LUIS MAYRA

The Last Tea Bowl Thief Penguin Kobayashi Issa (1763-1827), along with Basho and Buson, is considered one of the three greatest haiku poets of Japan, known for his attention to poignant detail and his playful sense of humor. Issa's most-loved work, *The Spring of My Life*, is an autobiographical sketch of linked prose and haiku in the tradition of Basho's famous *Narrow Road to the Interior*. In addition to *The Spring of My Life*, the translator has included more than 160 of Issa's best haiku and an introduction providing essential information on Issa's life and valuable comments on translating (and reading) haiku.

I Haiku You Catapult

An anthology of more than 800 poems that were originally written in English by over 200 poets from around the world. This collection tells the story for the first time of Anglophone haiku, charting its evolution over the last one hundred years and placing it within its historical and literary context.

Bashō's Haiku Tuttle Publishing

Matsuo Basho stands today as Japan's most renowned writer, and one of the most revered. Yet despite his stature, Basho's complete haiku have never been collected under one cover. Until now. To render the writer's full body of work in English, Jane Reichhold, an American haiku poet and translator, dedicated over ten years to the present compilation. In *Barbo: The Complete Haiku* she accomplishes the feat with distinction. Dividing the poet's creative output into seven periods of development, Reichhold frames each

period with a decisive biographical sketch of the poet's travels, creative influences, and personal triumphs and defeats. Supplementary material includes two hundred pages of scrupulously researched notes, which also contain a literal translation of the poem, the original Japanese, and a Romanized reading. A glossary, chronology, index of first lines, and explanation of Basho's haiku techniques provide additional background information. Finally in the spirit of Basho, elegant semi-e ink drawings by well-known Japanese artist Shiro Tsujimura front each chapter.

A Tree Frog's Eyes Chartwell Books

A collection of classical Japanese haiku selected and translated by one of America's premier poet-translators. Haiku is one of the most popular and widely recognized poetic forms in the world due to its brevity, emotion, and astounding ability to capture the unique experience of a single moment. This collection, beautifully translated by Sam Hamill, compiles over two hundred haiku from classic Japanese literature written by masters of the genre like Bashō, Buson, and Issa. Based on images from nature, these poems express themes of joy, temporality, beauty, wonder, loneliness, and loss, inviting the reader to participate in the authentic experiences of these poets.

Basho Shambhala Publications

****Chosen for 2020 NCTE Notable Poetry Books and Verse Novels List**** ****Winner of 2020 Northern Lights Book Award for Poetry**** ****Winner of 2019 Skipping Stones Honor Awards**** *My First Book of Haiku Poems* introduces children to inspirational works of poetry and art that speak of our connection to the natural world, and that enhance their ability to see an entire universe in the tiniest parts

of it. Each of these 20 classic poems by Issa, Shiki, Basho, and other great haiku masters is paired with a stunning original painting that opens a door to the world of a child's imagination. A fully bilingual children's book, *My First Book of Haiku Poems* includes the original versions of the Japanese poems (in Japanese script and Romanized form) on each page alongside the English translation to form a complete cultural experience. Each haiku poem is accompanied by a "dreamscape" painting by award-winning artist Tracy Gallup that will be admired by children and adults alike. Commentaries offer parents and teachers ready-made "food for thought" to share with young readers and stimulate a conversation about each work.

Japanese Death Poems Shambhala Publications

"Shiki's distinctive vision and direct expression make a tone recognizably his own, conveyed beautifully in these pages' translations. We hear Shiki's haiku as the voice of a friend bringing complex news in a few intimate words. These haiku are drawn from a world that feels close to our own, and they bring our own lives and world closer. Shiki's poems are necessary and delicious as mountain water, carrying the mountain's hidden minerals from inside it to inside us." --Jane Hirshfield, author of *The Heart of Haiku* and *The Ink Dark Moon* Last year's dream I wake to this year's reality Shiki is considered by the Japanese as one of the masters of haiku. He radically reformed the haiku, suggesting "sketching from life" as an aesthetic.

Essential Haiku Penguin UK

A collection of haikus follows a Valentine's Day theme and combine an introduction to the poetic form with cartoon-style illustrations.

Haiku W. W. Norton & Company

A compact collection of more than 500 poems from Jack Kerouac that reveal a lesser known but important side of his literary legacy "Above all, a haiku must be very simple and free of all poetic trickery and make a little picture and yet be as airy and graceful as a Vivaldi pastorella."—Jack Kerouac Renowned for his groundbreaking Beat Generation novel *On the Road*, Jack Kerouac was also a master of the haiku, the three-line, seventeen-syllable Japanese poetic form. Following the tradition of Basho, Buson, Shiki, Issa, and other poets, Kerouac experimented with this centuries-old genre, taking it beyond strict syllable counts into what he believed was the form's essence. He incorporated his "American" haiku in novels and in his correspondence, notebooks, journals, sketchbooks, and recordings. In *Book of Haikus*, Kerouac scholar Regina Weinreich has supplemented a core haiku manuscript from Kerouac's archives with a generous selection of the rest of his haiku, from both published and unpublished sources.

