Advanced Grammar in Use With CD ROM Cambridge University Press

The Advanced Grammar Book, 2/E is intended for the high level ESL student who has a solid foundation in the fundamentals of English grammar. This text provides the student with a sophisticated analysis of the grammatical structures of English and ample opportunity to practice using them, with the objective of increasing the student's competence in both conversational and written English. The text is designed for both pre-university and nonacademic students and includes a variety of exercises to develop oral and written competence, allowing the instructor to select those exercises that best suit the needs of the particular class.

ESL Intermediate/Advanced Grammar Cambridge University Press

The world's best-selling grammar series for learners of English. To accompany Essential Grammar in Use Fourth edition, Essential Grammar in Use Supplementary Exercises provides elementary-level learners with extra practice of the grammar covered in the main book. The easy-to-follow exercises and full answer key make this supplementary book ideal for independent study. Extra activities for Essential Grammar in Use are also available as a mobile app for smartphones and tablet devices, available to purchase separately from the App Store (iOS) and Google Play (Android). *Advanced Grammar In Use With Cd (South Asian Edition)2/Ed* Ernst Klett Sprachen

Advanced Grammar in Use with Answers (South Asian Edition) Cambridge University Press

Advanced English in a Nutshell is a short, detail free book that sheds light on the highlights and major grammatical points in a clear and effective manner. Getting lost in the endless variations of grammatical rules can be extremely distracting and most of the time disappointing. For this purpose, the book is not designed to dig deep into the limitless details of grammatical rules rather it is a kind of a review to the most necessary forms and structures that students need to use in academic tests in order to get high scores. In all tests candidates' performance is assessed according to the type of grammatical structures they are using while they are speaking or writing. The candidate who sticks to present simple and continuous forms, for instance, is not expected to get a high score in terms of structure because of the use of simple grammatical forms. Thus, it does make sense for candidates to use a variety of complex and simple structures to give the impression that they have a good mastery and command of the language. *English Grammar in Use: a Self-study Reference and Practice Book for Intermediate Learners of English: with Answers* Research & Education Assoc. Grammar in Use is the world's best-selling grammar series for learners of English. This third edition, without answers, is perfect for reinforcement work in the classroom.
