From Nicole Helm, the author of the national bestselling Stone Cold, Navy Seal Cowboys, and Big Sky Cowboys series! In Colorado's glorious big-sky country, everything is done with cowboy flair—even boot-stomping, hat-tipping cowboy weddings . . . As the middle Tyler brother, Gavin doesn't always have much say in ranch decisions, but when it comes to his heart, he's the only

authority. He's loved Louisa "Lou" Fairchild for longer than he can remember, even though they've never been more than friends. But with Lou stuck between the proverbial rock and hard place, Gavin is going to help the way any true friend would—with a proposal of a strictly business-like, in-name-only marriage . . . at least to start. Lou can't believe her beloved grandmother has backed her up against the wall. The choice between finding a man to marry and letting her no-good father back into the family to run the ranch isn't a choice at all! But when her sister counters with an even less savory idea, Lou knows what she must do—say yes to the only man she's ever trusted. But somehow pretending to be in love with good-natured Gavin suddenly begins to feel alarmingly real—and she downright likes it. Can a sham marriage become the truest kind of love? Praise for Nicole Helm's previous romances "Perfect for fans of Susan Mallery and Jill Shalvis."—Kirkus Reviews "A deeply moving contemporary. . . . The protagonists are refreshingly willing to be up front about their feelings and listen to each other, and readers will want to revisit their story often." —Publishers Weekly **STARRED REVIEW**

The Mile High Club is a novel of intrigue, irreverence, international terrorism, humor, suspense, and cross-dressing, in which the intrepid Kinky Friedman gets more than his leg pulled when he encounters a mysterious vamp on an airplane. It all starts with a casual flirtation, two people on a flight from Dallas to New York. She is gorgeous and mysterious; he is a private detective. When the plane lands, the detective -- our hero Kinky Friedman -- finds that he's been left holding the bag, in this case literally holding a bright pink cosmetic bag. The mysterious woman, having asked the Kinkster to watch her luggage while she visits the dumpster, has taken a powder and somehow has vanished. Confident that he'll find the mystery woman again, Kinky holds on to the bag. Sure enough she does turn up, but not before Kinky has excited the interest of an array of "suits" from the State Department, been party to a thwarted kidnap attempt by Arab terrorists, and found a dead Israeli agent parked on the toilet of his downtown Manhattan loft. Employing the able-bodied assistance of his usual sidekicks, the Village Irregulars, Kinky eventually gets to the bottom of all the comings and goings and comings of the many visitors to his loft -- including two late-night visits by the mysterious, and suddenly affectionate, woman from the plane and one not-so-late visit by her angry brother. Before it's over, the bag is gone. Despite the many comparisons made by the critics, citing his resemblance to one great writer after another, the truth is that no other writer combines intriguing mystery with bawdy one-liners quite like Kinky Friedman. Alternately raunchy, offbeat, and hilarious, The Mile High Club, complete with a surprise ending, is Kinky at his very considerable best.

A memorable night of passion refuses to stay just a memory in this sizzling and scandalous romance from bestselling author T L Swan. I was upgraded to first class on a flight from London to New York. The food, champagne, and service were impeccable--the blue-eyed man sitting next to me, even better. He was smart, suave, and sexy. We talked and flirted--and though the plane was unexpectedly grounded, we still felt sky high in each other's company. We danced and laughed our way around Boston...and had a night of crazy passion that no woman could forget. That was twelve months ago, and I haven't heard from him--until today. I started a new job and met the CEO.

Imagine my surprise when I saw those naughty blue eyes gazing at me from behind his mahogany desk. But I'm not that carefree girl anymore. I have a boyfriend now, and responsibilities. Now he wants to see me in his office for a private meeting. How can I resist?

My life has always been pretty predictable. Run into burning buildings, save those in distress, be a hero. Shoot the shit with my fireman buddies, come home, and do it all again tomorrow. Little did I know that a random SOS call from a woman stuck in a plaster cast with nothing underneath (I swear I only caught a flash of skin) would throw me for a complete loop. Until I see the flighty artist again. At my mom's engagement party. To her dad. Suddenly the unpredictable woman I couldn't stop thinking about is my soon-to-be-stepsister. Yeah, the same one I mortified when I accidentally saw her a tiny bit naked. This should make family gatherings way more interesting. Except when your mom's as loaded as mine is, you can never fully let your guard down when a guy comes sniffing around. So I can't help but be suspicious, even though his daughter's the perfect blend of beautiful and wild. As we spend more time together, prepping for our parents' wedding, we both agree that maybe there's nothing wrong with having a little bit of fun in the meantime. But if she knew I was investigating her dad on the side, she would never forgive me... Each book in the Mile High Firefighters series is STANDALONE: * The Wedding Dilemma * The Dating Dilemma
