## **PRECIOUS AMY**

---

**Forgiveness** Watkins Media Limited

One of the greatest spiritual teachers of the twentieth century shares his wisdom about building loving relationships in *Intimacy: Trusting Oneself and the Other*. “Hit-and-run” relationships have become common in our society as it has grown more rootless, less tied to traditional family structures, and more accepting of casual sex. But at the same time, there arises an undercurrent of feeling that something is missing—a quality of intimacy. This

quality has very little to do with the physical, though sex is certainly one possible door. Far more important is a willingness to expose our deepest feelings and vulnerabilities, with the trust that the other person will treat them with care. Ultimately, the willingness to take the risk of intimacy has to be grounded in an inner strength that knows that even if the other remains closed, even if that trust is betrayed, we will not suffer any permanent damage. In this gentle and compassionate guide, Osho takes his readers step-by-step through what makes people afraid of intimacy, how to encounter those fears and go beyond them, and what they can do to nourish themselves and their relationships to support more openness and trust. Osho challenges readers to

examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

**Living Spontaneously and Embracing Life** St. Martin's Griffin One of the greatest spiritual teachers of the twentieth century shares the inspirational insights of timeless philosophies in *The Man Who Loved Seagulls: Essential Life Lessons from the World's Greatest Wisdom Traditions*. In *The Man Who Loved Seagulls*, Osho discusses essential stories and parables from the world's great wisdom traditions of Zen, Taoism, Christianity, and Judaism. Osho—himself a master storyteller—interprets the stories in this collection and applies them to the concerns of modern day life. The valuable lessons they impart are both timely and universal. The stories encourage meditation as they are meant to be told and studied again and again, in order to discover new layers of meaning with each reading. Ideas and topics include: \* The futility of chasing happiness \* The journey from fear to freedom \* The Zen approach to death and dying \* The extraordinary intelligence of innocence \* And much more Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by

Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

**365 Meditations for the Here and Now** St. Martin's Griffin Discover your ability to be brave in times of adversity with *Courage: The Joy of Living Dangerously*—from one of the greatest spiritual teachers of the twentieth century. Courage is not the absence of fear, says Osho. It is, rather, the total presence of fear, with the courage to face it. This book provides a bird's-eye view of the whole terrain—where fears originate, how to understand them, and how to call on your inner strength to confront them. In the process, Osho proposes that whenever we are faced with uncertainty and change in our lives, it is actually a cause for celebration. Instead of trying to hang on to the familiar and the known, we can learn to enjoy these situations as opportunities for adventure and for deepening our understanding of ourselves and the world around us. Having courage is more than just heroic acts in exceptional circumstances. It's a necessity to lead authentic and fulfilling lives on a day-to-day basis. This is the courage to change when change is needed, the courage to stand up for our own truth, even against the opinions of others, and the courage to embrace the unknown in spite of our fears—in our relationships, in our careers, or in the ongoing journey of understanding who we are and why we are here. *Courage* also features meditation techniques specifically designed by Osho to help people cope with their fears. Osho challenges readers to examine and break free of the conditioned

belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

*Essential Life Lessons from the World's Greatest Wisdom Traditions* St. Martin's Griffin

A provocative look at the pursuit of material success and influential power from one of the twentieth century's greatest spiritual teachers. “I want you to be rich in every possible way—material, psychological, spiritual. I want you to live the richest life that has ever been lived on the earth.”—Osho Fame, Fortune, and Ambition: What is the Real Meaning of Success? examines the symptoms and psychology of preoccupations with money and celebrity. Where does greed come from? Do values like competitiveness and ambition have a place in bringing innovation and positive change? Why do celebrities and the wealthy seem to have so much influence in the world? Is it true that money can't buy happiness? These questions are tackled with a perspective that is thought-provoking, surprising—and particularly relevant to our troubled economic times. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with

Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

*What Is the Real Meaning of Success?* St. Martin's Griffin

The revolutionary spiritual techniques of the late philosopher offer a whole person approach to spirituality that emphasizes the importance of embracing all aspects of oneself that embraces both the material and spiritual, the earthly and the transcendent, to create a harmonious, whole person. 30,000 first printing.

