GOOD LAYLAH

The Book of Squares AFRICAN SUN MeDIA

Instead of immediately focusing on what to do, the first section of the book ('Principles') asks detailed, probing questions about you. Knowing yourself and what makes you tick is the first step to getting the career you want. Using the unique 'Ego Styles Theory', which the author has used to great success with her own clients, the book can identify the ways in which you could be blocking your own success in life and career.

Bibliografie van afrikaanse boeke: 1 Jan. 1971-31 Dec. 1974. 1. ed Orpen Press

Troubling Images explores how art and visual culture helped to secure hegemonic claims to the nation-state via the construction of a unified Afrikaner imaginary.

Doris Penka delivers a unified analysis of the semantics and syntax of negative indefinites - as in the expressions nobody, nothing, never and nowhere - and their counterparts in other languages.

Contrary to standard assumptions, the author argues that these expressions are not inherently negative and are only licensed by a covert negation.

Thirteen Hours LAPA Uitgewers

Chris van der Merwe vertel in hierdie boek die verhaal van sy eie omgang met die letterkunde ? ?n persoonlike verhaal, maar ook ?n stimulus vir lesers en navorsers wat belangstel in verbande tussen letterkunde en lewe. ? Die opstelle wissel in styl. Sommige is geskryf as akademiese artikels, ander as resensies, ander as essays. Die resensies en essays is meer informeel in toon en bevat minder verwysings en bibliografiese besonderhede as die akademiese artikels. ?n Paar opstelle is in Engels ? getuienis van die skrywer se verlange om die boeiende veld van die Afrikaanse letterkunde te deel met mense wat Afrikaans nie magtig is nie of nie genoegsaam van Afrikaans notisie neem nie.

Glo jy in spoke? Is daar regtig allerlei bangmaakgoed wat in die nag rondloop? Maak dig toe die gordyne, klim in jou bed, trek die duvet styf om jou skouers ... en laat die 13 stories in hierdie boek jou koue rillings gee!

Awakening the Inner Reader in Every Child Walter de Gruyter GmbH & Co KG

Study & Master Life Skills has been specially developed to support the Curriculum and Assessment Policy Statement (CAPS). The innovative Teacher's Guide with CD-ROM includes: * a detailed work schedule for the whole year * step-by-step guidance on the teaching of each lesson and form of assessment, as well as Remedial and Extension activities for each Unit * photocopiable record sheets and templates * recordings to support the Performing Arts topic.

Suid-Afrikaanse tydskrif vir die pedagogiek John Wiley & Sons

The Book of Squares by Fibonacci is a gem in the mathematical literature and one of the most important mathematical treatises written in the Middle Ages. It is a collection of theorems on indeterminate analysis and equations of second degree which yield, among other results, a solution to a problem proposed by Master John of Palermo to Leonardo at the Court of Frederick II. The book was dedicated and presented to the Emperor at Pisa in 1225. Dating back to the 13th century the book exhibits the early and continued fascination of men with our number system and the relationship among numbers with special properties such as prime numbers, squares, and odd numbers. The faithful translation into modern English and the commentary by the translator make this book accessible to professional mathematicians and amateurs who have always been intrigued by the lure of our number system.

Race and Reconciliation in South Africa Houghton Mifflin

Hierdie opwindende, spannende jeugroman stel die leser bekend aan 'n skemerwêreld van dwelms en tienergevaar waaroor daar nog baie min in Afrikaans geskryf is.

Kaaps in Fokus Oxford University Press Mexico S.A. De C.V.

Set in South Africa, MindF**k is a powerful, disturbing, and at times frightening story. Chris Burns, and his friends - Kerbs and Sky Eyes - take to the road, heading for the MindF**k rock festival. Along the way they pick up the gorgeous Partygirl. Burns and Partygirl connect immediately. But on the first night, while the rockmusic blasts from the stage, something unexpected happens - Burns's world gets turned on its head as one of the boys emerges from the tent with blood on his hands. MindF**k is a real page-turner. The gripping, character-focused, first-person narrative delves right to the heart of a life on-the-edge and virtually out of control. Gritty, hard-hitting, and often shocking, it is packed with drama, emotion, suspense and intrigue from one page to the next. And there is a serious sting in the tail. MindF**k is part of the Cutting Edge series: fast-paced, quick reads for teens and young adults looking for fiction which chimes with their perspective on life. MindF**k is a title in the highly contemporary Cutting Edge fiction series for young adults. The series features fast-paced quick reads. Each book focuses on difficult topics and situations that many teenagers will have experienced first-hand or through friends. Cutting Edge is ideal for readers aged 14+ with a reading age of 12+.

