Times–bestselling author:
“In the art of true-crime
reportage, Jerry Bledsoe is
the best in the country . . .
Before He Wakes has the
suspense of a novel” (The
Atlanta Journal-
Constitution). Barbara
Stager was known as a
devoted mother, loving
wife, and dedicated

church leader in her
Durham, North Carolina,
community. When she
“accidentally” shot her
husband, popular high
school coach, Russ, the
police were inclined to
believe her—until they
learned that ten years
earlier, her first husband
had died in a strangely

similar way. Sgt. Rick Buchanan's relentless investigation into Stager's life revealed a stunning vortex of compulsive lying, obsessive spending, and sexual promiscuity. With every new discovery, more of Barbara's impeccable image unraveled. But the greatest shock—a damning piece of evidence Russ Stager left behind—revealed the nightmare truth about Barbara. With “the fine-toothed-comb reporting of [an] ace crime journalist,” this book takes us deep

into a spellbinding case of double life, lethal lust, and almost perfect murder (Kirkus Reviews). “A shocking and well-written portrait of a dangerous woman.” —The New York Times “Mesmerizing.” —Ann Rule, New York Times–bestselling author of *The Stranger Beside Me* “This account of manipulation, compulsive spending, lying, promiscuity, and murder is made even more chilling by the fact that appearances are often deceiving.” —Library Journal “A profile of evil . .

. Fascinating.” —The Baltimore Sun “Jerry Bledsoe is the master of true crime, the conclusion to what Truman Capote began. . . . Another stunning success.” —Patricia Cornwell, New York Times–bestselling author of *Chaos*

The true story of a teenage killer and the silence of a small New England town. For twenty years Daniel Paquette's murder in New Hampshire went unsolved. It remained a secret between two high school friends until Eric Windhurst's arrest in 2005. What was revealed was a crime born of adolescent passion

between Eric and Daniel's stepdaughter, Melanie--redefining the meaning of loyalty, justice, and revenge.

Combining rich historical detail and a harrowing, pulse-pounding narrative, Close to Shore brilliantly re-creates the summer of 1916, when a rogue Great White shark attacked swimmers along the New Jersey shore, triggering mass hysteria and launching the most extensive shark hunt in history. In July 1916 a lone

Great White left its usual deep-ocean habitat and headed in the direction of the New Jersey shoreline. There, near the towns of Beach Haven and Spring Lake--and, incredibly, a farming community eleven miles inland--the most ferocious and unpredictable of predators began a deadly rampage: the first shark attacks on swimmers in U.S. history. Capuzzo interweaves a vivid portrait of the era and meticulously drawn characters with chilling accounts of the shark's

five attacks and the frenzied hunt that ensued. From the unnerving inevitability of the first attack on the esteemed son of a prosperous Philadelphia physician to the spine-tingling moment when a farm boy swimming in Matawan Creek feels the sandpaper-like skin of the passing shark, *Close to Shore* is an undeniably gripping saga. Heightening the drama are stories of the resulting panic in the citizenry, press and politicians, and of colorful personalities

such as Herman Oelrichs, a flamboyant millionaire who made a bet that a shark was no match for a man (and set out to prove it); Museum of Natural History ichthyologist John Treadwell Nichols, faced with the challenge of stopping a mythic sea creature about which little was known; and, most memorable, the rogue Great White itself moving through a world that couldn't conceive of either its destructive power or its moral right to destroy. Scrupulously researched and superbly written,

Close to Shore brings to life a breathtaking, pivotal moment in American history. Masterfully written and suffused with fascinating period detail and insights into the science and behavior of sharks, *Close to Shore* recounts a breathtaking, pivotal moment in American history with startling immediacy. **She Wanted It All** Open Road Media
The odds of a woman surviving the attack of a serial rapist and murderer are slim. The odds of two women surviving the

same serial killer are much less. The odds of those two women knowing each other as best friends are next to none. Yet, in this memoir, *Innocence Lost*, you'll read about Daisy and Lisa - best friends who were raped by the same California serial killer, Joe DeAngelo. Amazingly, both survived his attacks. Even more incredible is the fact that neither Daisy nor Lisa knew their rapist was The Golden State Killer. Not until his arrest in April 2018. *Innocence Lost* is a powerful account

of survival. A story of a victim's two-year psychologically tormenting lead up to her sexual assault, and how she survived the attack. Their stories are propelled by both their courageous spirits and the beauty of their innocence as they struggle to deal with their personal torment in their own way.

