*Mahatma Gandhi on Education* e-artnow

Gandhi's concept of education is creative, original, revolutionary, skill development and based on societal need. It is not based on intellectual romanticism rather beyond Marxism, Macaulay, Gurukul and Madarsha. It was unique, innovative, need base and fundamental and provide an alternative. Gandhi's selected original writings and speeches on education have been reproduced to understand his concept of education and its relevance even in contemporary world. These writings and speeches will be an eye-opener for the readers as it will clear the myths about Gandhi's experimentation on education. Never before, writings and speeches of Gandhi on education are placed at one place. These writings and speeches are reproduced here without any distortion and alteration so that the readers draw their own conclusions. I am sure that the book 'Mahatma Gandhi on Education' will open new vistas of research and proper understanding of Gandhi on critical issue of making of individual, society and nation.

The contributions of Kasturba Gandhi to India's struggle for Independence have not been given the critical position they deserve, argues Professor B.M. Bhalla in this seminal study, *Kasturba Gandhi: A Biography*. In its portrayal of Kasturba as an activist and wife, walking along with the Mahatma, first in South Africa and then in India, her story should be read in terms of the struggle of Indian women for identity, equality and selfempowerment. This biography delineates how she became an ardent follower of her husband's great mission and how she struggled to retain her individuality in difficult situations in public and private life. Her capacity to adapt to changed conditions and circumstances, her courage to face adversity, loss and dangers matched her husband's. By Gandhi's own confession, his 'better half', this study is a vital re-assessment of Kasturba Gandhi's position within the Indian freedom movement.

This book analyses 100 years of Hindi cinema, India's principal film industry, to explore how much space it has given to Mahatma Gandhi, the most prominent leader of the Indian struggle for freedom, and his principles. It compares films on Gandhi with the written literature on him, and juxtaposes the celluloid Gandhi with the man who walked on the earth 'ever in flesh and blood'. From his childhood through his legal practice in South Africa to his non-violent struggle against the British Empire in India, the book covers all major events of his life and their portrayal on the silver screen.

M.K. Gandhi: An Autobiography is the story of Gandhiji's, covering his life from early childhood through to 1920. It gives an authentic account of the personal life of a man who led millions into independence. Gandhiji wrote in his autobiography that the three most important modern influences in his life were Leo Tolstoy's The Kingdom of God Is Within You, John Ruskin's Unto This Last and the poet Shrimad Rajchandra. In the last chapter, he notes that his life from this point onward became so public that there was hardly anything about it that people did not know. Being a proponent of Ahimsa or nonviolence, Gandhi diligently stuck to a set of practices from early on in life. The book gives us a better understanding of the habits that Gandhi rigorously inculcated into his daily routine. His childhood, his journey to England, his life in South Africa and the non-cooperation movement in India are all discussed at length in this mind-opening book.

**Postmodern Traces and Recent Hindi Novels** Vernon Press

A highly original, stirring book on Mahatma Gandhi that deepens our sense of his achievements and disappointments—his success in seizing India's imagination and shaping its independence struggle as a mass movement, his recognition late in life that few of his followers paid more than lip service to his ambitious goals of social justice for the country's minorities, outcasts, and rural poor. Pulitzer Prize-winner Joseph Lelyveld shows in vivid, unmatched detail how Gandhi's sense of mission, social values, and philosophy of nonviolent resistance were shaped on another subcontinent—during two decades in South Africa—and then tested by an India that quickly learned to revere him as a Mahatma, or “Great Soul,” while following him only a small part of the way to the social transformation he envisioned. The man himself emerges as one of history's most remarkable self-creations, a prosperous lawyer who became an ascetic in a loincloth wholly dedicated to political and social action. Lelyveld leads us step-by-step through the heroic—and tragic—last months of this selfless leader's long campaign when his nonviolent efforts culminated in the partition of India, the creation of Pakistan, and a bloodbath of ethnic cleansing that ended only with his own assassination. India and its politicians were ready to place Gandhi on a pedestal as “Father of the Nation” but were less inclined to embrace his teachings. Muslim support, crucial in his rise to leadership, soon waned, and the oppressed untouchables—for whom Gandhi spoke to Hindus as a whole—produced their own leaders. Here is a vital, brilliant reconsideration of Gandhi's extraordinary struggles on two continents, of his fierce but, finally, unfulfilled hopes, and of his ever-evolving legacy, which more than six decades after his death still ensures his place as India's social conscience—and not just India's.

Godse approached Gandhi on January 30, 1948 during the evening prayer at 5:15 pm. When Godse bowed, one of the girls flanking and supporting Gandhi, said to Godse, "Brother, Bapu is already late" and tried to put him off, but he pushed her aside and shot Gandhi in the chest three times at point-blank range with a semi-automatic pistol. Gandhi was taken to Birla-House, where he later died. This is the autobiography of Gandhi's killer. Book contains the original statement given by Nathuram Godse.

Postmodernism is a notoriously elusive concept and still the object of critical debates among scholars across a range of different disciplines. In literature, in particular, these debates are complicated by “postmodern” styles emanating from outside the concept's Western origins. By analyzing contemporary Hindi novels, and drawing on both Western and Hindi literary criticism, "Postmodern Traces and Recent Hindi Novels" aims to understand some of the manifestations of postmodernism in contemporary Hindi fiction, including ways the latter might challenge the

traditional parameters of postmodern literature. This book is essential reading for scholars and students specializing in South Asian studies and both postcolonial and comparative literature. It will also interest the general reader curious to know more about one of the less explored areas of world literature.

Rajmohan Gandhi's book on Mahatma Gandhi has created a controversy mainly because one of the chapters is devoted to Gandhiji's relations with Saraladevi Choudharani whom he called his spiritual wife. Girja Kumar gives a more vivid characterisation of this relationship in his book which was released last year. This book, in fact, gives an authentic account of the Mahatma's relations with various other women associates and the repercussions these romantic liaisons produced on those close to him, including 'Ba' (Kasturba Gandhi). The book is ready to go into reprint and the paperback edition will shortly hit the stands. A Hindi edition is also coming up.