*The Book of Understanding* Macmillan

Learn how to set yourself free with the philosophies of one of the twentieth century's greatest spiritual teachers in *Freedom: The Courage to Be Yourself*. In *Freedom*, Osho outlines three stages of freedom. The first is “freedom from,” which is a freedom that comes from breaking out of what he calls the “psychological slavery” imposed by outside forces such as parents, society, or religion. The next stage is “freedom for,” a positive freedom that comes from embracing and creating something—a fulfilling relationship, for example, or an artistic or humanitarian vision. And lastly there is “just freedom,” the highest and ultimate freedom. This last freedom is more than being for or against something; it is the freedom of simply being oneself and responding truthfully to each moment. This book helps readers to identify the obstacles to their freedom, both circumstantial and self-imposed, to choose their battles wisely, and to find the courage to be true to themselves. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness.

He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

*The Creative Response to Now* Osho Media International

One of the greatest spiritual teachers of the twentieth century will help you learn how to live in the present moment in *Awareness: The Key to Living in Balance*. Underlying all meditation techniques, including martial arts—and in fact underlying all great athletic performances—is a quality of being awake and present to the moment, a quality that Osho calls awareness. Once we can identify and understand what this quality of awareness is, we have the key to self-mastery in virtually every area of our lives. According to great masters like Lao Tzu or Buddha, most of us move through our lives like sleepwalkers. Never really present in what we are doing, never fully alert to our environment, and not even aware of what motivates us to do and say the things we do. At the same time, all of us have experienced moments of awareness—or awakening, to use another—in extraordinary circumstances. On the road, in a sudden and unexpected accident, time seems to stop and one is suddenly aware of every movement, every sound, every thought. Or in moments that touch us deeply—welcoming a new baby into the world for the first time, or being with someone at the moment of death. Awareness, says Osho, is the key to being self-directed, centered, and free in every aspect of our

lives. In this book, Osho teaches how to live life more attentively, mindfully, and meditatively, with love, caring and consciousness. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

*Creating Your Own Path to Freedom* St. Martin's Griffin

The *Everyday Osho* provides brief daily meditations to build a life-changing year of practice. *Everyday Osho* features 365 short meditations that offer insights into living fully in the here and now. Each brief text is thoughtful and inspiring and the perfect length for starting a daily meditation practice. With topics that range from gratitude to nature to philosophy to love, *Everyday Osho* contains a full year of meditation and inspiration. For decades, the insights of Osho have delighted and challenged spiritual seekers. *Everyday Osho* offers readers daily encouragement to live fully, integrating body, mind, and spirit.

*Autobiography of a Spiritually Incorrect Mystic* St. Martin's Griffin

Often described as a rebel, an iconoclast, an enlightened mystic and an intellectual giant, Osho (also known as Acharya Rajneesh and Bhagwan Shree Rajneesh) is all this and more. He brought about a spiritual revolution in the lives of those who cared to grow intellectually. He spoke fearlessly against orthodox religions, priests, politicians, age-old traditions and anything he

thought was a hindrance to the path of self realisation. This made him the most talked about and controversial mystic of the twentieth century. Enlightenment of this stature is not attained in a few years or even in a lifetime it is spread over hundreds of years and over lives, as was with the case of Osho, who spoke about his previous life and birth. This is only one of the many astounding facts about Osho which this book reveals. Osho The Luminous Rebel traces the story of Osho from his birth, talking about his spiritual search for truth and the wondrous story of his enlightenment. The book also takes the reader through those years of Osho's struggle with authority figures, his travels all over India, to the much-hyped city of Rajneeshpuram in the US, to one of the greatest mysteries of our times. Osho believes that he was poisoned by the US government when he was detained in various jails there; he was later denied visas in almost all countries across the world events, he reveals, that exposed the true face of democracy. Osho The Luminous Rebel is for all Osho lovers and admirers, for the uninitiated but spiritually inclined, and for those who are just curious to know more.

