Learn Secrets about Men And The Traps Women Fall Into That Most Women Will Never Know It's time to take back your power! Most women are very surprised when a man becomes distant, when they find out he wasn't as interested as he seemed, or worse, when everything he said turns out to be a blatant lie. Here is some of what you'll learn when you'll start reading this book: - How women give away their power (and don't even realize it) - The important test you should never fail in any relationship - Why you should not be focusing on your beauty (or lack thereof) - Your most important bargaining chip (what it is and how to use it, most women don't think of this) - Not behaving or feeling like a high value woman and what to do instead to take your power back - Opposites Attract, or do they? - "The One." Is he the one? And why would this be a trap? - The Wrong Man (and what to do about it) - The MANipulator (and how to avoid being

manipulated by any man) - A Subject to Avoid (when a woman talks about this subject, a man can't help it and will lose interest in her) - A trick to see if he's REALLY interested in you - Jealousy. When to use it and how to deal with it. - The Ex. Is she dangerous? - Your Looks. How to use them...and how to never use them (this is a trap many women step into). - The Overlapping Circles: the secret to a happy long-term relationship - How important are his friends to the relationship YOU have with him? - and more! A good man is hard to find. . . . Finding a partner often feels like an awful lot of work for very little reward. The relationship expert Matthew Hussey used to feel the same way. So he did some field research, taught himself to meet the women he was looking for, and built a business coaching other men to improve their love lives. And now he's sharing his insights with you. It

turns out that men and women want the same thing: a lasting, meaningful relationship. Matthew says that finding "the guy" isn't just about finding "a guy." It's about creating a life with someone who engages you at every level. In *Get the Guy*, Matthew shows you how to be proactive in your love life so that you can meet, talk to, and win over the guy who's right for you—without playing games. After reading this book, you will not only get the guy, but you'll actually get him. You will understand how men think and what they're looking for.  What to Text Him Back to Keep Him Hooked and Make Him BEG to See You Again Did you know that men secretly use texting as a way to "pre-screen" a woman's romantic value? A woman's texting habits can reveal a lot about her self-worth, confidence, intelligence, and even her level of class and emotional maturity. Because guys covertly appraise a woman's relationship potential this way,

many women often have no idea that the way they communicate via text is actually sending the wrong message and thus, they unknowingly end up chasing men away. Discover the Secrets of Texting Men to Effortlessly Stand Out from EVERY Other Woman Men have their own unique way of interpreting a woman's communication attempts. Therefore, although many women mean well, they often do things when texting men that sometimes makes them appear too easy, too needy, too bossy, or too boring...even if these things aren't necessarily true about them. Texting is the one medium of communication in which a great guy can easily get the wrong idea about you. And as these wrong ideas pile up inside his mind, they usually coalesce into a single romance-killing thought: That he can do better than you. So, what's a girl supposed to do then? Simple really. All she needs to do is understand exactly how men appraise female texting habits and how to use this knowledge to differentiate herself as being a high-value woman. Doing so will make it easy for her to stand out from EVERY other woman who texts him. How to Use Texting to Tease, Flirt,

and Entice Your Way into Becoming His TOP Priority If you want to arouse the kind of long-term desire in a man that makes him eager to pursue you for dates, romance, commitment, and more, you must take advantage of texting and use it to make subtle and seductive displays of your high-status, and thus, your high-value. Here's what you're going to learn inside: Exactly what to text a guy when he's stringing you along and only doing the BARE MINIMUM to keep you interested. How to use mischievous "Feisty Girl" texts to get a man to finally ask you out (or ask you out AGAIN), while making it seem like it was all HIS idea. What to do (and what NOT to do) if a guy suddenly

stops texting you or starts responding to your texts less and less. How to get him to CALL YOU instead of texting all the time. What to text a man to "let him down easy" but KEEP him interested whenever he sends an inappropriate or overly sexual text. Exactly what to text a guy who keeps "coming BACK from the DEAD" and suddenly starts taking an interest in you again. (Hint: These cheeky little texts can end his mind games for GOOD!) At 30 years old, Lewis Howes was outwardly thriving but unfulfilled inside. He was a successful athlete and businessman, achieving goals beyond his wildest dreams, but he felt empty, angry, frustrated, and always chasing something that was never enough. His whole identity had been built on misguided beliefs about what "masculinity" was. Howes began a personal journey to find inner peace and to uncover the many masks that men - young and old - wear. In *The Mask of Masculinity*, Howes exposes the ultimate emptiness of the Material Mask, the man who chases wealth above all things; the cowering vulnerability that hides behind the Joker and Stoic Masks of men who never show real emotion; and the destructiveness of the Invincible and Aggressive Masks worn by men who take insane risks or can never back down from a fight. He teaches men how to break through the walls that hold them back and shows women how they can better understand the men in their lives. It's not easy, but if you want to love, be loved and live a great life, then it's an odyssey of

self-discovery that all modern men must make. This book is a must-read for every man - and for every woman who loves a man.

