Tom Rob Smith's debut, *Child 44*, was an immediate sensation and marked the arrival of a major new talent in contemporary fiction. Named one of top 100 thrillers of all time by NPR, it hit bestseller lists

around the world, won the CWA Ian Fleming Steel Dagger Award and the ITW Thriller Award for Best First Novel, and was longlisted for the Man Booker Prize. In this spellbinding new novel, Tom Rob Smith probes the tenuous border between love and obsession as Leo Demidov struggles to untangle the threads of a devastating conspiracy that shatters everything he holds dear. Deftly

capturing the claustrophobic intensity of the Cold War-era Soviet Union, it's at once a heart-pounding thriller and a richly atmospheric novel of extraordinary depth.... AGENT 6 Leo Demidov is no longer a member of Moscow's secret police. But when his wife, Raisa, and daughters Zoya and Elena are invited on a "Peace Tour" to New York City, he is immediately suspicious. Forbidden to

travel with his family and trapped on the other side of the world, Leo watches helplessly as events in New York unfold and those closest to his heart are pulled into a web of political conspiracy and betrayal—one that will end in tragedy. In the horrible aftermath, Leo demands only one thing: to investigate the killer who destroyed his family. His request is summarily denied. Crippled by

grief and haunted by the need to find out exactly what happened on that night in New York, Leo takes matters into his own hands. It is a quest that will span decades, and take Leo around the world—from Moscow, to the mountains of Soviet-controlled Afghanistan, to the backstreets of New York—in pursuit of the one man who knows the truth: Agent 6. **Bras & Broomsticks** Graywolf Press Set in a

luxurious grand hotel just outside Lisbon, at the height of the Second World War, Estoril is a delightful and poignant novel about exile, divided loyalties, fear and survival. The hotel's guests include spies, fallen kings, refugees from the Balkans, Nazis, American diplomats and stateless Jews. The Portuguese secret police broodingly observe the visitors, terrified that their country's neutrality will

be compromised. The novel seamlessly fuses the stories of its invented characters with appearances by historical figures like the ex-King Carol of Romania, the great Polish pianist Jan Paderewski, the British agent Ian Fleming, the Russian chess grandmaster Alexander Alekhine and the French writer and flyer Antoine de St Exupery, who forms a poignant friendship with

a young Jewish boy living alone in the hotel. *Pavelićev testament* Bloomsbury Publishing Rich in local color and sentiment, this story follows Dada, who returns to her home town on the Adriatic coast in order to unravel the mystery of her brother Daniel's death. Daniel, although young, smart, and popular, threw himself under a train in mysterious circumstances a few years earlier. In her

search for clues, Dada meets an array of eccentric characters and succumbs to the charms of the young gigolo Angelo, who is a part of a film crew shooting a Western on the nearby "prairie." Slowly and painfully she discovers all there is to know about her brother's death, and how Angelo was caught up in it. In her debut novel, Savicevic transposes the genre of a traditional Western

drama onto the contemporary world, challenging the heroes of childhood and questioning what constitutes heroism today. Her shabby seaside hometown provides the perfect backdrop for this tale of loss and redemption, redolent of transient glamour and unrealized small-town dreams. *Islamska republika Nemačka* Bantam Crace's

second novel confirmed his status as a writer of great imagination and skill. Set at the twilight of the Stone Age, a young man elects himself the village storyteller, and hunts restlessly, far and wide, for inspiration. But the information he finds and the people he meets warn of the advent of a new age and the coming of a metal that will change their community's life irrevocably. Tesla: A

contains an excerpt from Steven Pressfield's *The Profession*. The author of the international bestsellers *Gates of Fire* and *Tides of War* delivers his most gripping and imaginative novel of the ancient world—a stunning epic of love and war that breathes life into the grand myth of the ferocious female warrior culture of the Amazons. Steven Pressfield has gained a

