Plautus, is as timeless as comedy itself." Vincent Canby, The New York Times "The most urbane and literate musical

comedy text ever conceived." John Simon, New York magazine [A Funny Thing Happened on the Way to the Forum](#) Penguin UK Like many ambitious New York City teenagers, Craig Gilner sees entry into Manhattan's Executive Pre-Professional High School as the ticket to his future. Determined to succeed at life—which means getting into the right high school to get into the right college to get the right job—Craig studies night and day to ace the entrance exam,

and does. That's when things start to get crazy. At his new school, Craig realizes that he isn't brilliant compared to the other kids; he's just average, and maybe not even that. He soon sees his once-perfect future crumbling away.

These widely acclaimed essays from the author of Infinite Jest -- on television, tennis, cruise ships, and more -- established David Foster

Wallace as one of the preeminent essayists of his generation. In this exuberantly praised book -- a collection of seven pieces on subjects ranging from television to tennis, from the Illinois State Fair to the films of David Lynch, from postmodern literary theory to the supposed fun of traveling aboard a Caribbean luxury cruiseliner -- David Foster Wallace brings to nonfiction the same curiosity, hilarity, and exhilarating verbal facility that has delighted readers

of his fiction, including the bestselling Infinite Jest.

A Funny Thing Happened! Etc Chronicle Books

A memoir by the 1940s pitching sensation looks back at a career playing for thirteen teams in four countries from the 1940s to the 1960s.

A Funny Thing Happened at the Museum

Weidenfeld & Nicolson
"It started almost 15 years ago ... the assault on our prime-of-life status from every quarter of society.... Waitresses have stopped asking if we

qualify for the senior discount; they simply give it to us. When I'm in public, young women step aside for me to enter doors ahead of them." Whether you are 50 or 70, you have probably shared some of Stanley Baldwin's experiences. Here is an opportunity to relive them with laughter. But, more important, in these pages you'll find an opportunity to reflect on how these life changes relate to your Christian life. This is a book for those who reject the grumpiness of aging and embrace the grace of

life with Christ. *A Funny Thing Happened at the Museum...* Hachette Books

A funny thing happened on the way to the forum
American Psychological Association
My cancer journey began with a diagnosis of stage four metastatic breast cancer. So I decided that I needed to do something helpful and fun with the rest of my life. I began studying everything that

happened to me. I hope you'll join me on this quest and I really hope you'll laugh!!

A Funny Thing Happened on My Way to Old Age Hachette Books

Michael J. Fox abandoned high school to pursue an acting career, but went on to receive honorary degrees from several universities and garner the highest accolades for his acting, as well as for his writing. In his new book, he inspires and motivates graduates to recognize opportunities,

maximize their abilities, and roll with the punches-all with his trademark optimism, warmth, and humor. In *A Funny Thing Happened on the Way to the Future*, Michael draws on his own life experiences to make a case that real learning happens when "life goes skidding sideways." He writes of coming to Los Angeles from Canada at age eighteen and attempting to make his way as an actor. Fox offers up a comically skewed take on how, in his own way, he fulfilled

the requirements of a college syllabus. He learned Economics as a starving artist; an unexpected turn as a neophyte activist schooled him in Political Science; and his approach to Comparative Literature involved stacking books up against their movie versions. Replete with personal stories and hilarious anecdotes, Michael J. Fox's new book is the perfect gift for graduates.

A Funny Thing Happened at the Museum . . . Edin Books

Henry spins an imaginative tale to explain why he was late finding his class at the museum where they are on a field trip. *A Funny Thing Happened on the Way to the Moon* Prima Lifestyles Slipknot and Stone Sour singer Corey Taylor's New York Times bestselling journey into the world of ghosts and the supernatural Corey Taylor has seen a lot of unbelievable things. However, many of his most incredible experiences might just

shock you. For much of his life, the Grammy Award-winning singer of Slipknot and Stone Sour and New York Times bestselling author of Seven Deadly Sins has brushed up against the supernatural world. Those encounters impacted his own personal evolution just as much as headlining at Castle Donington in front of 100,000 people at Download Festival or debuting at #1 on the Billboard Top 200. Since growing up in Iowa, his own curiosity drew him

into situations that would've sent most people screaming scared and running for the hills. He's ballsy enough to go into the darkness and deal with the consequences, though. As a result, he's seen ghosts up close and personal, whether while combing through an abandoned house in his native Iowa as a child or recording an album in the fabled Houdini Hollywood Hills mansion. He's also got the memories (and scars) to prove it. For some reason, he can't seem to shake

these spectral stories, and that brings us to this little tome right here... At the same time, being an erudite, tattooed, modern Renaissance Man, he was never one for Sunday Service. Simply put, he's seen ghosts, but he hasn't seen Jesus. Taylor especially can't find a reason why people do the insane things they do in HIS name. That's where everything gets really interesting. His second book, A Funny Thing Happened on the Way to Heaven, compiles Taylor's most intimate, incredible,

and insane moments with the supernatural. His memories are as vivid as they are vicious. As he recounts these stories, he questions the validity of

religious belief systems and two-thousand-year-old dogma. As always, his rapid-fire writing, razor sharp sense of humor, unbridled honesty, and cozy anecdotes make

quite the case for his point. You might end up believing him or not. That's up to you, of course. Either way, you're in for a hell of a ride.
