Nuts & Bolts McFarland

In the context of the postdigital age, where technology is increasingly part of our social and political world, *Avatars, Activism and Postdigital Performance* traces how identity can be created, developed, hijacked, manipulated, sabotaged and explored through performance in postdigital cultures. Considering how technology is reshaping performance, this timely collection reveals how we engage in performance practices through expanded notions of intermediality, knotted networks and layering. This book examines the artist as activist and producer of avatars, and how digital doubles, artificial intelligence and semi-automated politics are problematizing and expanding our discussions of identity. Using a range of examples in theatre, film and internet-based performance practices, chapters examine the uncertain boundaries of networked 'informational selves' in mediatized cultures, the impacts of machine algorithms, apps and the consequences of digital legacies. Case studies include James Cameron's *Avatar*, Blast Theory's *Karen*, Ontroerend Goed's *A Game of You*, Randy Rainbow's online videos, Sisters Grimm's *Calpurnia Descending*, Dead Centre's *Lippy* and Chekhov's *First Play* and Jo Scott's practice-as-research in 'place-mixing'. This is an incisive study for scholars, students and practitioners interested in the wider conversations around identity-formation in postdigital cultures.

The Don McLean Story McGill-Queen's Press - MQUP

"Kids like me didn't go to Vietnam," writes Jack McLean in his compulsively readable memoir. Raised in suburban New Jersey, he attended the Phillips Academy in Andover, MA, but decided to put college on hold. After graduation in the spring of 1966, faced with the mandatory military draft, he enlisted in the United States Marine Corps for a two-year stint. "Vietnam at the time was a country, and not yet a war," he writes. It didn't remain that way for long. A year later, after boot camp at Parris Island, South Carolina, and stateside duty in Barstow, California, the Vietnam War was reaching its peak. McLean, like most available Marines, was retrained at Camp Pendleton, California, and sent to Vietnam as a grunt to serve in an infantry company in the northernmost reaches of South Vietnam. McLean's story climaxes with the horrific three-day Battle for Landing Zone Loon in June, 1968. Fought on a remote hill in the northwestern corner of South Vietnam, McLean bore witness to the horror of war and was forever changed. He returned home six weeks later to a country largely ambivalent to his service. Written with honesty and insight, *Loon* is a powerful coming-of-age portrait of a boy who bears witness to some of the most tumultuous events in our history, both in Vietnam and back home.

Vincent (Starry Starry Night) Sheet Music Routledge

Terry Ryan was poised to take the hockey world by storm when he was selected eighth overall by the Montreal Canadiens in the 1995 NHL draft, their highest draft pick in a decade. Expected to go on to become a hockey star, Ryan played a total of eight NHL games for the Canadiens, scoring no

goals and no assists: not exactly the career he, or anyone else, was expecting. Though Terry's NHL career wasn't long, he experienced a lot and has no shortage of hilarious and fascinating revelations about life in pro hockey on and off the ice. In *Tales of a First-Round Nothing*, he recounts fighting with Tie Domi, partying with rock stars, and everything in between. Ryan tells it like it is, detailing his rocky relationship with Michel Therrien, head coach of the Canadiens, and explaining what life is like for a man who was unprepared to have his career over so soon.

First Darling of the Morning Routledge

My mother told me, on more than one occasion, that I was almost born in an elevator. I do not doubt that statement one iota for my life has been nothing but a series of ups and downs ever since. I really can't sit still. Even my lovely bride of almost four decades hollers at me because I twitch, sometimes violently, when I sleep. Hence the title of this latest work: *Owen in Motion*. *Owen in Motion* is Doug's fifth volume of poetry and writings. In this book the reader will be enriched, inspired, encouraged and entertained. At times, the reader will be treated to a poem or tale of spiritual content, only to be followed by a simple poem with a twist of both tongue and mind. Throughout the book are poems and writings about love and loss, marriage and family life, spiritual journeys and living large, which will cause the reader to pause and reflect on both the simple and deep things in life. As was true for his first four books, once you pick it up you will have trouble putting it down.