passionate worldwide following for his magnificent novels of ancient Greece, Gates of Fire and Tides of War. In Last of the Amazons, Pressfield has surpassed himself, re-creating a vanished world in a brilliant novel that will delight his loyal readers and bring legions more to his singular and powerful restoration of the past. In the time before Homer, the legendary Theseus, King

of Athens (an actual historical figure), set sail on a journey that brought him into the land of tal Kyrte, the “free people,” a nation of proud female warriors whom the Greeks called “Amazons.” The Amazons, bound to each other as lovers as well as fighters, distrusted the Greeks, with their boastful talk of “civilization.” So when the great war queen Antiope fell in love with Theseus

and fled with the Greeks, the mighty Amazon nation rose up in rage. Last of the Amazons is not merely a masterful tale of war and revenge. Pressfield has created a cast of extraordinarily vivid characters, from the unforgettable Selene, whose surrender to the Greeks does nothing to tame her; to her lover, Damon, an Athenian warrior who grows to cherish the wild Amazon

ways; to the narrator, Bones, a young girl from a noble family who was nursed by Selene from birth and secretly taught the Amazon way; to the great Theseus, the tragic king; and to Antiope, the noble queen who betrayed the Kyrte for the love of Theseus. With astounding immediacy and extraordinary attention to military detail, Pressfield transports readers into the heat and

terror of war. Equally impressive is his creation of the Amazon nation, its people, its rituals and myths, its greatness and savagery. Last of the Amazons is thrilling on every page, an epic tale of the clash between wildness and civilization, patriotism and love, man and woman. *Pavelićev testament* Bantam Count Otto von Hausburg and his devoted servant are sent to

Belgrade by the Austrian monarchy to investigate troubling reports of vampires. There they find a deeply frightened populace who are willing to believe the Count is the devil incarnate. Perhaps they are right. Novakovic brilliantly captures the atmosphere of the Balkans in the 18th century and offers up a playful twist on the Gothic imagination. **Agent 6** Macmillan + ORM

A spicy thriller set in Istanbul's back alleys that the Literary Review (UK) called "exciting, accomplished and original". When a brutal murder shocks Istanbul's rundown Jewish quarter, the Turkish police force unleashes their best weapon - the chain-smoking, brandy-swilling Inspector Cetin Ikmen, husband to a strict Muslim woman (who disapproves of

his drinking) and loving father of eight (with another on the way). With a colorful, multi-layered setting and a delicious labyrinthine plot, Barbara Nadel's *Belshazzar's Daughter* is a stunning and evocative crime debut, and Inspector Ikmen will surely join the ranks of beloved foreign cops Aureilo Zen and Guido Brunetti. *The Woman from Sarajevo* Mark Dice Jim Crace's novel is the

brilliantly imagined story of Christ's forty days in the wilderness, a tale of three men, two women, and a curious wanderer whose peculiar fate is transformed into legend. Dazzling, gritty, and utterly compelling, *Quarantine* is a work at once timeless and timely - a parable for the ages. [Pavelićev testament](#) Praeger
A THRILLING REINVENTION OF THE VAMPIRE

NOVEL BY THE MASTER OF MODERN FANTASY, GEORGE R. R. MARTIN Abner Marsh, a struggling riverboat captain, suspects that something's amiss when he is approached by a wealthy aristocrat with a lucrative offer. The hauntingly pale, steely-eyed Joshua York doesn't care that the icy winter of 1857 has wiped out all but one of Marsh's dilapidated fleet; nor does he care that

he won't earn back his investment in a decade. York's reasons for traversing the powerful Mississippi are to be none of Marsh's concern—no matter how bizarre, arbitrary, or capricious York's actions may prove. Not until the maiden voyage of Fevre Dream does Marsh realize that he has joined a mission both more sinister, and perhaps more noble, than his most fantastic nightmare—and humankind's

most impossible dream.

