American History Survey McGraw-Hill Humanities, Social Sciences & World Languages

America's past is full of politics as well as personal stories. That's why Conlin's THE AMERICAN PAST: A SURVEY OF AMERICAN HISTORY teaches history the way it happened: real people with real stories. Through short narratives from political figures' lives, you'll discover how our nation grew from a colonial project to an international superpower. Along the way, you'll find the human dimension emphasized with the stories of men and women of different regional, socioeconomic, and ethnic backgrounds described in colorful detail. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*American History* Wadsworth Publishing Company

The American Past emphasizes political history, yet provides balanced coverage of social, economic, and cultural events. Conlin's lively, literary narrative captures and keeps student interest. This textbook is appropriate for the American History survey course at both two-year and four-year schools.

*American History* Wadsworth Publishing Company

Highly-respected for its impeccable scholarship and elegant writing style, *American History: A Survey* provides students and instructors with a comprehensive account of the American past in which no single approach or theme predominates. From its first edition, this text has included a scrupulous account of American political and diplomatic history. Today, however, the book explores areas of history such as social, cultural, urban, racial and ethnic history, more history of the West and South, environmental history, and the history of women and gender. In addition, American history has not evolved in a vacuum, but as part of a larger global world. The eleventh edition of this text places American history into that global context, making connections for students who live in an ever-expanding world themselves.

**American History** McGraw-Hill Humanities, Social Sciences & World Languages

Includes the "AP Advantage 3-Step Solution, 1 Platform" formula for learning.

*American History: A Survey, Volume 2* Harcourt Brace College Publishers

Features a compilation of newspaper, magazine, and journal articles relating to issues in American history. Designed for non-specialized survey courses, this text presents a fair sampling of articles that incorporate newer approaches to the study of history as well as more traditional ones.

*The American Past* Cengage Learning

Now in its Sixth Edition, this text continues to offer a colorful and engaging look at the individuals, events, and ideas that make up our nation's past. Accessible and lively, Conlin includes a comprehensive treatment of political, economic, social, intellectual, constitutional, diplomatic, and military history. Consistent scholarship and a unique organization make this book comprehensive and manageable, while new chronologies offer students quick reference and easy review of the major events and movements covered in each chapter.

**American History** Temple University Press

This two-color value priced text retains the impeccable scholarship and elegant writing style that Alan Brinkley has brought to all of his books. It provides students and instructors with a reliable, comprehensive account of the American past in which no single approach or theme predominates. It includes a scrupulous account of American political and diplomatic history and explores areas of history such as social, cultural, urban, racial and ethnic history, the history of the West and South, environmental history, the history of women and gender, and American history in a global context.

*The American Past* Cengage Learning

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The American Past: A Survey of American History, Enhanced Edition, Volume I Scholar's Choice

Highly respected for its impeccable scholarship and elegant writing style, Alan Brinkley's *American History* provides students and instructors with a reliable, comprehensive account of the American past in which no single approach or theme predominates. From its first edition, this text has included a scrupulous account of American political and diplomatic history. Today, the book explores areas of history such as social, cultural, urban, racial and ethnic history, the history of the West and South, environmental history, the history of women and gender, and American history in a global context. The twelfth edition of this text includes the McGraw-Hill's hit Primary Source Investigator (PSI) cd-rom, with hundreds of sources and a program that walks students through how to write a paper

using those sources as evidence.

American History: Since 1865 Cengage Learning

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The American Past The New Press

THE AMERICAN PAST offers a colorful and engaging look at the individuals, events, and ideas that have shaped this nation's past. Accessible and lively, this text sets the story of the United States in political context while providing balanced coverage of important social, cultural, economic, intellectual, constitutional, diplomatic, and military events. Consistent scholarship and a unique organization make this text both comprehensive and easily manageable while remaining uniquely affordable. The text also benefits from the author's literary prose style, which results in a strong and appealing voice that captures and holds students' interest. This Enhanced Edition features chapter-ending Discovery sections, a unique study feature that gives students an opportunity to practice analyzing source materials and helps them draw connections between the text's key themes.

