The Female War Dark Horse Books

THE EPIC CONCLUSION TO PROPHET BEGINS HERE! A clone general goes against his Brain-Mother overlords to gain control of an alien egg. Start of the final six issue mini-series.

Batman Titan Books (UK)

Classic original fiction set in the Alien world, featuring Earth Hive by Steve Perry, Nightmare Asylum by Steve Perry and The Female War by Steve Perry and Stephani Perry. Earth Hive: Wilks was a space marine with a near-fatal flaw: he had a heart. Billie was a child, the only survivor of a far-flung colony outpost.

Thrown together in the last hellish night of an alien invasion, Billie and Wilks helped each other get out alive. Thirteen years later Wilks is in prison, and Billie lives in a mental institution, the nightmare memories of the massacre at Rim seared into her mind. Now the government has tapped Wilks to lead an expedition to the aliens' home planet to bring back a live alien. But the competition on Earth to develop the aliens as a new weapons system is brutal. When Wilks's team departs on their mission, a trained assassin trails them. And what follows is no less than guerrilla warfare on the aliens' planet--and alien conquest on Earth! Nightmare Asylum: Wilks, Billie, and Bueller were the last survivors of a devastating assault on the aliens' home planet. But once their return to the solar system made them refugees once more, fleeing Earth and its alien infestation

in a desperate attempt to stay alive. Now, in an otherwise unmanned military transport, they hurtle through space. Destination: unknown. Little do they know that the cargo they carry with them is a legacy of death that they will ultimately have to face. Nor do they know that they head toward a remote colony and military outpost. This pocket of humanity at the very edges of space is at the mercy of a general names Spears with an agenda all his own. Now Billie, Wilks, and Bueller face a new nightmare, and it is nothing they could ever have imagined: a gift of madness from an alien world, unbalanced mind, and the experiences of a mysterious pilot named Lieutenant Ellen Ripley. The Female War: Lieutenant Ellen Ripley awoke from her long journey in space with a hole in her memory and an overwhelming drive to survive. When she meets Wilks and Billie, two battered veterans in the war against the aliens she realizes she's found two comrades in arms--and she's ready to take up the fight. Only then does she discover the devastating secret that lurks behind her long sleep. When she, Wilks, and Billie prepare to meet the aliens head-on to turn a powerful alien queen against her spawn in a battle intended to save Earth, that secret becomes her greatest weapon--and her greatest liability. As the fate of Earth hangs in the balance, Ripley and Billie must come to terms with what it means to be an alien . . . and what it means to be human.

Prophet Vol. 5: Earth War Spectra

In 1986, James Cameron's *Aliens* brought to theaters the horrors of a new kind of war against a terrifying enemy. Long before *Alien3* was even a glint in director David Fincher's eye, Dark Horse Comics was already crafting a terrifying post-*Aliens* continuity for Ripley, Hicks, and Newt. Earth is overrun by

xenomorphs with no hope of saving it for humanity. But that doesn't mean just leaving it to the Aliens. Ripley has a plan to capture, from what they believe is the Alien homeworld, a "Queen Mother"--a super queen that rules multiple nests--and bring it back to Earth. There the Queen Mother will command the xenomorphs to gather where they can all be destroyed by nuclear bombs. Collects *Aliens: Nightmare Asylum #1-#4* and *Aliens: Female War #1-#4*. Includes cover art for all issues.

Billie only wanted what all children want -- the warmth and security of family, the human connectedness that comes from belonging. What she got was a nightmare without end. Dark Horse is proud to present the third volume in the remastered *Aliens* series, *Aliens: Female War*. Written by The Mask screenplay writer Mark Verheiden and illustrated by The Maxx artist/creator Sam Kieth, *Female War* is a revised edition of what was previously titled *Aliens: Earth War*.

Prophet: Earth War #2 Dark Horse Comics

Like sports, the victor is he who wants it more. Unlike sports, the loser earns extinction. Mankind has fought for survival over countless millennia, but nothing has threatened humanity's existence like the murderous Alien scourge. While some have tried to use the creatures' deadly abilities to serve their own selfish ends, no one can dance with the devil, and ultimately only one species must prevail. To that end, men have turned their own lethal instincts and cold intellect against the monsters, creating engineered plagues, cybernetic fighting suits, and even bogus android aliens, but survival rides not on technology, but on the

primacy of the most deep-rooted, feral instincts. * Nearly four hundred story pages in full color, some never before collected! * Creators include horror novelist Chet Williamson, as well as John Arcudi, Doug Mahnke, Jon Wagner, Ronnie del Carmen, and many more! * Collectes Music of the Spears #1 - 4, Stronghold, Berserker #1 - 4, "Taste", and the "Mondo Pest" and "Mondo Heat" one-shots.

Aliens vs. Predator: Three World War Dark Horse Books

A picture-book account of one of the most famous pieces of radio history! * "Sandwiched between a look at Depression-era radios and a set of fanciful period advertisements, McCarthy delivers a semi-serious account of the 1938 War of the Worlds broadcast, illustrating both passages from the script and briefly told descriptions of widespread panic with smudgy cartoon scenes featuring bug-eyed monsters and equally bug-eyed people. The author closes with a substantial note that analyzes the broadcast' immediate and long-term effects, points out that the announcers repeatedly admitted that they were presenting a drama during the broadcast, mentions several later revivals here and internationally and notes the response of H.G. Wells himself to the original production. She has also set up an invitingly designed Web site with an array of relevant links." —Kirkus Reviews, Starred An ALA-ALSC Notable Children's Book A School Library Journal Best Book of the Year An IRA-CBC Children's Choice A Kirkus Reviews Editor's Choice A 2006 New York Public Library 100 Titles for Reading and Sharing

She leads a commando team that includes Newt and Hicks on a suicide mission to stop the alien infestation that has brought Earth to its knees.

Aliens Omnibus Vol. 1 Dark Horse Books

Sam Keith, renowned illustrator of THE SANDMAN, has earned a reputation for creating comic-book epics that combine powerfulation and thought-provoking themes. Now, he brings that vision to Batman in a story that pits the Dark Knight against the Joker-- all under the unforgiving eye of the media. Their confrontation is caught on film, and Gotham City's protector appears to pummel his archenemy without mercy. The Joker uses this to frame Batman in the court of public opinion while the media hover like vultures, ready to convict before all the facts are in.

War and Peas Marvel

In 1986, James Cameron's *Aliens* brought to theatres the horrors of a new kind of war against a terrifying enemy. Two years later, Dark Horse Comics released a direct follow-up to the events in the film. Thirty years later, Dark Horse is still a valued partner of 20th Century Fox and joins them in celebrating the anniversary of *Aliens* with the release of this oversize collection of the original comics series.