Riddle Child Elsevier

Donalyn Miller says she has yet to meet a child she couldn't turn into a reader. No matter how far behind Miller's students might be when they reach her 6th grade classroom, they end up reading an average of 40 to 50 books a year. Miller's unconventional approach dispenses with drills and worksheets that make reading a chore. Instead, she helps students navigate the world of literature and gives them time to read books they pick out themselves. Her love of books and teaching is both infectious and inspiring. The book includes a dynamite list of recommended "kid lit" that helps parents and teachers find the books that students really like to read.

Help for Restless Realist Little, Brown

This is a story about a little ant with a big plan, and how his love for reading saved the day.

Negative Indefinites Lexington Books

Kaaps as Afrikaanse omgangsvarieteit word deur verskillende outeurs vanuit diverse invalshoek betrag. Die boek beslaan nege hoofstukke in twee afdelings wat onderskeidelike die taalkundigheid en die kontekstuele gebruike van Kaaps bekyk. Dis gebaseer op referate wat gelewer is by die eerste simposium oor Kaaps in 2012. Kaaps word in die boek voorgehou as 'n waardige, talig genuanseerde en lewenskragtige vorm van Afrikaans. Die ekonomiese potensiaal van Kaaps en die benutting daarvan as onderwys- en joernalistieke medium word ook bespreek.

Islands Penguin Random House South Africa

South African detective Benny Griessel has one day to solve two murders in the award winning, #1 bestselling thriller—"This book is great!" (Michael Connelly). Winner of the Barry Award for Best Thriller As morning dawns in Cape Town, Det. Capt. Benny Griessel finds himself facing a difficult day. A South African music executive has been shot dead. An American teenager's body has been found on the street, her throat cut. And her friend Rachel Anderson is somewhere in the city, terrified and alone, but hopefully still alive. For both cases, time is short and media attention is high. And while the homicide detective has been sober for 156 days, day 157 is going to be a tough one . . . A #1 bestseller in South Africa, winner of the 2011 Boeke Prize Fanatics Choice Award, and a finalist for the CWA International Dagger, Thirteen Hours is an atmospheric, intensely gripping novel from "a serious writer who richly deserves the international reputation he has built" (The Washington Post). "Deon Meyer is one of the unsung masters. Thirteen Hours proves he should be on everyone's reading list." —Michael Connelly, New York Times–bestselling author of the Harry Bosch novels "A deft storyteller." —Publishers Weekly

A story taking place during the latter half of the seventeenth century follows the lives of seven men from a Dutch colony at the Cape of Good Hope, each of whom finds their lives defined by Pieternella, a beautiful daughter of the new colony's first mixed marriage, whose life reflects the impact of colonization on the Hottentot aborigines. A first novel.

Eerste Addisionele Taal. Onderwysersgids AFRICAN SUN MeDIA

For the first time, the 92-metre frieze of the Voortrekker Monument in Pretoria, one of the largest historical narratives in marble, has been made the subject of a book. The pictorial narrative of the Boer pioneers who conquered South Africa's interior during the 'Great Trek' (1835-52) represents a crucial period of South Africa's past. Conceptualising the frieze both reflected on and contributed to

the country's socio-political debates in the 1930s and 1940s when it was made. The book considers the active role the Monument played in the rise of Afrikaner nationalism and the development of apartheid, as well as its place in post-apartheid heritage. The frieze is unique in that it provides rare evidence of the complex processes followed in creating a major monument. Based on unpublished documents, drawings and models, these processes are unfolded step by step, from the earliest discussions of the purpose and content of the frieze, through all the stages of its design, to its shipping to post-war Italy to be copied into marble from Monte Altissimo, up to its final installation in the Monument. The book examines how visual representation transforms historical memory in what it chooses to recount, and the forms in which it is depicted. The second volume expands on the first, by investigating each of the twenty-seven scenes of the frieze in depth, providing new insights into not only the frieze, but also South Africa's history. François van Schalkwyk of African Minds, co-publisher with De Gruyter writes: *From Memory to Marble* is an open access monograph in the true sense of the word. Both volumes of the digital version of the book are available in full and free of charge from the date of publication. This approach to publishing democratizes access to the latest scholarly publications across the globe. At the same time, a book such as *From Memory to Marble*, with its unique and exquisite photographs of the frieze as well as its wealth of reproduced archival materials, demands reception of a more traditional kind, that is, on the printed page. For this reason, the book is likewise available in print as two separate volumes. The printed and digital books should not be seen as separate incarnations; each brings its own advantages, working together to extend the reach and utility of *From Memory to Marble* to a range of interested readers.