The MANipulator Manual: Keep Your Man Interested and Begging for More Without Playing Games Let me start off by explaining I am in no way talking about the sexual act. F*ck him in this case is not physical, it's mental. So many women get in trouble in their love lives, and 99.9 percent of that trouble could have been avoided if they'd said, "Well, f*ck him!" a bit more often. Too many women are way too nice and compliant to their men, especially when these men don't deserve that kind of treatment. And yet, every

woman I've ever met tries to not be needy or wear her heart on her sleeve. She simply wants to protect her feelings. Nevertheless, most women I've coached have had men seem very interested only to disappear suddenly. These women are left standing in the dark. Once the guy vanishes, they often find out it's easier to get the President of the United States on the phone than the man who seemingly really liked them...just not enough to stick around. This should stop. I, as a dating coach and author of books for women who want to get men, cannot take it anymore. You deserve better. This is not your fault. It's his! He needs to learn to be much more transparent and upfront. That said, we both know most men won't change. We can lead a horse to water, but we can't make it drink. Or can we? What if there was a way to change a guy's behavior? What if you could get into his head and take over the driver's wheel? What if you could make him do more of the things that you appreciate and need and less of the bad behaviors you dislike? At first, this might seem impossible. Nevertheless, I'm sure you've already met women who are good at manipulating their men. Enter the

high-value woman. You know her. You've seen her. She's the woman who always has great men drooling over her. It's the woman you see getting all the attention. You often wonder, "How does she do it? What do they see in her? What does she know that I don't?" You might have even complained to your girlfriends that men just don't seem to notice what a catch you are. Your girlfriends may have even said, "He doesn't know what he's missing." What if you could make him see it? When you look at these high-value women who get their way with men, it might have surprised you that their looks don't seem to matter. The high-value woman can be great looking, average looking, or even bad looking. It doesn't matter. She knows her way around men. She knows how to mentally f*ck them. Are you ready to implement her strategies? You'll see behavior you've never seen from him. He'll start to put in an effort that makes you feel like you're a queen because to him, you are. At first, it will be strange. If you've never truly been in control of a man, it might feel like riding a horse for the first time. But soon, it will make you feel all tingly inside. I'm not kidding.

There's nothing more powerful than being in a relationship with a guy and having him do exactly what you want while he thinks it was his idea. (This is important, as you'll see. He needs to think he is the one in the driver's seat, even though you actually are.) This book is not about becoming someone you're not or turning your boyfriend into a spineless manslave. It's about your empowerment, about taking back what's yours. No man should ever be able to play games with you, to take you for granted, to treat you even a tiny bit less than you deserve. By the time you've finished this book, this will all be part of your past. Are you ready? Then hit the buy button at the top of this page and start your high value woman journey right away!

Reinventing the Body, Resurrecting the Soul Amistad

Deepak Chopra presents ten lessons to help build awareness and change the distorted energy patterns that are the root cause of aging, infirmity, and disease. Fifteen years after his #1 New York Times bestseller, *Ageless Body, Timeless Mind*, Deepak Chopra revisits "the forgotten miracle"-the body's infinite capacity for change and renewal. You cannot take advantage of this miracle, Chopra says, unless you are willing to completely reinvent your body, transforming it from a material object to a dynamic, flowing process. "Your physical body is a fiction," Chopra contends. Every cell is made up of two invisible ingredients: awareness and energy. Transformation can't stop with the body, however; it must involve the soul. The soul-seemingly invisible, aloof, and apart from the material world-actually creates the body. Only by going to the level of the soul will you access your full potential, bringing more intelligence,

creativity, and awareness into every aspect of your life. *Reinventing the Body, Resurrecting the Soul* delivers ten breakthroughs-five for the body, five for the soul-that lead to self-transformation. In clear, accessible terms, Chopra shows us how to commit ourselves to deeper awareness, focus on relationships instead of consumption, embrace every day as a new world, and transcend the obstacles that afflict body and mind. Deepak Chopra has inspired millions with his profound teachings over the years. His bestselling books have explored the mind/body connection and the power of spirit. With his latest book, he invites you to experience with him the miracles that unfold when we connect the body directly to the awesome mysteries that give life meaning-directly to the soul. When you have completed this journey, after reinventing your body and resurrecting your soul, the ecstasy of true wholeness becomes possible for the very first time. *Make Him Yours* Random House Based on an episode of "Sex and the City," offers a lighthearted, no-nonsense look at dead-end relationships, providing advice for letting go and moving on.
