Five Days In May Bantam

A "gripping [and] splendidly readable" portrait of the battle within the British War Cabinet—and Churchill's eventual victory—as Hitler's shadow loomed (The Boston Globe). From May 24 to May 28, 1940, members of Britain's War Cabinet debated whether to negotiate with Hitler or to continue what became known as the Second World War. In this magisterial work, John Lukacs takes us hour by hour into the critical events at 10 Downing Street, where Winston Churchill and his cabinet painfully considered their responsibilities. With the unfolding of the disaster at Dunkirk, and Churchill being in office for just two weeks and treated with derision by many, he did not have an easy time making his case—but the people of

Britain were increasingly on his side, and he would prevail. This compelling narrative, a Washington Post bestseller, is the first to convey the drama and world-changing importance of those days. "[A] fascinating work of historical reconstruction."—The Wall Street Journal "Eminent historian Lukacs delivers the crown jewel to his long and distinguished career."—Publishers Weekly (starred review) "A must for every World War II buff."—Cleveland Plain Dealer "Superb...can be compared to such classics as Hugh Trevor-Roper's *The Last Days of Hitler* and Barbara Tuchman's *The Guns of August*."—Harper's Magazine On Chapel Sands PublicAffairs Unsure. That's how I'm feeling about my entire life. Just when everything's good and I have it all under control, my girl Chelsea decides she's going to leave me for the summer. Despite my disappointment, I have to support her. It's

what she wants, an opportunity she can't say no to and no way will I be the one to stop her. I love her too much to hold her back. Opportunities are happening for me too, though. A big one that my brother-in-law Drew says I can't pass up. I'm working extra hard. So is Chelsea. It's like we don't have any time to get together. We keep making the same promise—only five more days until we see each other again. But we keep breaking that promise. Is our relationship strong enough to survive all of these changes?

Cathy Jackson

"The New York Times bestselling authors of *Mrs. Kennedy and Me* share the stories behind the five infamous, tragic days surrounding JFK's assassination--alongside revealing and iconic photographs--published in remembrance of the beloved president on the fiftieth anniversary of his death. Clint Hill will forever be remembered as the lone secret service

agent who jumped onto the car after President Kennedy was shot, clinging to its sides as it sped toward the hospital. Even now, decades after JFK's presidency, the public continues to be fascinated with the Kennedys--America's royal family. To mark the fiftieth anniversary of President John F. Kennedy's assassination, Hill recounts his indelible memories of those five days leading up to, and after, that tragic day in November 1963. Hill, as Jackie's guard, experienced those days firsthand. Alongside the famous photos everyone is familiar with, Hill provides a moment-to-moment narration evoking the feelings and emotions behind the images--clearing up the persistent conspiracy misconceptions along the way. He also shows us the little-seen photos of Jackie both before and after the terrible event, describing the poignant moments they shared, during that pivotal moment in history. Told movingly by a man who still wishes he could undo it all, *Five Days in November* is a rare and deeply personal look at the assassination that affected the entire world and changed the United States forever"--

Most Americans believe that the Second World War ended because the two atomic bombs dropped on Japan forced it to surrender. *Five Days in August* boldly presents a different interpretation: that the military did not clearly understand the atomic bomb's revolutionary strategic potential, that the Allies were almost as stunned by the surrender as the Japanese were by the attack, and that not only had experts planned and fully anticipated the need for a third bomb, they were skeptical about whether the atomic bomb would work at all. With these ideas, Michael Gordin reorients the historical and contemporary conversation about the A-bomb and World War II. *Five Days in August* explores these and countless other legacies of the atomic bomb in a glaring new light. Daring and iconoclastic, it will result in far-reaching discussions about the significance of the A-bomb, about World War II, and about the moral issues they have spawned.

[Five Days in November](#) One World Deals with research and scholarship in economic theory. Presents analytical, interpretive, and empirical studies in the areas of monetary theory, fiscal policy, labor economics, planning and development, micro- and macroeconomic theory, international trade and finance, and industrial organization. Also covers interdisciplinary fields such as history of economic thought and social economics.