The Legendary Songs of Don McLean (Songbook) Hong Kong University Press

National Book Critics Circle Award Winner: "The terrifying story of the worst disaster in the history of the US Forest Service's elite Smokejumpers." —Kirkus Reviews A devastating and lyrical work of nonfiction, *Young Men and Fire* describes the events of August 5, 1949, when a crew of fifteen of the US Forest Service's elite airborne firefighters, the Smokejumpers, stepped into the sky above a remote forest fire in the Montana wilderness. Two hours after their jump, all but three of the men were dead or mortally burned. Haunted by these deaths for forty years, Norman Maclean puts together the scattered pieces of the Mann Gulch tragedy in this extraordinary book. Alongside Maclean's now-canonical *A River Runs Through It* and *Other Stories*, *Young Men and Fire* is recognized today as a classic of the American West. This edition of Maclean's later triumph—the last book he would write—includes a powerful new foreword by Timothy Egan, author of *The Big Burn* and *The Worst Hard Time*. As moving and profound as when it was first published, *Young Men and Fire* honors the literary legacy of a man who gave voice to an essential corner of the American soul. "A moving account of humanity, nature, and the perseverance of the human spirit." —Library Journal "Haunting." —The Wall Street Journal "Engrossing." —Publishers Weekly

Avatars, Activism and Postdigital Performance Harvard University Press

City Voices is the first showcase of postwar Hong Kong literature originating in English. Fiction, poetry, essays and memoirs from more than 70 authors are featured to demonstrate 'the rich

variety and vitality of the city's literary production'. Together with work from established authors, both bilingual writers who choose to write in English and expatriate authors who have made Hong Kong their home, a section of 'New Voices' introduces the work of unknown and young writers who are part of today's surge of new creativity.

Grammar, Meaning, and Concepts Jonathan Ball Publishers

Grammar, Meaning, and Concepts: A Discourse-Based Approach to English Grammar is a book for language teachers and learners that focuses on the meanings of grammatical constructions within discourse, rather than on language as structure governed by rigid rules. This text emphasizes the ways in which users of language construct meaning, express viewpoints, and depict imageries using the conceptual, meaning-filled categories that underlie all of grammar. Written by a team of authors with years of experience teaching grammar to future teachers of English, this book puts grammar in the context of real language and illustrates grammar in use through an abundance of authentic data examples. Each chapter also provides a variety of activities that focus on grammar, genre, discourse, and meaning, which can be used as they are or can be adapted for classroom practice. The activities are also designed to raise awareness about discourse, grammar, and meaning in all facets of everyday life, and can be used as springboards for upper high school, undergraduate, and graduate level research projects and inquiry-based grammatical analysis. *Grammar, Meaning, and Concepts* is an ideal textbook for those in the areas of teacher education, discourse analysis, applied linguistics, second language teaching, ESL, EFL, and communications who are looking to teach and learn grammar from a dynamic perspective.

Stage Turns Ballantine Books

The 1970s saw a wave of singer-songwriters flood the airwaves and concert halls across the United States. This book organizes the stories of approximately 150 artists whose songs created the soundtrack to people's lives during the decade that forever shaped musical composition. Some well-known, others less known, these artists were the song-poets and storytellers who wrote their own music and lyrics. Featuring biographical information and discography overviews for each artist, this is the only one-volume encyclopedic overview of this topic. Featured artists include Carole King and James Taylor, Joni Mitchell and Jackson Browne, Bob Dylan and Paul Simon, Bruce Springsteen, Gordon Lightfoot, Elvis Costello and dozens of other song-poets of the seventies.

