 A hand-lettered, hand-painted book of everything related to summer has a hundred summer recipes—including Blueberry Bread Pudding and Barbecued Bourbon Chicken—and features picnics, parties, gardening advice, herbal cooking, home remedies, and anecdotes. 100,000 first printing. Tour.

Dance Away with Me Little, Brown

Preserve your favorite homemade recipes with this all-inclusive recipe keeper featuring the artwork of Susan Branch! Write or type recipes on 50 pre-formatted recipe pages (printer instructions included). Six tabbed dividers with pockets Two splash guards protect your recipes while cooking. Sixteen pages of cooking hints and tips help beginners and seasoned cooks alike. One 4" by 9" magnetic notepad with 50 pages. Three decorative magnets are also included. Recipes not included

Roosevelt's Purge Penguin

In the bitter cold of 1985, two buddies embark on a hunting trip from suburban Detroit to rural Michigan, unaware they would soon become the hunted. *Darker than Night* tells the chilling true story of the mystery that haunted a community and baffled the police for two decades. The eerie silence surrounding their sudden disappearance is broken after nearly two decades when a relentless investigator inspires a terrified witness to break her silence. The witness narrates a haunting scene that had unfolded years back, pointing fingers at the prime suspects—the Duvall brothers. With no bodies unearthed, the justice system is riveted by the startling revelations during an electrifying trial in 2003. The brothers, Raymond and Donald Duvall, had bragged about the murders, evocatively explaining how they dismembered their victims and fed them to pigs. Despite the shocking confession, the case holds its ground purely on a single witness's account, taking the courtroom through a labyrinth of dark secrets and sinister acts. This gripping thriller presents a vivid tale of crime that reveals the devastating power of evil.

In Search of Safety: Voices of Refugees Atlantic Monthly Press

From Susan Dennard, the New York Times bestselling author of the *Witchlands* series, comes a haunting and high-octane contemporary fantasy about the magic it takes to face your fears in a nightmare-filled forest and the mettle required to face the secrets hiding in the dark corners of your own family. An Instant New York Times Bestseller A Barnes & Noble YA Book Club Pick An Indigo Best Teen Book of 2022 A Junior Library Guild Pick An Indie Next Pick A Goodreads Most Anticipated YA Book Hemlock Falls isn't like other towns. You won't find it on a map, your phone won't work here, and the forest outside town might just kill you. Winnie Wednesday wants nothing more than to join the Luminaries, the ancient order that protects Winnie's town—and the rest of humanity—from the monsters and nightmares that rise in the forest of Hemlock Falls every night. Ever since her father was exposed as a witch and a traitor, Winnie and her family have been shunned. But on her sixteenth birthday, she can take the deadly Luminary hunter trials and prove herself true and loyal—and restore her family's good name. Or die trying. But in order to survive, Winnie enlists the help of the one person who can help her train: Jay Friday, resident bad boy and Winnie's ex-best friend. While Jay might be the most promising new hunter in Hemlock Falls, he also seems to know more about the nightmares of the forest than he should. Together, he and Winnie will discover a danger lurking in the forest no one in Hemlock Falls is prepared for. Not all monsters can be slain, and not all nightmares are confined to the dark. "You'll want to get lost in the world of *The Luminaries* again and again."—Leigh Bardugo, #1 New York Times bestselling author At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Susan Sontag Penguin

The official print edition of the internet phenomenon. Already over 8,000 five star different reader reviews. (And counting.) It's been six weeks since the angels of the apocalypse destroyed the world as we know it. Only pockets of humanity remain. Savage street gangs rule the day while fear and superstition rule the night. When angels fly away with a helpless girl, her seventeen-year-old sister Penryn will do anything to get her back...