There comes a point in life when you come to a crossroad between Gods will for you, as you know it, and current circumstances youre faced with. Making the right choices in the right timing can often be intimidating and unclear. Many times in each of our lives, we have secret strugglesthings we cannot share with others or even things we really dont know that exist deep within our spirits. Ultimately, we end up in a struggle between our Spirit and our flesh where our relationship with God and our assignment for the kingdom often hangs in the balance. Its time to break those strongholds and shift gears toward Gods plans for you. You are more than a conqueror through Christ Jesus! Christ won the victory at the cross, and he ever intercedes for your victorious triumph through lifes processes to lay hold on the promise. The road to divine destiny, though, can be laden with seemingly insurmountable difficulties that you feel you cant overcome. But take courage and know that there is no significant gain without pain. Get ready to catapult your spiritual life into maturity and abounding growth through these pages of inspirational counsel. Let this guide challenge you to reflect on your personal experiences and discover how to break through vicious cycles in your life. Stop walking in circles and get on the path to accomplishing your purpose. Give God the chance to lead you through *Thirty-Five Days to Breakthrough!* *Thirty-Five Days to Breakthrough* is a devotional filled with inspirational messages and prayers to give you the tools you need to break through those stubborn circumstances in your life. Whatever your struggle, these daily devotionals challenge you to let go of defeat and frustration and grab hold of Gods perfection and total restoration for your life. Let this be a map on your journey into the depths of your spirit, vowing to overcome everything that has held you hostage. Shatter the glass walls in your life and walk into your destiny. Dont put yourself or destiny on the back burner any longer. Instead, gain the tools necessary to shift your life into its place called destiny! Every day of this book, you are challenged, reproved, and encouraged to search deep within your soul and consult your Father in heaven about your life and your current situation. Comprised of thirty-five devotionals, prayers, and a daily reflections journal, youre sure to consider new ideas, new thoughts and develop a positive and optimistic attitude about where youve been, where you are,

and where youre going!

A Novel Princeton University Press

The harrowing true story of a high-school senior, her parents, her secret online relationship with a handsome, manipulative stranger, and her well-laid plan to leave home and country to marry a man in Kosovo she thought she loved. The Baldwins were a strong, tight-knit family living in Texas. When their seventeen-year-old daughter, Mackenzie, met Aadam in an online chat room, she fell for his good looks, his charm, and his respectful conversation. He lived in Kosovo, and they began talking regularly. The more attached Mackenzie became to Aadam, the more detached she became from her family. Mackenzie's parents, John and Stephanie Baldwin, had no clue there was a man behind their daughter's sudden change in personality, her surprising interest in Islam, and her withdrawal from friends and family. When Mackenzie's attachment to Aadam increased and they became "engaged," Mackenzie started making plans to fly secretly to Kosovo and marry Aadam. But twenty-five days before Mackenzie was scheduled to leave the country, three friends in whom Mackenzie had confided told Mackenzie's father. Through the help of their pastor, John Baldwin contacted the FBI and asked for help. The FBI did not believe Aadam was involved with ISIS or that he was trying to radicalize her, but they were concerned about Aadam's intentions, as that part of Kosovo was known for sex-trafficking and money scams. With just 72 hours left before Mackenzie's planned departure, three FBI agents confronted her and urged her to stay. Told from the viewpoint of both father and daughter, *Almost Gone* allows us to walk with this family through Mackenzie's network of lies and deceit and John and Stephanie's escalating bewilderment and alarm. More than a cautionary tale, this is the story of unconditional parental love and unwavering faith, and how God helped a family save their daughter from a relationship that jeopardized not only her happiness, but also her safety.

How World War II Became a Nuclear War Dell

Five Days in October is the story of thirteen-year-old Abigail Morgan, who has finally reached the point in her life where she will no longer tolerate her father's sexual abuse. Her decision to leave home results in a journey fraught with unexpected twists and turns, most of which result from her father's power and influence as the county's circuit court judge. Judge Jonathan Morgan, a third-generation politician, has high political

aspirations and wants Abi back home in his control before this becomes public knowledge and ruins his political future. Abi's mother, Rebecca, has been a lush for years. Shaken from her alcoholic doldrums by Abi's revelation, Rebecca embarks on her own journey in an attempt to become the mother Abi needs. Abi and her mother travel their journeys simultaneously in hopes of being reunited and for the justice that always seems to elude them. Judson B. Emens was born and raised in Tusculum, Alabama. He graduated from the University of North Alabama in 1971, majoring in History and Sociology. Shortly thereafter, Judson began his career at the Alabama Department of Human Resources where he spent the next thirty-three years. For twenty-nine of those years, he was the Child Welfare Supervisor, concentrating his efforts in the areas of Child Abuse/Neglect, Foster Care, Protective Services and Adoption. Throughout his life, Judson has seen, firsthand, how tough life can be for a child growing up in a dysfunctional family. In *Five Days in October*, his first novel, Judson has relied on his personal experience to create this fascinating and overwhelming story. This novel quickly captures the reader in a compelling drama of a teenaged girl trapped in a web of political ambition, power, corruption and abuse.

