German Through Familiar Tunes
 Four-Day Planet Standard Ebooks
An Introduction Standard Ebooks
 A clear and jargon-free student reference guide to the grammar of German.

Upper-intermediate. Teacher's book. / Hugh Dellar ... With Richard Moore
 Routledge
 Reminiscent of old whaling stories, *Four-Day Planet* follows the story of Walter Boyd, a scrappy 17-year-old reporter working for his father at the Port Sandor Times.

Walt gets tied up in the adventures of the sea-monster hunters on Fenris—a barely-habitable planet with a 2,000-hour day. The prized—and only—commodity on Fenris is tallow-wax, a miraculous material harvested from the dangerous seas of the planet. While being set in a grand sci-fi universe, the book packs in more about intrigue, betrayal, and the grit required to survive on a backwater planet of the Federation. The book was later re-published as a “two-for-

one" with Lone Star Planet (originally titled A Planet for Texans). This book is part of the Standard Ebooks project, which produces free public domain ebooks.

German: An Essential Grammar McGraw Hill Professional

When it comes to learning grammar, the best way is to JUST DO IT! For learning grammar, you'll find the most success in retaining your skills through drills, drills, and more drills. German Grammar Drills reinforces your knowledge and

Innovations McGraw Hill Professional
Do you want to learn German or brush up what you already know? Are you planning a holiday in Germany or preparing for an exam? Are you looking for a course with a traditional approach to language learning, based on solid grammatical foundations, translation skills and practical vocabulary? If so, this is the course for you. The material covers a variety of everyday topics in a simple, concise manner. There are many examples

and explanations to illustrate how the language works and to build confidence. Each unit, designed to build systematically on what you have already learned, contains: reading material consisting of passages or dialogues vocabulary lists clear grammar explanations exercises. At the back of the book, an exercise key enables you to check your answers while grammar and vocabulary sections provide a useful reference. The accompanying CD will

help you with listening and speaking. In addition to a full pronunciation section, it contains reading passages or dialogues from the course book, followed by comprehension questions in German, together with model answers.
A Grammar-Based Course
 Oxford University Press on Demand
 Build your confidence in your German skills with practice, practice, practice! From present tense regular verbs to double object pronouns, this comprehensive guide

and workbook covers all those aspects of German grammar that you might find a little intimidating or hard to remember. Practice Makes Perfect: Complete German Grammar focuses on the practical aspects of German as it's really spoken, so you are not bogged down by unnecessary technicalities. Each unit features crystal-clear explanations, numerous realistic examples, and dozens of engaging exercises in a variety of formats--including

multiple choice, fill-in sentences and passages, sentence rewrites, and creative writing--perfect for whatever your learning style. Whenever possible, explanations include comparisons you to understand the basic logic behind the rules and to remember correct usage. This new edition includes: Time-saving vocabulary panels that eliminate having to look words up Advice on how to avoid common mistakes A detailed answer key for quick, easy progress checks Offering a winning

formula for getting a handle on German grammar right away, Practice Makes Perfect: Complete German Grammar your ultimate resource for learning to speak German the way the native speakers do. *Modern German Grammar* Cambridge University Press *Modern German Grammar: A Practical Guide, Third Edition* is an innovative reference guide to German, combining traditional and function-based grammar in a single volume. The

Grammar is divided into two parts. Part A covers grammatical categories such as word order, nouns, verbs and adjectives. Part B is organised according to language functions and notions such as: making introductions asking for something to be done delivering a speech possibility satisfaction. The book addresses learners' practical needs and presents grammar in both a traditional and a communicative setting. New to this edition, and building on feedback from

the previous edition: The rules of the latest (and so far final) spelling reform have been implemented throughout. Examples of usage have been updated and consideration given to Swiss and Austrian variants. The chapter on register has been expanded and now includes youth language and frequently used Anglicisms in German. The Index now has even more key words; it has also been redesigned to differentiate between German words, grammar terms, and functions, thus

making it more user-friendly. The Grammar assumes no previous grammatical training and is intended for all those who have a basic knowledge of German, from intermediate learners in schools and adult education to undergraduates taking German as a major or minor part of their studies. The Grammar is accompanied by a third edition of *Modern German Grammar Workbook* (ISBN 978-0-415-56725-1) which features exercises and activities directly linked to