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*American History* Wadsworth Publishing Company

Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history.

*The American Past* Cengage Learning

Originally released in 1990, *The New American History* edited for the American Historical Association by Eric Foner, has become an indispensable volume for teachers and students. In essays that chart the shifts in interpretation within their fields, some of our most prominent American historians survey the key works and themes in the scholarship of the last three decades. Along with substantially revised essays from the first edition, this volume presents three entirely new ones - on intellectual history, the history of the West, and the histories of the family and sexuality. The second edition of *The New American History* reflects, in Foner's words, "the continuing vitality and creativity of the study of the past, how traditional fields are being expanded and redefined even as new ones are created." Author note: Eric Foner is DeWitt Clinton Professor of History at Columbia University. He is the author of numerous books, including *Reconstruction, 1863-1877* which was awarded the Bancroft Prize.

The American Yawp New Leaf Publishing Group

Respected Christian educator, Dr. James Stobaugh, offers an entire year of high school American history curriculum in an easy to teach and comprehensive volume. *American History: Observations & Assessments from Early Settlement to Today* employs clear objectives and challenging assignments for the tenth grade student. From before the birth of our republic to the principles of liberty, American history trends, philosophies, and events are thoroughly explored. The following components are covered for the student: Critical thinking Examinations of historical theories, terms, and concepts History makers who changed the course of America Overviews and insights into world views. Students will complete this course knowing the Christian influences that created a beacon of hope and opportunity that still draws millions to the United States of America. This 384-page student resource should be used in conjunction with the *American History: Observations & Assessments from Early Settlement to Today for the Teacher*. British History and World History are included in this comprehensive high school history curriculum for 10th, 11th, and 12th grades offered by Dr. James Stobaugh and Master Books.

**The New American History** McGraw-Hill Humanities/Social Sciences/Languages

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* *The American Yawp* is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. *The Yawp* highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, *The American Yawp* incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of *The American Yawp* will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. *The American Yawp* traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, *The American Yawp* gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

*The American Past* McGraw-Hill Humanities, Social Sciences & World Languages

To accomplish your course goals, use this study guide to enhance your understanding of the text content and to be better prepared for quizzes and tests. This convenient manual helps you assimilate and master the information encountered in the text through the use of practice exercises and applications, comprehensive review tools, and additional helpful resources.

The American Past McGraw-Hill Education

Highly respected for its impeccable scholarship and elegant writing style, Alan Brinkley's *American History* provides students and instructors with a broad, comprehensive approach to the American past. It offers not only a scrupulous account of American political and diplomatic history, but also a deep exploration of the many other fields that are central to a critical understanding of the nation's past: social, cultural, economic, and urban history, including the histories of the South and the West, the environment, science and technology, race, ethnicity, gender, and the global context of the American experience.

*American History* Stanford University Press

This is Volume I (to 1877) of *THE AMERICAN PAST: A SURVEY OF AMERICAN HISTORY*, Seventh Edition. Now in its Seventh Edition, Conlin's introductory American history text continues to offer a

colorful and engaging look at the individuals, events, and ideas that have shaped our nation's past. Accessible and lively, it emphasizes political history, yet provides balanced coverage of social, cultural, economic, intellectual, constitutional, diplomatic, and military events. Consistent scholarship and a unique organization make this book comprehensive and manageable, while new chronologies offer students quick reference and easy review of the major events and movements covered in each chapter. The text benefits from Conlin's literary narrative, which lends a unifying voice that captures and holds students' interest. *THE AMERICAN PAST: A SURVEY OF AMERICAN HISTORY, SEVENTH EDITION* is available in the following split options: *THE AMERICAN PAST: A SURVEY OF AMERICAN HISTORY, Comprehensive, Seventh Edition* (Chapters 1-51), ISBN: 0534621368; *THE AMERICAN PAST, VOLUME I: TO 1877, Seventh Edition* (Chapters 1-25), ISBN: 0534621376; *THE AMERICAN PAST, VOLUME II: SINCE 1865, Seventh Edition* (Chapters 25-51), ISBN: 0534621384.
