 Fashionistas, photographers and stylists love the infinite possibilities of hair. It can define a look, embellish an outfit, show status, tribe or culture. Each hairstyle says something about who we are and where we belong. This book celebrates the art of hair: braids, curls, loose hair, mohawks, chignons, coloured hair, wigs, crops. Fabulous images from the greatest names in fashion photography mix with rare and unseen archive pictures. There are text contributions from stars of fashion, photography and hairstyling, as well as offbeat commentaries: Yannick dls on working with Avedon; Veruschka on Ara Gallant; Patti Wilson on the Afro; Amanda Lepore on transsexual glamour; burlesque heroine Dita von Teese on

Hollywood glamour; Vidal Sassoon gives one of his last interviews; and beauty editor Kathy Phillips writes on blondes. There is also a street-level view of Londons Seventies punk scene. This book will be a style classic, a bible for anyone in the profession, a must-have source of information and ideas, and pure pleasure for fashion addicts everywhere.

A Short Guide to Writing about Art offers invaluable advice for any art course where students write papers. It addresses a wealth of fundamental matters: description versus analysis some critical approaches to art (e.g., formal

analysis, cultural materialism, gender studies) getting ideas for an essay engaging in peer review developing paragraphs organizing a comparison using bibliographic tools, including the Internet quoting sources writing captions for illustrations avoiding sexist and Eurocentric language editing the final draft documenting sources, using either The Chicago Manual of Style or The Art Bulletin style preparing for essay examinations Among the new features of the sixth edition are new guidelines for using the World Wide Web and the Internet for art-historical research, five new checklist (e.g., a checklist for evaluating Web Sites), ten new illustrations, and the style guide published by The Art Bulletin. Several sample essays are also included,

accompanied by analyses that show readers the particular strengths of effective writing.

*A View of the World* Pearson Higher Ed This study offers guidance through the moral maze that intertwines the judgements of the medical profession on unborn life and the rights of citizens to life. The author argues that although current fashion tends to protect medical judgement, this effectively sanctions an abuse of human rights and that the law should never allow medical judgement to over-ride

Experience the uplifting power of art on

this breathtaking visual tour of 2,500 paintings and sculptures created by more than 700 artists from Michelangelo to Damien Hirst. This beautiful book brings you the very best of world art from cave paintings to Neoexpressionism. Enjoy iconic must-see works, such as Leonardo da Vinci's Last Supper and Monet's Waterlilies and discover less familiar artists and genres from all parts of the globe. *Art That Changed the World* covers the full sweep of world art, including the Ming era in China, and Japanese, Hindu, and Indigenous Australian art. It analyses recurring themes such as love and religion, explaining key genres from Romanesque to Conceptual art. *Art That Changed the World* explores each artist's key works and vision, showing details of

their technique, such as Leonardo's use of light and shade. It tells the story of avant-garde works like Manet's *Le Dejeuner sur l'herbe* (Lunch on the Grass), which scandalized society, and traces how one genre informed another - showing how the Impressionists were inspired by Gustave Courbet, for example, and how Van Gogh was influenced by Japanese prints. Lavishly illustrated throughout, look no further for your essential guide to the pantheon of world art.

This beautifully produced survey of over a thousand years of Western art and architecture introduces the reader to a vast period of history ranging from

ancient Rome to the age of exploration. The monumental arts and the diverse minor arts of the Middle Ages are presented here within the social, religious, and political frameworks of lands as varied as France and Denmark, Spain and Turkey. Marilyn Stokstad also teaches her reader how to look at medieval art-which aspects of architecture, sculpture, or painting are important and for what reasons. Stylistic and iconographic issues and themes are thoroughly addressed with attention paid to aesthetic and social contexts. Significantly updated, this second edition of *Medieval Art* spans the period from the second to the fifteenth centuries and includes over 4000 illustrations, over 100 in color, detailed maps, a time-line, glossary, bibliography, and index-all in a

larger 8 by 10 inch trim size.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For two-semester courses in Art History, Global Art History, and for Introductory Art courses taught from a historical perspective. ART HISTORY provides students with the most student-friendly, contextual, and inclusive art history survey text on the market. These hallmarks make ART HISTORY the choice for instructors who seek to actively engage their students in the study of art. This new edition of ART HISTORY is the result of a happy and productive collaboration between two scholar-teachers (Marilyn Stokstad and Michael

Cothren) who share a common vision that survey courses on the history of art should be filled with as much enjoyment as erudition, and that they should foster an enthusiastic, as well as an educated, public for the visual arts. Like its predecessors, this new edition seeks to balance formal and iconographic analysis with contextual art history in order to craft interpretations that will engage a diverse student population. Throughout the text, the visual arts are treated as part of a larger world, in which geography, politics, religion, economics, philosophy, social life, and the other fine arts are related components of a vibrant and cultural landscape.