Tajne loповskog zanata Simon and Schuster

An electric novel of the extraordinary life of one of the twentieth century's most prodigious and colorful inventors Nikola Tesla was a man forever misunderstood. From his boyhood in what is present-day Croatia, where his father, a Serbian Orthodox priest, dismissed his talents, to his tumultuous years in New York City, where his heated rivalry with Thomas Edison yielded triumphs and

failures, Tesla was both demonized and lionized. Tesla captures the whirlwind years of the dawn of the electrical age, when his flair for showmanship kept him in the public eye. For every successful invention—the alternating current electrical system and wireless communication among them—there were hundreds of others. But what of the man behind the image? Vladimir

Pistalo reveals the inner life of a man haunted by the loss of his older brother, a man who struggled with flashes of madness and brilliance whose mistrust of institutional support led him to financial ruin. *Tesla: A Portrait with Masks* is an impassioned account of a visionary whose influence is still felt today. *Profesori smrti* Bantam Young Albert Weiss was spared the horrors of

Auschwitz when his parents threw him and his brother from the transport train. Years later, with the help of other survivors of the holocaust, he explores the myriad ways of confronting not just the evil that robbed him of his childhood, but the guilt he feels for having lost his brother on that wintry night. Mosaic, non-linear and semi-autobiographical, this book is reminiscent in style of Kurt Vonnegut's

Slaughterhouse-Five and in theme of the works of Primo Levi. In documenting the stories of child survivors, it is a moving and necessary addition to the literature of the Holocaust. Tajne albanske mafije St. Martin's Press Yet again, Gardiner finds himself on a journey across the world to uncover the ancient secrets of the world's most powerful men. A Better Way to Live Red Wheel/Weiser A sweltering

Seville is recovering from the shock of a terrorist attack and Inspector Jefe Javier Falcon is struggling to fulfil his promise to its citizens: that he would find the real perpetrators of the outrage." *Quarantine* Peter Owen Publishers Many years after a sea captain rescues a group of German castaways from a storm and receives a gold-and-diamond emblem from

a grateful survivor, the captain's son learns of the object's link to a World War II tale about a man's effort to solve his soldier father's murder. *A People's History of England* HarperCollins UK Secret societies have both fascinated and frightened people for hundreds of years. Often the infamous Illuminati is mentioned as the core of conspiracies which span the globe. The

Illuminati is actually a historical secret society which had goals of revolutions and world domination dating back to the 1770s. Since then, rumors and conspiracy theories involving the Illuminati continue to spread, sometimes finding their way into popular novels like Dan Brown's *Angels & Demons* and Hollywood movies like *Lara Croft: Tomb Raider*. Some men

have even come forward claiming to be former members, offering details of what they allege are the inner workings of the organization. When you sift through all of the information available on the subject, you may be surprised that the truth is stranger than fiction. In *The Illuminati: Facts & Fiction*, conspiracy and occult expert Mark Dice separates history from

Hollywood and shows why tales of the secret society won't die. - Original Writings and Documents - Purported Texts - Freemasonry's Connections - The Georgia Guidestones - Alleged Victims and Defectors - Aliens and Reptillians - Activists and Eyewitnesses - Fictional books - Fictional films - TV references - The Music Industry - Mainstream Media Manipulation - Documentary	Films - Pre Illuminati Organizations - The Luciferian Doctrine - The Federal Reserve - Skull and Bones - The Bilderberg Group - Bohemian Grove - The Council on Foreign Relations - The Franklin Cover-up - Sex Magic - Election Fraud - The Necronomicon - The Church of Satan - The Secret Doctrine - Emerald Tablet - The Book of Thoth - The Book of Dzyan - The	Report From Iron Mountain - Protocols of the Elders of Zion - The Holy Grail - MK-ULTRA Documents - The Satanic Bible - The Secret Doctrine - David Rockefeller's Memoirs - Illustrating the History of Jacobinism - Secret Societies and Subversive Movements - Occult Theocracy - Externalization of the Hierarchy - None Dare Call It Conspiracy - Magick: In