Five Days Yale University Press

Is being famous the key to living the life of your (tween) dreams? Find out in this modern-day fairy tale from #1 New York Times bestselling author Alyson Noël! Seventh-grade girls like guys who are cool. And Nick Dashaway . . . is not cool. When Nick makes a wish after the epic disaster that was the Greentree Middle School Talent Show, he doesn't actually think it's going to come true. But it does. Soon he has a whole new life—he's rich, he's popular, and girls laugh at all his jokes. He's famous. But when he begins to miss parts of his old life, is it too late to get it back? *** "A Hollywood blockbuster waiting to happen."—Booklist "Perfect for readers wondering what their dream life would be like."—SLJ

Five Days Left Onyx Books

The proof is in the testimonials that have arrived by the thousands: "This is a really great book. It's simple. It's straightforward. We read it. We ran our ad. We got over 100 telephone calls. We sold our home."—John Henke, Boise, ID. "Our real estate broker was green with envy. In 5 days we got 24 bids higher than the highest bid she got us in 11 1/2 years. You're our hero!"—Elizabeth & Tim Hunter, South Berwick, ME. "I had a business

opportunity I couldn't take advantage of unless I sold my home immediately. I saw your book in a bookstore and sold my home the next weekend. Thanks!"—Doug Walker, Salt Lake City, UT. "Thanks to your system I sold my home in 5 days at \$1.26 million. You saved me \$78,000 in real estate commission!"—V., Potomac, MD. Now in its third edition and timed perfectly to address a challenging real estate market, *How to Sell Your Home in 5 Days* turns the conventional on its head to present an innovative, practical, and foolproof alternative that makes the market work for you, the seller. Based on the one basic truth of free enterprise—that your home is worth exactly what the highest bidder will pay for it—this step-by-step plan shows exactly how to price your home attractively; make a timetable; write an effective ad; use buyer psychology, price points, and magic numbers to get the best price; and conduct round-robin bidding. It includes new information on the Internet—including a supporting website, www.5-day.com—the most recent testimonials, and updates to every phase of the process, from whether or not to renovate a kitchen before selling to the ins and outs of transferring ownership. Homes sold through the five-day plan sell for an average of 5% more than through conventional sales, plus, the seller doesn't have to pay a broker's fee—making this book among the best deals of the century.

MacDonald Family Trilogy

Monica Murphy returns with her most beloved characters, Drew and Fable, in this eBook original 40,000-word novella that brings her bestselling series full circle. Fantasy. How I ended up with NFL player Drew Callahan, the guy every woman wants, is beyond my wildest dreams. All I know is that once he chose me as his one and only, I sure wasn't looking back. I had past wounds and he showed patience and concern—even taking responsibility for my messed-up kid brother. Now, once again, he's found a way to blow my mind: an exotic wedding and honeymoon miles and miles away from home. What else could a girl ever ask for? Reality. Now the honeymoon's over. Drew's football schedule takes him on the road constantly, while I need to stay put and look after my brother until he finishes high school—because God knows our sorry excuse for a mother won't. I know Drew