Experience the true crime story of a married father and ex-cop with a dark side in this "fast-paced, unforgettable real-life

thriller" (Sue Russell). *Family On The Run* A handsome, married young father and former deputy sheriff, Gabriel Morris looked like the picture of respectability. When his mother and her boyfriend were found brutally murdered in their pleasant Oregon seaside home, authorities were shocked to find a trail leading to him. Soon, police in several states were caught up in a riveting chase as Gabriel, with family in tow, went on a cross-country crime spree. No one knew if his

wife, Jessica, was a victim or accomplice; or if his four-year-old daughter was in jeopardy. In a gracious Virginia suburb, a SWAT team swooped down on the renegade family and ended their wild, dangerous ride. What followed was even more shocking, as the story of how Gabriel Morris ended up on the wrong side of the law took investigators on a dark journey into the heart of a killer . . . Includes sixteen pages of dramatic photos. “Unsettling. . . . While Scott paints a horrifying

murder scene, he also efficiently shows how such monsters are made. . . . Unexpected shocks and disturbing surprises.” —Publishers Weekly

 The riveting true account

of a grisly crime and the unprecedented three murder trials faced by Fort Bragg soldier Tim Hennis. On Mother's Day, 1985, the bodies of Kathryn Eastburn and her two young daughters were found in their Fayetteville, North Carolina, home. Katie, an air force captain's wife, had been raped and stabbed to death. Kara and Erin's throats had been slit. Their toddler sister, Jana, was the only survivor of a bloody killing spree that terrified a community still reeling

from the conviction, six years prior, of Dr. Jeffrey MacDonald for the savage slayings of his pregnant wife and two daughters. The Cumberland County Sheriff's Department soon focused its investigation on US Army soldier Tim Hennis. Detectives and local prosecutors built their case on circumstantial evidence and a jury convicted Hennis and sentenced him to death. But his defense team refused to give up. Piece by piece, they discredited the state's case, exposing

false testimony, concealed evidence, and prosecutorial misconduct. At a second trial, Hennis was found not guilty and released from death row. But an even more stunning turn of events was yet to come. Twenty-five years after the murders, the North Carolina State Bureau of Investigation tested a crucial piece of DNA evidence from the crime scene. The shocking results led to an unprecedented third trial to determine Tim Hennis's guilt or innocence. From

the initial discovery of the horrifying scene at 367 Summer Hill Road to the controversial change of jurisdiction that allowed Hennis to be prosecuted for an astonishing third time, author Scott Whisnant chronicles every development in this intricate, disturbing, and still-evolving case. Has the mystery of who killed Katie, Kara, and Erin Eastburn been solved beyond a reasonable doubt? Read Innocent Victims and decide for yourself.

Antisocial, Criminal, and Violent Behavior Healthy World Dist

As seen on the Discovery ID TV series Murder is Forever, these two true-crime thrillers follow a lawyer struggling to stop a killer and a detective angling to solve a double homicide. Home Sweet Murder (with Andrew Bouelle): Lawyer Leo Fisher and his wife Sue are a sixty-one-year-old couple enjoying a quiet Sunday dinner at home. Until a man in a suit rings

their front door claiming to be an SEC agent. By the end of the evening, two people will be shot, stabbed, and tortured. And two others will fare worse . . . Murder on the Run (with Scott Slaven): The middle-aged housekeeper found dead with a knife in her throat was bad. But the little boy was worse. After a bloody double homicide that puts Omaha, Nebraska, on the map, Detective Derek Mois promises the boy's parents he will catch the killer, no matter how long or far he runs . . .

Killer Kids Magpie Casper, Wyoming: 1973. Eleven-year-old Amy Burrige rides with her eighteen-year-old sister, Becky, to the grocery store. When they finish their shopping, Becky's car gets a flat tire. Two men politely offer them a ride home. But they were anything but Good Samaritans. The girls would suffer unspeakable crimes at the hands of these men before being thrown from a bridge into the North Platte River. One miraculously survived. The other did

not. Years later, author and journalist Ron Franscell—who lived in Casper at the time of the crime, and was a friend to Amy and Becky—can't forget Wyoming's most shocking story of abduction, rape, and murder. Neither could Becky, the surviving sister. The two men who violated her and Amy were sentenced to life in prison, but the demons of her past kept haunting Becky...until she met her fate years later at the same bridge where she'd lost her sister.

Refinery29 * BookRiot * CrimeReads * Glamour * Popsugar * PureWow * Shondaland Dive into a "tour de force of investigative reporting" (Ron Chernow): a "searching, atmospheric and ultimately entrancing" (Patrick Radden Keefe) true crime narrative of an unsolved 1969 murder at Harvard and an "exhilarating and seductive" (Ariel Levy) narrative of obsession and love for a girl who dreamt of rising among men. You have to remember, he

reminded me, that Harvard is older than the U.S. government. You have to remember because Harvard doesn't let you forget. 1969: the height of counterculture and the year universities would seek to curb the unruly spectacle of student protest; the winter that Harvard University would begin the tumultuous process of merging with Radcliffe, its all-female sister school; and the year that Jane Britton, an ambitious twenty-three-year-old graduate student in

Harvard's Anthropology Department and daughter of Radcliffe Vice President J. Boyd Britton, would be found bludgeoned to death in her Cambridge, Massachusetts apartment. Forty years later, Becky Cooper a curious undergrad, will hear the first whispers of the story. In the first telling the body was nameless. The story was this: a Harvard student had had an affair with her professor, and the professor had murdered her in the Peabody Museum of Archaeology and

Ethnology because she'd threatened to talk about the affair. Though the rumor proves false, the story that unfolds, one that Cooper will follow for ten years, is even more complex: a tale of gender inequality in academia, a 'cowboy culture' among empowered male elites, the silencing effect of institutions, and our compulsion to rewrite the stories of female victims. *We Keep the Dead Close* is a memoir of mirrors, misogyny, and murder. It is at once a rumination on the violence and

oppression that rules our revered institutions, a ghost story reflecting one young woman's past onto another's present, and a love story for a girl who was lost to history.

