Torpedoed, a true
account of the attack
and sinking of the
passenger ship SS City
of Benares, which was
evacuating children
from England during
WWII. Amid the
constant rain of
German bombs and the

escalating violence of World War II, British parents by the thousands chose to send their children out of the country: the wealthy, independently; the poor, through a government relocation program called CORB. In September 1940, passenger liner SS City of Benares set sail for Canada with one hundred children on board. When the war ships escorting the Benares departed, a German submarine torpedoed what became known as the Children's Ship. Out of tragedy, ordinary people became heroes. This is their story. This title has Common Core connections.

CRACKER IS ONE OF THE UNITED STATES ARMY'S MOST VALUABLE WEAPONS: a German shepherd trained to sniff out bombs, traps, and the enemy. The fate of entire platoons rests on her keen sense of smell. She's a Big Deal, and she likes it that way. Sometimes Cracker remembers when she was younger, and her previous owner

would feed her hot dogs and let her sleep in his bed. That was nice, too. Rick Hanski is headed to Vietnam. There, he's going to whip the world and prove to his family and his sergeant -- and everyone else who didn't think he was cut out for war -- wrong. But sometimes Rick can't help but wonder that maybe everyone else is right. Maybe he should have just stayed at home and worked in his dad's hardware store. When Cracker is paired with Rick, she isn't so sure about this new owner. He's going to have to prove himself to her before she's going to prove herself to him. They need to be friends before they can be a team, and they have to be a team if they want to get home

alive. Told in part through the uncanny point of view of a German shepherd, Cracker! is an action-packed glimpse into the Vietnam War as seen through the eyes of a dog and her handler. It's an utterly unique powerhouse of a book by the Newbery Medal-winning author of Kira-Kira.

Here is the inspiring story behind the Veterans Day red poppy, a symbol that honors the service and sacrifices of our veterans. When American soldiers entered World War I, Moina Belle Michael, a schoolteacher from Georgia, knew she had to act. Some of the

soldiers were her students and friends. Almost single-handedly, Moina worked to establish the red poppy as the symbol to honor and remember soldiers. And she devoted the rest of her life to making sure the symbol would last forever. Thanks to her hard work, that symbol remains strong today. Author Barbara Elizabeth Walsh and artist Layne Johnson worked with experts, primary documents, and Moina's great-nieces to better understand Moina's determination to honor the war veterans. A portion of the book's proceeds will support the National Military Family Association's Operation Purple®, which benefits children of the U.S. military.

Led by twenty-five-year-old Grace Banker, thirty-two telephone operators -- affectionately called "Hello Girls" back in the US -- became the

first female combatants in World War I. Follow Grace Banker's journey from her busy life as a telephone switchboard trainer in New York to her pioneering role as the Chief Operator of the 1st Unit of World War I telephone operators in the battlefields of France. With expert skill, steady nerves, and steadfast loyalty, the Signal Corps operators transferred orders from commanders to battlefields and communicated top-secret messages between American and French headquarters. After faithfully serving her country--undaunted by freezing weather and fires; long hours and little sleep, and nearby shellings and far off explosions--Grace was the first and

only woman operator in the Signal Corps to be awarded the Army's Distinguished Service Medal.

HOLIDAYS & HEROES brings to life the people whose holidays we celebrate. Enriched with colorful illustrations, photographs, and other historical images, this series will engage and involve children in the stories behind our holidays and the people they honor. On the last Monday of May, when spring flowers are in bloom and summer is just around the corner, we pause to remember all the people in our Armed Forces who died while protecting our country, our freedoms, and us.

Much has been written about war and remembrance, but very

little of it has been for young children. As questions come from a young grandchild, his grandpa talks about how, as a very young man, he was as proud as a peacock in uniform, busy as a beaver on his Atlantic crossing, and brave as a lion charging into battle. Soon, the old man's room is filled with an imaginary menagerie as the child thinks about different aspects of wartime. But as he pins medals on his grandpa's blazer and receives his own red poppy in return, the mood becomes more somber. Outside, the crowd gathered for the veterans' parade grows as quiet as a mouse, while men and women — old and young — march past in the rain. A trumpet plays and Grandpa lays

a wreath in memory of his lost friend. Just then, the child imagines an elephant in the mist. "Elephants never forget," he whispers to his grandpa. "Then let's be elephants," says the old man, as he wipes water from his eyes and takes his grandson's hand.

Proud as a Peacock,
Brave as a Lion has relevance to a growing number of families, as new waves of soldiers leave home.

