 Teaching Australian

Literature  
 From Classroom Conversations to National Imaginings

This volume brings together teachers, teacher educators, creative writers and literary scholars in a joint inquiry that takes a fresh look at what it means to teach Australian literature. The essays assembled in this volume transcend the divisions that have sometimes marred debates about the place of Australian literature in the school curriculum.

### **Annual Report - American School of Classical Studies at Athens**

Contains three trial examination papers with solutions. These are similar in style to the WACE PHYSICS Unit 3 + 4 examination used in Western Australia.