In 1978, Rodney Alcala was a contestant on the "The Dating Game," one of America's most popular television shows at the time. Handsome,

successful, and romantic, he was embraced by the audience—and chosen as the winner by the beautiful bachelorette. To viewers across the country, Rodney seemed like the answer to every woman's dreams. Until they learned the truth about his once and future crimes... Ten years before his TV appearance, Rodney was charged with the sexual assault and attempted murder of an eight-year-old girl. In the decades that followed, he would be accused of seven murders—and, as

new DNA evidence continues to be uncovered, the list may grow. The case is so disturbing that it's been documented in several news outlets, from *People* magazine and *USA Today* to *48 Hours Mystery* and *Dr. Phil*. *The Dating Game Killer* is the shocking true story about the dark and twisted man.

The chilling true story of a beautiful violin prodigy, her devoted boyfriend, and the devastating family secrets that led to a brutal murder. Joyce

Aparo seemed to be the perfect single mother. She doted on her sixteen-year-old daughter, Karin, encouraging her musical ability and lavishing affection on her. But behind closed doors, Joyce was a terror. For thirteen years, she beat Karin savagely, kept her away from other children, and demeaned her relentlessly. When Karin met the troubled yet brilliant Dennis Coleman, the two fell head-over-heels into lustful infatuation. But Joyce disapproved—so she had

to die. On August 5, 1987, Joyce’s body was found under a bridge near the Connecticut–Massachusetts border. She had been strangled, and was covered in bruises, with paper stuffed in her mouth and pantyhose knotted around her throat. The police investigation soon dragged her horrific treatment of Karin into the open, and the teenage lovers became the prime suspects. Dennis eventually confessed to the murder, testifying that Karin

begged him to kill her mother. But Karin had a very different story to tell, claiming to have no knowledge of Dennis’s plans. Was she manipulating the police the same way she manipulated her former boyfriend, or was she an innocent victim? Based on meticulous research, court transcripts, and interviews with the survivors, *Beyond Obsession* is the definitive account of an American tragedy and the basis for a popular TV movie starring Victoria Principal

and Emily Warfield. The New York Times—bestselling account of Jaycee Lee Dugard's remarkable escape from the sexual predator who kept her captive for eighteen years. In 1991, an eleven-year-old-girl was abducted in broad daylight. Eighteen years later, a policewoman at the University of California, Berkeley, confronted a deranged man accompanied by two young girls. During questioning the next day, the girls' mother blurted,

"I am Jaycee Lee Dugard." Her companion was identified as Phillip Craig Garrido—a convicted drug user, rapist, and sexual predator. An astonishing story was about to unfold . . . Now, award-winning author Robert Scott brings to light previously unrevealed information about Garrido's criminal past and manipulation of the legal system. With police and expert testimony, this book shows how Garrido managed to get out of a fifty-year prison sentence—to shatter the

innocence of Jaycee Lee Dugard forever. Includes sixteen pages of photos! *The Horrific True Story Behind Canada's Ken and Barbie Killers* Macmillan Edgar Award Finalist: The true story of the female Norwegian immigrant who led a secret life as a serial killer in the early twentieth-century Midwest. On the morning of April 27, 1908, the farmhand on a lonely property outside La Porte, Indiana, woke to the smell of smoke. He tried to rouse the lady of the house, the towering Belle

Poulsdatter Sorenson Gunness, and he called the names of her three children—but they didn't answer, and the farmhand barely escaped alive. The house burned to the foundation, and in the rubble, firemen found the corpses of Belle, her two daughters, and her son. The discovery raised two chilling questions: Who started the fire, and who cut off Belle's head? As investigators searched the property, they uncovered something astonishing: The remains of a dozen or more men and children

who had been murdered with poison or cleaver were buried beneath the hog pen. It turned out Belle Gunness was one of the most prolific serial killers in American history. And when the investigation revealed that the body found in the fire might not have been hers, the people of La Porte were forced to confront the terrifying realization that Belle might have gotten out alive. Nominated for an Edgar Award for best factual crime story, *The Truth about Belle Gunness*

is based on extensive interviews with witnesses and residents of La Porte who knew Belle and her

family. Perfect for fans of In Cold Blood or The Devil in the White City, it is a “magnificent [and]

brilliantly written” exploration of a highly unusual murderer (The New York Times).