The Progress of Colored Women: Three Civil Rights Speeches by the First Black Woman to Receive a College Education in the United States of America (H Cedco Publishing Company

At long last, the legendary New York Times bestselling author returns with a heartfelt novel of womanhood, a wild heart, and the healing power of love. Run, run, as fast as you can! When life throws her one setback too many, midwife and young widow Tess Hartsong takes off for Runaway Mountain. In this small town high in the Tennessee mountains, surrounded by nature, she hopes to outrun her heartbreak and find the solace she needs to heal. But instead of peace and quiet, she encounters an enigmatic artist with a craving for solitude, a fairy-tale sprite with too many secrets, a helpless infant, a passel of curious teens, and a town suspicious of outsiders, especially one as headstrong as Tess. Just as headstrong is Ian North, a difficult, gifted man with a tortured soul—a man who makes Tess question everything. In running away to this new life, Tess wonders— Has she lost herself . . . or has she found her future?

Love from the Heart of the Home Simon and Schuster

Enchanting watercolors complement a wealth of recipes and homespun wisdom emphasizing the use of fresh foods and and simple preparation to yield taste treats for all seasons

Recipe Binder Homemade Recipes: Susan Branch Simon & Schuster

A treasury of the author's watercolor paintings, quotations, personal anecdotes, and celebratory ideas is presented in a weekly appointment journal that offers additional space to record important events.

Marine Little Brown

A celebration of friendship and food shares tips on the "art of the home" with readers, featuring recipes, tips on style and decorating, clothes advice, and much more. 100,000 first printing.

Recipe Keepsake Book - to My Daughter: with Love from My Kitchen (Red) Little Brown

The author's third keepsake book offers a collection of her favorite recipes for cakes, pies, and other desserts for all occasions.

Girlfriends Forever A&C Black

Handwritten and watercolored by Susan Branch in her unique and charming style , this bestselling cook book celebrates the wonderfulness of AUTUMN, with delicious easy-to-make family recipe favorites such as Cinnamon Ice Cream, Touchdown Chili, Corn Pudding, and Pumpkin Cheesecake. You'll feel the leaves falling across the pages as Susan shares her special insights and stories for Entertaining, Decorating, Halloween, Thanksgiving, Afternoon Tea, and much more. As one reader said, "Put on your coziest sweater, make yourself a cup of tea and dive into the creative world of Susan Branch."

Parrotfish Little Brown & Company

Quantitative Magnetic Resonance Imaging is a 'go-to' reference for methods and applications of quantitative magnetic resonance imaging, with specific sections on Relaxometry, Perfusion, and Diffusion. Each section will start with an explanation of the basic techniques for mapping the tissue property in question, including a description of the challenges that arise when using these basic approaches. For properties which can be measured in multiple ways, each of these basic methods will be described in separate chapters. Following the basics, a chapter in each section presents more advanced and recently proposed techniques for quantitative tissue property mapping, with a concluding chapter on clinical applications. The reader will learn: The basic physics behind tissue property mapping How to implement basic pulse sequences for the quantitative measurement of

tissue properties The strengths and limitations to the basic and more rapid methods for mapping the magnetic relaxation properties T1, T2, and T2* The pros and cons for different approaches to mapping perfusion The methods of Diffusion-weighted imaging and how this approach can be used to generate diffusion tensor maps and more complex representations of diffusion How flow, magneto-electric tissue property, fat fraction, exchange, elastography, and temperature mapping are performed How fast imaging approaches including parallel imaging, compressed sensing, and Magnetic Resonance Fingerprinting can be used to accelerate or improve tissue property mapping schemes How tissue property mapping is used clinically in different organs Structured to cater for MRI researchers and graduate students with a wide variety of backgrounds Explains basic methods for quantitatively measuring tissue properties with MRI - including T1, T2, perfusion, diffusion, fat and iron fraction, elastography, flow, susceptibility - enabling the implementation of pulse sequences to perform measurements Shows the limitations of the techniques and explains the challenges to the clinical adoption of these traditional methods, presenting the latest research in rapid quantitative imaging which has the possibility to tackle these challenges Each section contains a chapter explaining the basics of novel ideas for quantitative mapping, such as compressed sensing and Magnetic Resonance Fingerprinting-based approaches