Why Do We Celebrate Memorial Day? Uniform

When I looked up, I shivered. How many stars were in the sky? A million? A billion? Maybe the number was as big as infinity. I started to feel very, very small. How could I even think about something as big as infinity? Uma can't help

feeling small when she peers up at the night sky. She begins to wonder about infinity. Is infinity a number that grows forever? Is it an endless racetrack? Could infinity be in an ice cream cone? Uma soon finds that the ways to think about this big idea may just be . . . infinite.

On New Year's Day
2013, two-time Pulitzer

Prize winner Gene Weingarten asked three strangers to, literally, pluck a day, month, and year from a hat. That day—chosen completely at random—turned out to be Sunday, December 28, 1986, by any conventional measure a most ordinary day. Weingarten spent the next six years proving that there is no such thing. That Sunday between Christmas and New Year's turned out to be filled with comedy, tragedy, implausible irony, cosmic comeuppances, kindness, cruelty, heroism, cowardice, genius, idiocy, prejudice, selflessness, coincidence, and startling moments of human connection, along with evocative foreshadowing of

momentous events yet to come. Lives were lost. Lives were saved. Lives were altered in overwhelming ways. Many of these events never made it into the news; they were private dramas in the lives of private people. They were utterly compelling. One Day asks and answers the question of whether there is even such a thing as “ordinary” when we are talking about how we all lurch and stumble our way through the daily, daunting challenge of being human.

Amid the horrors of World War II, Irena Sendler was an unlikely and unsung hero.

While many people lived in fear of the Nazis, Irena defied them, even though it could have meant her life. She kept records of the children she helped smuggle away from the Nazis' grasp, and when she feared her work might be discovered, she buried her lists in jars, hoping to someday recover them and reunite children with their parents. This gripping true story of a woman who took it upon herself to help save 2,500 children from the

Warsaw Ghetto during the Holocaust is not only inspirational; it's unforgettable.

It's 1942. Thirteen-year-old Korinna Rehme is an active member of her local Jungmadel, a Nazi youth group, along with many of her friends. She believes that Hitler is helping Germany by instituting a program to deal with what he calls the "Jewish problem," a program that she witnesses as her Jewish neighbors are attacked and taken from their homes. Korinna's parents, however, are members of a secret underground group providing a means of escape to the Jews of their city. Korinna is shocked to discover that they are hiding a

refugee family behind the wall of her bedroom. But as she comes to know the family, her sympathies begin to turn. When someone tips off the Gestapo, loyalties are put to the test and Korinna must decide what she really believes and whom she really trusts. Filled with adventure, Behind the Bedroom Wall helps readers understand the forces that drove so many to turn on their neighbors and the courage that allowed some to resist.

With every step, the Tomb Guards pay homage to America's fallen. Discover their story, and that of the unknown soldiers they honor, through resonant words and illustrations. Keeping vigil at the Tomb of the Unknown Soldier, in Arlington National Cemetery, are the sentinel guards, whose every step, every turn, honors and remembers

America's fallen. They protect fellow soldiers who have paid the ultimate sacrifice, making sure they are never alone. To stand there—with absolute precision, in every type of weather, at every moment of the day, one in a line uninterrupted since midnight July 2, 1937—is the ultimate privilege and the most difficult post to earn in the army. Everything these men and women do is in service to the Unknowns. Their standard is perfection. Exactly how the unnamed men came to be entombed at Arlington, and exactly how their fellow soldiers have come to keep vigil over them, is a sobering and powerful tale, told by Jeff Gottesfeld and luminously illustrated

by Matt Tavares—a tale that honors the soldiers who honor the fallen.

Poppyganda Walker Childrens Because of You Old Glory Flies is a collection of heartfelt poems and illustrations to say thank you to all who have served, or currently serve in the United States military. In creating this book, Julie Dueker and Ray “Bubba” Sorensen II, a.k.a. The Freedom Rock Painter, have combined their unique talents and passions for God and country to show America's heroes we are forever in their debt. They pray this book touches the hearts and lives of those who open it and share it. “I’m impressed with Julie’s work to capture the essence of hero. There

are heroes all around us and some we would never know served in our nation's military to defend the rights and privileges that we hold dear. We can never repay them enough for all that they and their families have given to the rest of us. Many are in cemeteries across our land and overseas. Some didn't

return at all. Others live quietly in our communities continuing to give of themselves for the good of others. America's greatness lies on the backs of our veterans and those who serve today. They have fought and died for us. I believe Julie's works depict that very well." -Colonel Robert C. King (Ret)
