FIRST IN A NEW SERIES

In the new Mastered series by New York Times bestselling author Lorelei James, a woman's desire to shatter her inhibitions leaves her unprepared

for where that erotic journey will take her.... Former small-town girl Amery Hardwick is living her dream as a graphic designer in Denver, Colorado. She's focused on building her business, which leaves little time for dating—not that she needs a romantic entanglement to fulfill her. When her friend signs up for a self-defense class as part of her recovery after an attack, Amery joins

her for support. That's where she meets him. Ronin Black, owner of the dojo, is so drawn to Amery that he takes over her training—in public and in private. The enigmatic Ronin pushes Amery's boundaries from the start, and with each new tryst, Amery becomes addicted to the pleasure and to him. But when Amery senses Ronin is hiding something, she questions her total trust in him, despite

the undeniable thrill of his possession.... The Scarlett Letters Createspace Independent Publishing Platform Jenny Nordbak takes us to a place that few have seen, but millions have fantasized about, revealing how she transformed herself from a USC grad lacking in confidence into an elite professional dominatrix who finds her own voice, power and compassion

for others. On an unorthodox quest to understand her hidden fantasies, Jenny led a double life for two years. By day she was a construction manager, but at night she became Mistress Scarlett. Working at LA's longest-running dungeon, she catered to the secret fetishes of clients ranging from accountants to movie stars. She simultaneously developed a career in the complex and male-

dominated world of healthcare construction, while spending her nights as a sex worker, dominating men. Far from the standard-issue powerful men who pay to be helpless, Mistress Scarlett's clientele included men whose fantasies revealed more complex needs, from "Tickle Ed" to "Doggie Dan," from the "Treasure Trolls" to "Ta-Da Ted." The Letters explores the

spectacularly diverse array of human sexuality and the fascinating cast of characters that the author encountered along the way. *Dark Citadel* The Dom's Dungeon With the purchase of this book comes another 31 FREE Books! Though she was unsure of the BDSM world when she met Beau, he was

everything a Dom could be, and Isla felt instant chemistry with him. Through their sessions they connected intimately, emotionally, and physically. Isla was already rather humble and agreeable but she wanted to know what life would be like to completely submit to a strong man. Beau did just that but the problem she never expected to have was falling in love with him. Being a Dom

is a professional business for Beau and he had trained many women of society to be his slave. He was one of eight male Dom's working for the Dungeon, a local BDSM club that his brother Maverick ran. The moment Beau saw Isla he knew he had to have her. She was easy enough to train but Isla's nature was indeed a dominant one. Though younger Isla had him from their first session. The

level of intimacy they shared was something he had never done with any of his clients. Beau wants Isla but because of her age will not allow himself to chase after her outside of his role as her Master. Will he let her make the move or risk losing her for fear of rejection? - End of Book Synopsis - Now please don't expect some table-thumping blockbuster that will end up unread and gathering dust on your virtual

Dakota needs help. Badly. The last thing she expects is for the Bad Boy of Eternal Eros to step

in, sweep her off her feet, and offer his protection. Maybe she accepts because they were matched up at the last singles night. Maybe it was the scorching passion she experienced at his skilled hands. Maybe it's the way he dotes on her daughter. All she knows is that the more the lines between reality and fantasy blur, the harder it will be to let him go. The more time he spends posing as her fake fiancé, the

more she realizes she's no longer faking her feelings. With every touch, every kiss, every heated glance, she realizes she wants more than one night. She wants the scarred bad boy's heart to be hers for all time.