*Life's Mysteries* St. Martin's Essentials

One of the greatest spiritual leaders of the twentieth century encourages us to embrace the qualities of life our advancing years grant us in *Maturity: The Responsibility of Being Oneself*. In a culture infatuated with youth and determined to avoid old age at all costs, this book dares to raise a question that has been all but forgotten in the age of Viagra and cosmetic surgery. What benefits might lie in accepting the aging process as natural, rather than trying to hold on to youth and its pleasures all the way to the grave? Osho takes us back to the roots of what it

means to grow up rather than just to grow old. Both in our relationships with others, and in the fulfillment of our own individual destinies, he reminds us of the pleasures that only true maturity can bring. He outlines the ten major growth cycles in human life, from the self-centered universe of the preschooler to the flowering of wisdom and compassion in old age. Osho's sly sense of humor runs like a red thread through the book, along with a profound compassion and understanding of how easy it is to be distracted from the deeper meaning and purpose of our lives—which is, ultimately, to flower into our own individual uniqueness and maturity with an attitude of celebration and joy. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the *Sunday Times* of London as one of the “1000 Makers of the 20th Century” and by *Sunday Mid-Day* (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

**Yoga** Macmillan

*I Teach Love Of Life This Was The Basis Of All Of Osho S Teachings, And One That Was Often Lost In The Controversies That Surrounded Him For Most Of His Career As A Spiritual Guide. A Man Of Vast Learning Who Had Read Everything He Could Find To Broaden His Understanding Of The Belief Systems And Psychology Of Modern Man, He Was At The Same Time Completely Original In His Approach, Insisting On Finding Out The Truth For Himself Rather Than Accepting What Had Been Taught*

By Others. Iconoclastic Yet Persuasive, Lucid Yet Grounded In A Wealth Of Theological Knowledge, His Message Found A Worldwide Audience. In *Life's Mysteries* The Reader Is Introduced To Some Of The Key Tenets Of Osho's Philosophy. A Sampling: *Life: I Teach The Art Of Living Your Life Totally, Of Being Drunk With The Divine Through Life. Love: If You Really Want To Know About Love, Forget About Love And Remember Meditation (Just As) If You Want To Bring Roses Into Your Garden, Forget About Roses And Take Care Of The Rosebush... In The Right Time, The Roses Are Destined To Come. Sex: If It Can Give Birth To A Child, To A New Life...You Can Imagine Its Potential: It Can Bring A New Life To You Too. Death: To Me Death Is Not The End Of Life But...The Very Climax...If You Have Lived Rightly, If You Have Lived Moment To Moment Totally, If You Have Squeezed Out The Whole Juice Of Life, Your Death Will Be The Ultimate Orgasm.*

*Maturity* SCB Distributors

Drawn from the late provocative spiritualist's recorded talks, a portrait of his life and teachings covers his youth and education, his life as a professor of philosophy, his years of travel during which he cited the importance of meditation, and the legacy he sought to leave behind.

**The Happiness That Comes from Within** Osho Media International

From one of the greatest spiritual leaders of the twentieth century, *Creativity: Unleashing the Forces Within* will inspire you to nurture your inner ideas and innovations—and apply them in every aspect of your life. As Osho points out in this book's

foreword, historically, the creative person has been all but forced to rebel against the society. But nowadays, the situation has dramatically changed. In today's world, the ability to respond creatively to new challenges is demanded of everybody, from corporate CEOs to "soccer moms." Those whose toolbox for dealing with life includes only what they have learned in the past from their parents and their teachers are at a distinct disadvantage both in their relationships and in their careers. Making a switch from imitative and rule-bound behavior to creative innovation and flexibility requires a profound change in our attitudes about ourselves and our capabilities. Creativity is a handbook for those who understand the need to bring more creativity, playfulness, and flexibility to their lives. It's a manual for thinking "outside the box"—and learning to live there as well. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the *Sunday Times* of London as one of the "1000 Makers of the 20th Century" and by *Sunday Mid-Day* (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

*The Context of Holiness: Psychological and Spiritual Reflections on the Life of St. Thérèse of Lisieux* Autobiography of a Spiritually Incorrect Mystic

Shares the author's insights into the religious, political, social, and economic forces that compel people into fanaticism or opposing belief systems, discussing psychological aspects of the

human need to belong and believe in a cause.

