It's OK That
You're Not OK,
Megan Devine

thousands of
readers
through her
honest,

approach to
grief. In her
same direct,
no-platitudes
style, she now
offers *How to

journal filled
with unique,
creative ways
to open a
dialogue with
grief itself.
“Being

about your
grief is an
incredibly
powerful act,”
she says.
“This journal

Grief is a
natural
response to
death and
loss—it's not
an illness to
be cured or a
problem to be
fixed. This
workbook

contains no clichés, timetables, or checklists of stages to get through; it won't help you "move past" or put your loss behind you. Instead, you'll find encouragement, self-care exercises, and daily tools, including:

- Writing prompts to help you honor your pain and heartbreak
- On-the-spot practices for tough situations—like the grocery store trips, the sleepless nights, and being the

"awkward guest" • The art of healthy distraction and self-care • What you can do when you worry that "moving on" means "letting go of love" • Practical advice for fielding the dreaded "How are you doing?" question • What it means to find meaning in your loss • How to hold joy and grief at the same time • Tear-and-share resources to help you educate friends and allies • The

"Griever's Bill of Rights," and much more • Your grief, like your love, belongs to you. No one has the right to dictate, judge, or dismiss what is yours to live. How to Carry What Can't Be Fixed is a journal and everyday companion to help you enter a conversation with your grief, find your own truth, and live into the life you didn't ask for—but is here nonetheless.

Chicken Soup for the Soul of America
Simon and Schuster
Part crime fiction, part murder mystery, part meditation on grieving, friendship and family, Maria Donovan's debut novel, *The Chicken Soup Murder*, is a coming-of-age story narrated with resilience and humor by Michael, whose cozy young life is threatened by bullying and blasted by

visitations from the biggest bully of them all: Death. Within Michael's own past are unanswered questions: why does he live with his grandmother? Are his parents really in prison? His magical creative thinking lands him in trouble: how reliable is his story and why is he the only one who thinks a murder has been committed? What can he, a schoolboy about to turn twelve, do about it?

Haunted by the injustice of a killing, he takes on the burden of trying to do the right thing - first helping the widowed mother of his best friend, and then seeking justice for the friend and neighbor who apparently died while making him chicken soup. Bereavement is hard enough but there are added difficulties in coming to terms with the deliberate ending of a life. A sensitive and

moving first novel from the author of short-story collection *Pumping Up Napoleon*, *The Chicken Soup Murder* was a finalist for the Dundee International Book Prize.

Chicken Soup for the Soul: Miraculous Messages from Heaven

HarperCollins *Forgiveness* frees us to get on with our lives! We can all benefit from letting go of our anger, and the 101 personal, touching stories in this collection will

help you see the power of forgiveness and how it can change your own life. Whether it's forgiving a major wrong or a minor blunder, forgiving someone is healing and frees you to move on with your life. You don't have to forget or condone what happened, but letting go of your anger improves your wellbeing and repairs relationships. You will be inspired to change your life through the power of

forgiveness as you read the 101 stories in this book about forgiving others, changing your attitude, healing and compassion. *Chicken Soup for the Unsinkable Soul* Hyperion Elizabeth Meyer's "sweet, touching, and funny" (Booklist) memoir reads as if "Carrie Bradshaw worked in a funeral home a la Six Feet Under" (Publishers Weekly, starred review). Good

Mourning offers a behind-the-scenes look at a legendary funeral chapel on New York City's Upper East Side—mixing big money, society drama, and the universal experience of grieving—told from the unique perspective of a fashionista turned funeral planner. Elizabeth Meyer stumbled upon a career in the midst of planning her own father's funeral, which she turned into an upbeat

party with Rolling Stones music, thousands of dollars worth of her mother's favorite flowers, and a personalized eulogy. Starting as a receptionist, Meyer quickly found she had a knack for helping people cope with their grief, as well as creating fitting send-offs for some of the city's most high-powered residents. Meyer has seen it all: two women who found out their deceased

husband (yes, singular) was living a double life, a famous corpse with a missing brain, and funerals that cost more than most weddings. By turns illuminating, emotional, and darkly humorous, *Good Mourning* is a lesson in how the human heart grieves and grows—whether you're wearing this season's couture or drug-store flip-flops. [Grandpa's Soup](#) Simon and Schuster An interactive

catastrophic times." --CBC "A hilarious memoir of effervescent misadventures ." --Toronto Star "How am I laughing at someone's mother's cancer? How? We think we can't laugh about death, about cancer, about our mothers and their suffering . . . and we can't, but we can. And there's so much relief in that." --Carolyn Taylor, BARONESS VON SKETCH SHOW A whip-smart and darkly funny

memoir about an unconventional family, the limits of wellness fads, and the mother of all catastrophes. Rachel Matlow's eccentric mom, Elaine, never quite followed the script handed down to her. Her bold out-there-ness made it okay for Rachel to be their genderqueer self and live life on their own terms. But when Elaine decides to try to heal her cancer naturally, Rachel has to

draw the line. What ensues is a tug of war between logical and magical thinking, an odyssey through New Age remedies ranging from herbal tinctures and juice cleanses to a countryside ayahuasca trip, and a portrait of a mother and child who've never been physically closer or ideologically further apart. In facing their inimitable mother's death, Rachel has written a book bursting

with life—the epic adventures and epic fails, the broken limbs and belly laughs. As hilarious as it is poignant, **Dead Mom Walking** is about writing the story of your life only to find out that life has other plans. **A Cup of Chicken Soup for the Soul** Simon and Schuster Written by and for preteens, this uplifting collection of stories touches on the emotions and situations they

experience every day: making and losing friends, fitting in while keeping their personal identity, discovering the opposite sex, dealing with pressures at school including violence, and coping with family issues such as divorce.