The Road to After New Seasons

In his first term in office, Franklin Roosevelt helped pull the nation out of the Great Depression with his landmark programs. In November 1936, every state except Maine and Vermont voted enthusiastically for his reelection. But then the political winds shifted. Not only did the Supreme Court block some of his transformational experiments, but he also faced serious opposition within his own party. Conservative Democrats such as Senators Walter George of Georgia and Millard Tydings of Maryland allied themselves with Republicans to vote down New Deal bills. Susan Dunn tells the dramatic story of FDR's unprecedented battle to drive his foes out of his party by intervening in Democratic primaries and backing liberal challengers to conservative incumbents. Reporters branded his tactic a "purge" and the inflammatory label stuck. Roosevelt spent the summer months of 1938 campaigning across the country, defending his progressive policies and lashing out at conservatives. Despite his efforts, the Democrats took a beating in the midterm elections. The purge stemmed not only from FDR's commitment to the New Deal but also from his conviction that the nation needed two responsible political parties, one liberal, the other conservative. Although the purge failed, at great political cost to the president, it heralded the realignment of political parties that would take place in the 1960s, 1970s, and 1980s. By the end of the century, the irreconcilable tensions within the Democratic Party had exploded, and the once solidly Democratic South was solid no more. It had taken sixty years to resolve the tangled problems to which FDR devoted one frantic, memorable summer.

The Forgiveness Tour Little, Brown

A man seeks to rediscover his broken Midwestern community in a novel that "brims with grace and quirky charm" by the author of *Peace Like a River* (Bookpage). Movie house owner Virgil Wander is "cruising along at medium altitude" when his car flies off the road into icy Lake Superior. Though Virgil survives, his language and memory are altered. Awakening in this new life, Virgil begins to piece together the past. He is helped by a cast of curious locals—from a stranger investigating the mystery of his disappeared son, to the vanished man's enchanting wife, to a local journalist who is Virgil's oldest friend. Into this community returns a shimmering prodigal son who may hold the key to reviving their town. Leif Enger conjures a remarkable portrait of a region and its residents, who, for reasons of choice or circumstance, never made it out of their defunct industrial district. Carried aloft by quotidian pleasures including movies, fishing, necking in parked cars, playing baseball and falling in love, *Virgil Wander* is a journey into the heart of America's Upper Midwest.

Heart of the Home Tor Teen

Angela Katz-McNair has never felt quite right as a girl, but it's a shock to everyone when she cuts her hair short, buys some men's clothes, and announces she'd like to be called by a new name, Grady. Grady is happy about his decision to finally be true to himself, despite the practical complications, like which gym locker room to use. And though he didn't expect his family and friends to be happy about his decision, he also didn't expect kids at school to be downright nasty about it. But as the victim of some cruel jokes, Grady also finds unexpected allies in this thought-provoking novel that explores struggles any reader can relate to.

Darker than Night Stella Maris Books, LLC

The Financial Crisis Inquiry Report, published by the U.S. Government and the Financial Crisis Inquiry Commission in early 2011, is the official government report on the United States financial collapse and the review of major financial institutions that bankrupted and failed, or would have without help from the government. The commission and the report were implemented after Congress passed an

