MARLEY MCDANIEL

Salt Boy National Geographic Books

With U.S. intelligence agencies wracked by internal power struggles and paralyzed by bureaucracy, the president has been forced to establish his own clandestine group--Covert-One. It's activated only as a last resort, when the threat is on a global scale and time is running out.The Utopia Experiment When Dresner Industries unveils the Merge, a device that is destined to revolutionize the world and make the personal computer and smartphone obsolete, Covert-One operative Colonel Jon Smith is assigned to assess its military potential. He discovers that enhanced vision, real-time battlefield displays, unbreakable security, and near-perfect marksmanship are only the beginning of a technology that will change the face of warfare forever--and one that must be kept out of the hands of America's enemies at all costs. Meanwhile, in the mountains of Afghanistan, CIA operative Randi Russell encounters an entire village of murdered Afghans--all equipped with enhanced Merge technology that even the Agency didn't know existed. As Smith and Russell delve into the circumstances surrounding the Afghans' deaths, they're quickly blocked by someone who seems to have access to the highest levels of the military--a person that even the president knows nothing about. Is the Merge really as secure as its creator claims? And what secrets about its development is the Pentagon so desperate to hide? Smith and Russell are determined to learn the truth. But they may pay for it with their lives . . .

The Cozy Life Weiser Books

Here is the revealing underground classic, a work that stands beside the "Seth" books as a delightful and invaluable guide to our inner spirit and our outer world. Emmanuel speaks to us through Pat Rodegast and shares his wisdom and insights on all aspects of life. Beautifully written and illustrated, Emmanuel's Book I is to be treasured, enjoyed and passed on to a friend. Emmanuel says: "The gifts I wish to give you are my deepest love, the safety of truth, the wisdom of the universe and the reality of God The issue of whether there is a Greater Reality or not, for me at least, has been settled. I know that there is. So I will speak to you from the knowing that I possess." Ram Dass, in the introduction, says: "Being with Emmanuel one comes to appreciate the vast evolutionary context in which our lives are being lived . . . And at each moment we are at just the right place in the journey. As Emmanuel points out, 'Who you are is a necessary step to being who you will be.'"

Packed with recipes, detox plans, routines and remedies, Ayurveda Detox will help you cleanse your body of toxins and restore you to your natural state of health and happiness. The ancient principles of Ayurveda, or the 'Science of Life', are rooted in the idea that everything is interconnected: we cannot separate our body from our mind, and we cannot separate ourselves from the world we live in. The concepts of interconnectedness and balance underpin all Ayurvedic thinking. According to Ayurveda, our natural state is one of health, happiness and an inner sense of wellbeing. 'Health' is defined as the body being clear of toxins, the mind at peace, our emotions balanced, our wastes eliminated and our organs functioning normally. Imbalances cause ill-health and make us more susceptible to disease. Maintaining health and preventing disease while coping with the hectic, often toxic world we live in is challenging, but by following the natural cycles and rhythms of the seasons and our own bodies, we can find balance and optimize our wellbeing. Detoxing - essentially removing excess waste - is one of the most important ways we can attain balance and the comfort and wellbeing that go with it. In this book you will learn how to understand your own constitution and use the daily and seasonal cycles of nature to discard waste and toxic build up. You will discover how to boost your own ability to self-regulate based on your specific body type, or in Sanskrit, 'dosha'. With easy-to-follow instructions to help you detox safely

at home, Ayurveda Detox is a comprehensive guide filled with plans, routines, recipes and home remedies, to help you achieve your natural state of health and happiness.

This companion volume to *Care of the Soul* offers more of Thomas Moore's inspiring wisdom and empathy as it expands on his ideas about life, love, and the mysteries of human relationships. In *Care of the Soul*, Thomas Moore explored the importance of nurturing the soul and struck a chord nationwide—the book became a long-standing bestseller, topping charts across the country. Building on that book's wisdom, *Soul Mates* explores how relationships of all kinds enhance our lives and fulfill the needs of our souls. Moore emphasizes the difficulties that inevitably accompany many relationships and focuses on the need to work through these differences in order to experience the deep reward that comes with intimacy and unconfined love.

Santa Muerte is a complete ritual guide to working with this famous and beloved Mexican folk saint. Death welcomes everyone. This is the foundation for the veneration of *Santa Muerte*, or "Holy Death." Considered to be the female personification of death, she is associated with protection and safe passage to the afterlife. She is also the patron saint of people who live on the fringes of society and often face violence and death. In recent years her constituency has expanded to include the LGBT community and people who are marginalized or whose jobs put them at significant risk of death such as military and police personnel. *Santa Muerte* is hailed as their potent and powerful protector, capable of delivering them from harm and even granting miracles. *Santa Muerte* is a complete ritual guide to working with this famous--and infamous!--Mexican folk saint. It takes us beyond the sensational headlines to reveal the truth about why *Santa Muerte* is so beloved by so many. Author Tracey Rollin presents simple, straightforward methods for working with Holy Death that may be used alone or easily incorporated into your own magical practice.

"Time is a thief and history a lie," says young Dr. Tessa Leonard, historian and survivor of the brutal Nazi takeover of Austria. But what if the past could be redone, if Keplerian math theory and cosmology could grant you access to the alchemy of time, fate, and destiny, and let YOU set things right? Join Tessa Leonard and mathematician Troc Ang on their harrowing firsthand experience of the Fall of Saigon in 1975 and the dreaded Nazi "Anschluss" in 1938. Who dies, who's saved, and at what price? This story from award-winning novelist Chris Manno (*East Jesus, Voodoo Rush* and *Blood & Remembrance*) is an adventure you'll live rather than read, and one you won't soon forget.

In the summer of 1949 fifteen smokejumpers parachuted into a remote Montana canyon called Mann Gulch. It started as a very small fire in rugged country but within two hours after landing, thirteen of these young men were caught in a raging inferno and were killed. They died bravely, together with their friends, and in the service of their country. Everyone was young and attractive, healthy and strong, enthusiastic and in love. They were bursting into the prime of their lives. There were no malcontents here. Everyone did their best but events overtook them. Until now the actual time line has never been connected to the people involved. Fire in Montana connects the lives of young smokejumpers who lived with a joy of life and expectations of shining futures, the forest rangers and volunteers who fought valiantly to rescue them, and their families, lovers, and friends who were forced to wait and pray, then face the devastating and heart wrenching loss.