The Book of Light VIZ Media LLC

A poetry collection honoring the haiku—complete with poet biographies, translator commentary, and Japanese artwork This celebration of what is perhaps the most influential of all poetic forms takes haiku back to its Japanese roots. Beginning with poems by the seventeenth and eighteenth-century masters Basho, Buson, and Issa, the anthology goes all the way up to the late twentieth century to provide a survey of haiku through the centuries, in all its minimalist glory. The translators have balanced faithfulness to the Japanese with an appreciation of the unique spirit of each poem to create English versions that evoke the joy and wonder of the

originals with the same astonishing economy of language. An introduction by the translators and short biographies of the poets are included. Reproductions of woodblock prints and paintings accompany the poems.

Classic Haiku Ecco

For three hundred years, a stolen relic passes from one fortune-seeker to the next, indelibly altering the lives of those who possess it. In modern-day Tokyo, Robin Swann's life has sputtered to a stop. She's stuck in a dead-end job testing antiquities for an auction house, but her true love is poetry, not pottery. Her stalled dissertation sits on her laptop, unopened in months, and she has no one to confide in but her goldfish. On the other side of town, Nori Okuda sells rice bowls and tea cups to Tokyo restaurants, as her family has done for generations. But with her grandmother in the hospital, the family business is foundering. Nori knows if her luck doesn't change soon, she'll lose what little she has left. With nothing in common, Nori and Robin suddenly find their futures inextricably linked to an ancient, elusive tea bowl. Glimpses of the past set the stage as they hunt for the lost masterpiece, uncovering long-buried secrets in their wake. As they get closer to the truth—and the tea bowl—the women must choose between seizing their dreams or righting the terrible wrong that has poisoned its legacy for centuries.

The Pocket Haiku Simon and Schuster
With a powerful introduction by Ross Gay and a moving afterword by Sidney Clifton, this special anniversary edition of *The Book of Light* offers new meditations and insights on one of the most beloved voices of the 20th century. Though *The Book of Light* opens with thirty-nine names for light, we soon learn

the most meaningful name is Lucille—daughter, mother, proud Black woman. Known for her ability to convey multitudes in few words, Clifton writes into the shadows—her father's violations, a Black neighborhood bombed, death, loss—all while illuminating the full spectrum of human emotion: grief and celebration, anger and joy, empowerment and so much grace. A meeting place of myth and the Divine, *The Book of Light* exists "between starshine and clay" as Clifton's personas allow us to bear the world's weight with Atlas and witness conversations between Lucifer and God. While names and dates mark this text as a social commentary responding to her time, it is haunting how easily this collection serves as a political palimpsest of today. We leave these poems inspired—Clifton shows us Superman is not our hero. Our hero is the Black female narrator who decides to live. And what a life she creates! "Won't you celebrate with me?"

The Apple Trees at Olema University of Pittsburgh Press

When Robert Haas first took his post as U.S. Poet Laureate, he asked himself, "What can a poet laureate usefully do?" One of his answers was to bring back the popular nineteenth-century tradition of including poetry in our daily newspapers. "Poet's Choice," a nationally syndicated column appearing in twenty-five papers, has introduced a poem a week to readers across the country. "There is news in poems," argues Robert Haas. This collection gathers the full two years' worth of Haas's choices, including recently published poems as well as older classics. The selections reflect the events of the day, whether it be an elder poet receiving a major prize, a younger poet publishing a first book, the death of

a great writer, or the changing seasons and holidays. They also reflect Hass's personal taste. Here is "one of the most gorgeous poems in the English language" ("To Autumn" by John Keats): a harrowing Holocaust poem ("Deathfugue" by Paul Celan); and "my favorite American poem of spring" ("Spring and All" by William Carlos Williams). With a brief introduction to each poet and poem, a note on the selection, and insights on how the poem works, Robert Hass acts as your personal guide to the poetry shelves at your local bookstores and to some of the best poetry of all time.

Haiku Master Buson Heian International Basho, one of the greatest of Japanese poets and the master of haiku, was also a Buddhist monk and a life-long traveller. His poems combine 'karumi', or lightness of touch, with the Zen ideal of oneness with creation. Each poem evokes the natural world - the cherry blossom, the leaping frog, the summer moon or the winter snow - suggesting the smallness of human life in comparison to the vastness and drama of nature. Basho himself enjoyed solitude and a life free from possessions, and his haiku are the work of an observant eye and a meditative mind, uncluttered by materialism and alive to the beauty of the world around him.

Haiku Baby Simon and Schuster Intimately and without jargon, *How to Wake Up: A Buddhist-Inspired Guide to Navigating Joy and Sorrow* describes the path to peace amid all of life's ups and downs. Using step by step instructions, the author illustrates how to be fully present in the moment without clinging to joy or resisting sorrow. This opens the door to a kind of wellness that goes beyond circumstances. Actively engaging life as it is in this fashion holds

the potential for awakening to a peace and well-being that are not dependent on whether a particular experience is joyful or sorrowful. This is a practical book, containing dozens of exercises and practices, all of which are illustrated with easy-to-relate to personal stories from the author's experience.