The Journey of Being Human Macmillan

This book explores both the psychological and spiritual dimensions of the life of St. Thérèse of Lisieux. The basic premise of this book is that the spiritual life is not an encapsulated sphere, cloistered from the realities of our human existence. Rather it is our response to God within the physical, psychological, social and emotional dimensions of life. St. Thérèse did not grow in holiness apart from the human condition. Like all of us, she was emotionally scarred by the fragileness of life. She was deeply wounded by the death of her mother at the age of four, bedridden as the result of a neurotic episode when she was ten, struggled with debilitating scruples most of her life, and suffered an agonizing dark night of faith. St. Thérèse was no plaster statue saint. Her life was a real life. As it unfolds before us on the pages of *Story of a Soul*, we see a pilgrim soul who made her way home to God through many raging storms and dark nights. The specific nature of Thérèse's trials may differ from our own, but psychological and emotional suffering are our common lot. For example, we may not have known the pain of our mother dying when we were four, but most of us have known the pain of the loss of a loved one. The sufferings that we share with Thérèse are universal - physical pain, anxiety, anger, sadness, depression, loneliness, doubts of faith, to name a few. These sufferings make doing the will of God difficult, but they are the context of our choices. They are the context of holiness.

**Zen** St. Martin's Essentials

Autobiography of a Spiritually Incorrect Mystic Macmillan

The Path of Paradox Om Books International

"Forgiveness simply means you accept the person as he is, you still love him the way he is." -- Osho Forgiveness is the thirteenth title in the Osho bestselling Insights for a New Way of Living series. The popular Insights for a New Way of Living challenges readers to examine and break free of the conditioned belief systems and the prejudices that limit their capacity to live life in all its richness. The books shine light on beliefs and attitudes that prevent individuals from being their true selves. The text is an artful mix of compassion and humor, and readers are encouraged to confront what they would most like to avoid, which in turn provides the key to true insight and power.

SkyLight Paths Publishing

Who is Osho? Osho has himself explained that the word 'Osho' is derived from William James' expression 'oceanic experience' which means dissolving into the ocean. "Oceanic describes the experience," says Osho, "but what about the expression? For that we use the word 'Osho'." Subhuti was one of the rare disciples of Gautama the Buddha. One day he asked Buddha, "Will there be people after some centuries who will understand the teachings?" Gautama the Buddha replied, "Subhuti, don't talk like this. After 2500 years there will again be a Sangha (commune of seekers). This earth will always have presence of awakened souls or earth will cease to exist". Once again, after 25 centuries, a unique Sangha of seekers, came into existence in the presence of the enlightened master Osho. In this book, some of them have shared their understanding about Osho and his vision and we are grateful to them. Osho is oceanic. So many such books have been written and we are sure that thousands of books will be written in near future, as what Osho has given to the world, is totally

inexhaustible. Allah to Zen is not more than a tiny drop.

**An Introduction to the Teachings of Osho** St. Martin's Griffin  
To be able to celebrate life is religion — in that very celebration you come close to God. If one is able to celebrate, God is not far away; if one is not able to celebrate life, then God does not exist for him. God appears only in deep celebration, when you are so full of joy, that all misery has left you.— Osho

*The Book of Children* St. Martin's Griffin

In *Living on Your Own Terms: What Is Real Rebellion?*, one of the twentieth century's greatest spiritual teachers reveals how you can resist the rules and regulations that oppose your values while retaining your own individuality. "People can be happy only in one way, and that is if they are authentically themselves. Then the springs of happiness start flowing; they become more alive, they become a joy to see, a joy to be with; they are a song, they are a dance."—Osho  
Decades after the rebellions of the 1960s,

new generations are again challenging and rebelling against outdated structures and values, focusing on political and economic systems and their failings. But this generation has the opportunity and responsibility to move the development of human freedom to the next level. Osho's philosophies will support these future generations in expanding their understanding of freedom and pushing toward new systems for humanity. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.