Encyclopedia of Great Popular Song Recordings Harlequin

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

Owen in Motion Lulu.com

First Darling of the Morning is the powerful and poignant memoir of bestselling author Thrity Umrigar, tracing the arc of her Bombay childhood and adolescence from her earliest memories to her eventual departure for the United States at age twenty-one. It is an evocative, emotionally charged story of a young life steeped in paradox; of a middle-class Parsi girl attending Catholic school in a predominantly Hindu city; of a guilt-ridden stranger in her own land, an affluent child in a country mired in abysmal poverty. She reveals intimate secrets and offers an unflinching look at family issues once considered unspeakable as she interweaves two fascinating coming-of-age stories--one of a small child, and one of a nation.

Coming to Narrative Hal Leonard Publishing Corporation

Since its release in 1971, Don McLean's song "American Pie" has become an indelible part of U.S. culture. It has sparked countless debates about the references within the lyrics; been celebrated as a chronicle of American life from the late 1950s through the early 1970s; and has become iconic itself as it has been remade, parodied, and referenced within numerous texts and forums. This volume offers a set of new essays that focus on the cultural and historical significance of the song. Representing a variety of perspectives and fields of study, the essays address such topics as historical and literary interpretations of the song's lyrics, its musical qualities, the commentary the song offers on rock and roll history, the continuing significance of the song, and the ways in which the song has been used by various writers and artists. Instructors considering this book for use in a course may request an examination copy here.

Do You Believe in Rock and Roll? Citadel Press

Reflecting on a 50 year university career, Distinguished Professor Arthur Bochner, former President of the National Communication Association, discloses a lived history, both academic and personal, that has paralleled many of the paradigm shifts in the human sciences inspired by the turn toward narrative. He shows how the human sciences—especially in his own areas of interpersonal, family, and communication theory—have evolved from sciences directed toward prediction and control to interpretive ones focused on the search for meaning through qualitative, narrative, and ethnographic modes of inquiry. He outlines the theoretical contributions of such luminaries as Bateson, Laing, Goffman, Henry, Gergen, and Richardson in this transformation. Using diverse forms of narration, Bochner seamlessly layers theory and story, interweaving his professional and personal life with the social and historical contexts in which they developed.

The Rock Music Imagination ECW Press

The Rock Music Imagination explores creativity in classic rock, its roots in the blues, and its wide cultural impact. The romantic strains of rock imagination are examined in the songs of popular rock bands, the sixties counterculture, science fiction, the rock music novel, and rock's attention to human rights in the global community.

Summers in Supino: Becoming Italian Harper Perennial

How Canadian theatre artists are challenging traditional theatre practices and reimagining disability on stage.

LIFE University of Chicago Press

This is a collection of essays on the life and writing of W.D. Ehrhart, poet, essayist, memoirist and teacher. The twenty contributors—scholars, publishers, poets—are from the U.S., France, Britain, the Netherlands, Austria, India and Japan. Some are Vietnam or Iraq war veterans. The collection overall studies various aspects of Ehrhart's writing, as well as his direct influence on the lives of people, both as a writer and as a teacher. The volume concludes with a selection of Ehrhart poems chosen by the contributors because they embody some quality discussed in the essays. The book includes a selected bibliography of Bill Ehrhart's published writings.

The Voice that Won the Vote AuthorHouse

In August of 1920, women's suffrage in America came down to the vote in Tennessee. If the Tennessee legislature approved the 19th amendment it would be ratified, giving all American

women the right to vote. The historic moment came down to a single vote and the voter who tipped the scale toward equality did so because of a powerful letter his mother, Febb Burn, had written him urging him to "Vote for suffrage and don't forget to be a good boy." *The Voice That Won the Vote* is the story of Febb, her son Harry, and the letter that gave all American women a voice.

[The Long Way Home: The Collected Short Stories & Other Bruises of Frank Howson](#) WaterBrook

One of America's most popular music artists bares her heart and soul in her first autobiographical work. With honesty and depth, Grant offers poignant and often startling insights on motherhood, marriage, forgiveness, and faith--revealing a life blessed with jagged edges as well as vivid colors.