The Essential Etheridge Knight Penguin UK

The poems in Robert Hass's new collection—his first to appear in a decade—are grounded in the beauty and energy of the physical world, and in the bafflement of the present moment in American culture. This work is breathtakingly immediate, stylistically varied, redemptive, and wise. His familiar landscapes are here—San Francisco, the Northern California coast, the Sierra high country—in addition to some of his oft-explored themes: art; the natural world; the nature of desire; the violence of history; the power and limits of language; and, as in his other books, domestic life and the conversation between men and women. New themes emerge as well, perhaps: the essence of memory and of time. The works here look at paintings, at Gerhard Richter as well as Vermeer, and pay tribute to his particular literary masters, friend Czeslaw Milosz, the great Swedish poet Tomas Tranströmer, Horace, Whitman, Stevens, Nietzsche, and Lucretius. We are offered glimpses of a surprisingly green and vibrant twenty-first-century Berlin; of the demilitarized zone between the Koreas; of a Bangkok night, a Mexican desert, and an early summer morning in Paris, all brought into a vivid present and with a passionate meditation on what it is and has been to be alive. "It has always been Mr. Hass's aim," the *New York Times Book Review* wrote, "to get the whole man, head and

heart and hands and everything else, into his poetry." Every new volume by Robert Hass is a major event in poetry, and this beautiful collection is no exception.

Sun Under Wood Copper Canyon Press
 "No practicing poet has more talent than Robert Hass." —Atlantic Monthly The National Book Award-winning author of *Time and Materials*, Robert Hass is one of the most revered of all living poets. With *The Apple Trees at Olema*, the former Poet Laureate and winner of the 2008 Pulitzer Prize offers twenty new and selected poems grounded in the beauty of the physical world. As with all of the collections of this great artist's work, published far too infrequently, *The Apple Trees at Olema* is a cause for celebration.

Summer Snow Harper Collins
 A definitive collection of 194 haiku that brings together a plethora of diverse natural, cultural, and geographical influences from Navarro's life as a wandering poet-philosopher and minister. Navarro draws on a lifetime of learning haiku, beginning at nineteen years old when he discovered its origins in the heart of ancient Chinese poetry (Sensai and Hō Un); through the quintessential influences of the four great Japanese hokku/haiku masters, Basho, Buson, Issa, and Shiki-but especially the personal pure-land nature haiku of Issa; to the classic core functional elements of kire (the cut or shift) and kigo (seasonal indication), which infuse haiku with the essential elements of zoka, ma, tathata, and toriawase, which he explains in an extensive Foreword describing the nature and essence of good haiku. These elements are the core of Navarro's haiku, but he's also experimented with many modern offshoots and adaptations.

So the reader will find everything from traditional English language 5-7-5 haiku, to more modern renditions with fewer syllables, some gendai haiku, semantic disjunctions, and even some senryu.

While the underlying essence of his haiku is influenced and inspired by Chinese and Japanese poetry, Navarro's haiku are thoroughly steeped in modern American nature, culture, geography, and tradition. He brings haiku to life in a way that is relatable and accessible to the modern reader while faithfully maintaining the sharp visual nature of the form.

The Sound of Water Penguin UK
 Robert Hass demonstrates once again the unmistakable intelligence and original voice that have won him both literary acclaim and the affection of a broad general readership. Here Hass extends and deepens his ongoing explorations of nature and human history, solitude, and the bonds of children, parents, and lovers. Here his passion for apprehending experience with language--for creating experience with language--finds supple form in poems that embrace all that is alive and full of joy. *Sun Under Wood* is the most impressive collection yet from one of our most accomplished poets.

My First Book of Haiku Poems
 Shambhala Publications
 2005 CHOICE Outstanding Academic Title Basho's Haiku offers the most comprehensive translation yet of the poetry of Japanese writer Matsuo Bashō (1644–1694), who is credited with perfecting and popularizing the haiku form of poetry. One of the most widely read Japanese writers, both within his own country and worldwide, Bashō is especially beloved by those who appreciate nature and those who practice Zen Buddhism. Born into the

samurai class, Bashō rejected that world after the death of his master and became a wandering poet and teacher. During his travels across Japan, he became a lay Zen monk and studied history and classical poetry. His poems contained a mystical quality and expressed universal themes through simple images from the natural world. David Landis Barnhill's brilliant book strives for literal translations of Bashō's work, arranged chronologically in order to show Bashō's development as a writer. Avoiding wordy and explanatory translations, Barnhill captures the brevity and vitality of the original Japanese, letting the images suggest the depth of meaning involved. Barnhill also presents an overview of haiku poetry

and analyzes the significance of nature in this literary form, while suggesting the importance of Bashō to contemporary American literature and environmental thought.

The Penguin Book of Haiku Tuttle Publishing

Over 200 of the best haiku poems from Japanese literature, translated by one of America's premier poet-translators and now in one giftable volume The haiku is one of the most popular and widely recognized poetic forms in the world. In just three lines a great haiku presents a crystalline moment of image, emotion, and awareness. This illustrated collection includes haiku by the great masters from the seventeenth to the early twentieth century, including works by Basho, Buson, Issa, and other Japanese poets.