act in 2009 to review and prevent fraudulent activity. The report details, among other things, the periods before, during, and after the crisis, what led up to it, and analyses of subprime mortgage lending, credit expansion and banking policies, the collapse of companies like Fannie Mae and Freddie Mac, and the federal bailouts of Lehman and AIG. It also discusses the aftermath of the fallout and our current state. This report should be of interest to anyone concerned about the financial situation in the U.S. and around the world. THE FINANCIAL CRISIS INQUIRY COMMISSION is an independent, bi-partisan, government-appointed panel of 10 people that was created to "examine the causes, domestic and global, of the current financial and economic crisis in the United States." It was established as part of the Fraud Enforcement and Recovery Act of 2009. The commission consisted of private citizens with expertise in economics and finance, banking, housing, market regulation, and consumer protection. They examined and reported on "the collapse of major financial institutions that failed or would have failed if not for exceptional assistance from the government." News Dissector DANNY SCHECHTER is a journalist, blogger and filmmaker. He has been reporting on economic crises since the 1980's when he was with ABC News. His film *In Debt We Trust* warned of the economic meltdown in 2006. He has since written three books on the subject including *Plunder: Investigating Our Economic Calamity* (Cosimo Books, 2008), and *The Crime Of Our Time: Why Wall Street Is Not Too Big to Jail* (Disinfo Books, 2011), a companion to his latest film *Plunder The Crime Of Our Time*. He can be reached online at www.newsdissector.com.

Days from the Heart of the Home New Seasons

'One of the best fantasy book series of the past decade' TIME The heir of ash and fire bows to no one. A new threat rises in the third book in the #1 bestselling *Throne of Glass* series by Sarah J. Maas. Celaena Sardothien has survived deadly contests and shattering heartbreak, but now she must travel to a new land to confront her darkest truth. That truth could change her life - and her future - forever. Meanwhile, monstrous forces are gathering on the horizon, intent on enslaving her world. To defeat them, Celaena will need the strength not only to fight the evil that is about to be unleashed but also to harness her inner demons. If she is to win this battle, she must find the courage to face her destiny - and burn brighter than ever before. The third book in the #1 New York Times bestselling *Throne of Glass* series continues Celaena's epic journey from woman to warrior.

Vineyard Seasons New Seasons

With an emphasis on simple preparation and fresh foods, the author offers seasonal recipes for Forth of July picnics, Valentine's Day treats, and warming winter meals.

The Financial Crisis Inquiry Report Simon and Schuster

Susan Orlean's bestseller and New York Times Notable Book is "a sheer delight...as rich in insight and as varied as the treasures contained on the shelves in any local library" (USA TODAY)—a dazzling love letter to a beloved institution and an investigation into one of its greatest mysteries. "Everybody who loves books should check out *The Library Book*" (The Washington Post). On the morning of April 28, 1986, a fire alarm sounded in the Los Angeles Public Library. The fire was disastrous: it reached two thousand degrees and burned for more than seven hours. By the time it was extinguished, it had consumed four hundred thousand books and damaged seven hundred thousand more. Investigators descended on the scene, but more than thirty years later, the mystery remains: Did someone purposefully set fire to the library—and if so, who? Weaving her lifelong love of books and reading into an investigation of the fire, award-winning New Yorker reporter and New York Times bestselling author Susan Orlean delivers a "delightful...reflection on the past, present, and future of libraries in America" (New York magazine) that manages to tell the broader story of libraries and librarians in a way that has never been done before. In the "exquisitely written, consistently entertaining" (The New York Times) *The Library Book*, Orlean chronicles the LAPL fire and its aftermath to showcase the larger, crucial role that libraries play in our lives; delves into the evolution of libraries; brings each department of the library to vivid life; studies arson and attempts to burn a copy of a book herself; and reexamines the case of Harry Peak, the blond-haired actor long suspected of setting fire to the LAPL more than thirty years ago. "A book lover's dream...an ambitiously researched, elegantly written book that serves as a portal into a place of history, drama, culture, and stories" (Star Tribune, Minneapolis), Susan Orlean's thrilling journey through the stacks reveals how these beloved institutions provide much more than just books—and why they remain an essential part of the heart, mind, and soul of our country.

Heir of Fire Candlewick

This padded hardcover keepsake journal makes a great gift! Includes 124 guided pages to record your history. Cute quotes throughout and spaces to add photographs.