loves me with all his heart, and I'll always be over the moon about him. This just isn't how I imagined our life as newlyweds . . . dealing with the distance, missing him all the time. But we've gone through hard times before. We can get through this, too, right? We're Drew and Fable, together forever. At least I hope so. . . . Praise for Monica Murphy's *One Week Girlfriend* "A sweet and sexy read with a dash of angst. It will hook you from page one!"—Under the Covers "The author had me hooked within the opening pages. What a great debut novel by Monica Murphy! . . . All I have to say is pick up the book and be prepared for the roller coaster you are about to get on. . . . You will not want to miss this book and this author."—Shh Moms Reading "A deep and thought provoking story . . . Be on the lookout for Monica Murphy because I'm sure you'll be hearing more great things from her!"—Mostly YA Book Obsessed "An amazing read! . . . [I] can't wait to continue the emotional journey of Drew and Fable."—A Bookish Escape Crown Publishing Group (NY) From the critically lauded, internationally bestselling author of *The Moment* comes a profoundly moving novel that explores how a single brief encounter can change one's life. Laura spends her days looking at other people's potential calamities. She works in the radiography unit of a small hospital on the Maine coast, bearing constant witness to the fears of patient after frightened patient. In a job where finding nothing is always the best possible outcome, she is well versed in the random injustices of life, a truism that has lately been playing out in her marriage as well. Since being downsized, her husband, Dan, has become withdrawn, his emotional distance gradually corroding their relationship. With a son in college and a daughter soon due to leave home, Laura has begun to fear that the marital sounds of silence will only deepen once the nest is truly empty. When an opportunity arises to attend a weekend medical conference in Boston, Laura jumps at this respite from home. While checking in, she meets a man as gray and uninspired as her drab hotel room. Richard is an outwardly dull, fiftysomething insurance salesman. But during a chance second encounter, Laura discovers him to be surprisingly complex and thoughtful, someone who, like herself, is grappling with the same big questions about decisions made and the human capacity for self-entrapment. As their conversation deepens and begins to veer into shared confessions, the overwhelming sense of personal and intimate connection arises. A transformative love affair begins.

But can this potential, much-longed-for happiness be married to their own difficult personal circumstances? Can they upend their lives and embrace that most loaded of words: change? A love story as clear-sighted and ruminative as it is affecting, *Five Days* will have you reflecting about the choices we all make that shape our destinies. Crafted with Kennedy's trademark evocative prose and pitch-perfect in its depiction of the complex realities of modern life, it is a novel that speaks directly to the many contradictions of the human heart.

"An illuminating portrait of Baltimore in the aftermath of the April 2015 death of Freddie Gray . . . Readers will be enthralled by this propulsive account."—Publishers Weekly
LONGLISTED FOR THE PORCHLIGHT BUSINESS BOOK AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL
From the New York Times bestselling author of *The Other Wes Moore*, a kaleidoscopic account of five days in the life of a city on the edge, told through eight characters on the front lines of the uprising that overtook Baltimore and riveted the world. When Freddie Gray was arrested for possessing an "illegal knife" in April 2015, he was, by eyewitness accounts that video evidence later confirmed, treated "roughly" as police loaded him into a vehicle. By the end of his trip in the police van, Gray was in a coma from which he would never recover. In the wake of a long history of police abuse in Baltimore, this killing felt like the final straw—it led to a week of protests, then five days described alternately as a riot or an uprising that set the entire city on edge and caught the nation's attention. Wes Moore is a Rhodes Scholar, bestselling author, decorated combat veteran, former White House fellow, and CEO of Robin Hood, one of the largest anti-poverty nonprofits in the nation. While attending Gray's funeral, he saw every stratum of the city come together: grieving mothers, members of the city's wealthy elite, activists, and the long-suffering citizens of Baltimore—all looking to comfort one another, but also looking for answers. He knew that when they left the church, these factions would spread out to their own corners, but that the answers they were all looking for could be

found only in the city as a whole. Moore—along with journalist Erica Green—tells the story of the Baltimore uprising both through his own observations and through the eyes of other Baltimoreans: Partee, a conflicted black captain of the Baltimore Police Department; Jenny, a young white public defender who's drawn into the violent center of the uprising herself; Tawanda, a young black woman who'd spent a lonely year protesting the killing of her own brother by police; and John Angelos, scion of the city's most powerful family and executive vice president of the Baltimore Orioles, who had to make choices of conscience he'd never before confronted. Each shifting point of view contributes to an engrossing, cacophonous account of one of the most consequential moments in our recent history, which is also an essential *cri de coeur* about the deeper causes of the violence and the small seeds of hope planted in its aftermath.

Five Days in Summer New Line Publishing
NOMINATED FOR THE 2019 NATIONAL BOOK CRITICS CIRCLE AWARD FOR AUTOBIOGRAPHY ONE OF NPR'S BEST BOOKS OF THE YEAR SHORTLISTED FOR THE BAILLIE GIFFORD PRIZE FOR NONFICTION SHORTLISTED FOR THE RATHBONES FOLIO PRIZE LONGLISTED FOR THE RSL ONDAATJE PRIZE
The acclaimed New York Times bestselling author of *The Vanishing Velazquez* shares a riveting true story "with as many twists and turns as any mystery" (Los Angeles Times) describing her mother's mysterious kidnapping as a toddler in a small English coastal village—"an incredible and incredibly unusual book about family secrets" (Nick Hornby, *The Believer*). In the fall of 1929, when Laura Cumming's mother was three years old, she was kidnapped from a beach on the Lincolnshire coast of England. There were no screams when she was taken, suggesting the culprit was someone familiar to her, and when she turned up again in a nearby village several days later, she was happy and in perfect health. No one was ever accused of a crime. The incident quickly faded from her memory, and her parents never discussed it. To the contrary, they deliberately hid it from her, and she did not learn of it for half a century. This was not the only secret her parents kept from her. For many years, while raising her in draconian isolation and protectiveness, they also hid the fact that she'd been adopted, and that shortly after the kidnapping, her name was changed from Grace to Betty. "Both page-turning and richly absorbing" (The Providence

Journal), *On Chapel Sands* (originally titled *Five Days Gone*) unspools the tale of Cumming's mother's life and unravels the multiple mysteries at its core. Using photographs from the time, historical documents, and works of art, Cumming investigates this case of stolen identity with the toolset of a detective and the unique intimacy of a daughter trying to understand her family's past and its legacies. "Brilliant" (The Guardian) and "a story told with such depth of feeling and observation and such lyrical writing I couldn't put it down" (Anna Quindlen), *On Chapel Sands* is a masterful blend of memoir and history, an extraordinary personal narrative unlike any other.
5 Days to A New Marriage Blue Table Books

It was supposed to be a fling. After events beyond her control upend the course of Amber's career, she decides never to return to the band she helped found, *Not My Best Day*. She's done with the rock-star life, the highs of performing weighed down by the lows of grueling schedules, endless travel, and the uncomfortable intimacy of living two feet from everyone else on the bus. But when her replacement has to bail a week before the new tour starts, the band asks her to fill in temporarily. What else can she do? They're still family. Rob, as the other new member in their revamped lineup, is doing his best to fit in. His time with *Not My Best Day* has been defined as much by Amber's absence as his presence. When she returns in their time of need, he sees what the others don't—how much it's costing her to save them from disaster. When his supportiveness becomes attraction, and mutual attraction becomes a fling, Rob faces decisions he never expected. He may doubt their secret affair is good for the band, or even for himself, but he's certain it's what's best for her. But what becomes of them when the tour is over? Can they really go their separate ways like nothing ever happened?

[The Mystery of My Mother's Disappearance as a Child](#) Workman Publishing
"A beautifully drawn study of what is at risk when you lose control of your own life. Unique, gripping, and viscerally moving—this impressive debut novel heralds the arrival of an extremely talented writer." —Jodi Picoult, New York Times bestselling author of *Leaving Time*
Destined to be a book club favorite, a heart-wrenching debut about two people who must decide how much they're willing to sacrifice for love. Mara Nichols is a successful lawyer, devoted wife, and adoptive mother who has received a life-

shattering diagnosis. Scott Coffman, a middle school teacher, has been fostering an eight-year-old boy while the boy's mother serves a jail sentence. Scott and Mara both have five days left until they must say good-bye to the ones they love the most. Through their stories, Julie Lawson Timmer explores the individual limits of human endurance and the power of relationships, and shows that sometimes loving someone means holding on, and sometimes it means letting go.

Proceedings and Debates of the Constitutional Convention of the State of New York, Held in 1867 and 1868 in the City of Albany Dog Ear Publishing

The last several years had been tough for Serenity Rankin. She knew marrying Jack was going to be difficult. She was black, and a Democrat; Jack was white, rich and a Republican, working for the most powerful Senator on the Hill. They were in love. Then Jack deserted her, leaving her to care for their autistic son, Charlie, who was no ordinary child. Determined to save her marriage and get help for Charlie, Serenity sets out to find Sophia, the mysterious healer of a subculture group, Unity for Oneness (UFO), who she believes is her only salvation. Little did Serenity know that she was being caught up in the biggest chess game of life.

Five Days of Famous Xlibris Corporation Tavora Kar has finally moved forward in her life. The brief time she has spent with Luke R'phael has reawakened her longing for companionship. She is surrounded by friends and a church who love her as family, yet her heart still belongs to only one man. Luke R'phael has spent the last year grieving for his wife. He has sought the company of others to ease his longing and has found it wanting. He returns to Tavora seeking the comfort he once gave her, determined to make her his. Passion flames as two lost souls find each other, but will their love survive past the next five days? Will their differences fuel their desire or drive them apart forever?