the Grammar. Ruth Whittle is Lecturer, John Klapper is Professor of Foreign Language Pedagogy, Katharina Glöckel is the Austrian Lektorin and Bill Dodd is Professor of Modern German Studies – all at the University of Birmingham. Christine Eckhard-Black is Tutor and Advisor in German at the Oxford University Language Centre. *A Practical Guide* McGraw Hill Professional *German Quickly: A Grammar for Reading German* is a thorough,

straightforward textbook with a sense of fun. It teaches the fundamentals for reading German literary and scholarly texts of all levels and difficulty. It can be used as an introductory text for students with no background in German, or it can serve as a reference text for students wishing to review German. The grammar explanations are detailed and clear, and the accompanying reading selections, consisting partly of aphorisms and proverbs,

are intriguing. There are also many informative appendices, including a summary of German grammar, a detailed description of German dictionaries currently available, and a vocabulary list of 3200 words that are commonly encountered in scholarly writings.

Deutschmusik Learning German Through Familiar Tunes Four-Day Planet What do we know about online focus groups and

chat rooms, bulletin boards, online interviewing, and online communities? How can social and business researchers use new technology to learn about people and consumer behaviour? This book addresses these and other questions, and provides a balanced review of online qualitative research. *The Big Yellow Book of German Verbs* Routledge Running titles are beating the competition on top bestseller lists around the country. This Access for Windows version should

be no exception with its in-depth reference and inside tips from the software experts. *Ein Kurzgefasstes Lehrbuch Der Hauptschwierig Keiten Im Deutschen* John Benjamins Publishing Company McGraw-Hill's Big Books not only include more verbs and a better selection than their competitors, but they also provide ample contextual examples that show you how the verbs are actually used. Features include: 555 fully conjugated verbs

Extensive examples illustrating basic meanings for the top 50 verbs Verb exercises Clear coverage of the unique aspects of the language's verbs And more *German Quickly* McGraw Hill Professional Since its first flight on 27 April 2005, the Airbus A380 has been the largest passenger airliner in the world. Instantly recognizable with its full-length upper deck, it represents the pinnacle of modern airliner design. Flying the A380 gives a

pilot's eye view of what it is like to fly this mighty machine. It takes the reader on a trip from London to Dubai as the flight crew see it, from pre-flight planning, through all the phases of the flight to shut-down at the parking stand many thousands of miles from the departure point. Practice Makes Perfect Intermediate German Grammar Cambridge University Press "German Grammar in Context, 3rd edition includes updated textual examples which provide

the basis for an accessible and engaging approach to learning grammar. Using authentic texts from a variety of contemporary sources such as newspapers, magazines, poems, TV and film scripts, books or online sources, each chapter explores a key aspect of German grammar. Following each text, exercises are provided to reinforce understanding and build effective comprehension and communication skills. Helpful keyword boxes translate difficult

vocabulary in the texts, and recommended reading sections offer advice on additional grammar resources and website links. German Grammar in Context is an essential resource for students at CEFR level B1-C2 and Intermediate-Advanced High on the ACTFL scale. It is suitable for both classroom use and independent study"--
555 Fully Conjugated Verbs Peter Lang Pub Incorporated
Tackle head-on all the hurdles that you find hard about learning German

Practice Makes Perfect: German Problem Solver doesn't pretend that learning German is easy. Instead of covering the entirety of the language, it hones in on those areas where you might have difficulty--areas such as der vs. die vs. das, capitalization and punctuation, subject-verb agreement, determiners and adverbs of degree, and phrasal verbs. Features: A variety of extensive exercises for practice Practical and high-frequency vocabulary Answer key

provided for reference and quick feedback Don't sweat those troublesome grammar areas any more! Practice Makes Perfect: German Problem Solver is your perfect learning tool for ironing out your troubles.

A Grammar for Reading German Research Pub Llc Suitable for both independent study and class use, this text comprises an accessible reference grammar and related exercises in a single volume. McGraw Hill Professional The Semantics of German

Verb Prefixes is the most comprehensive study ever undertaken in this area of German grammar. Using an extensive collection of naturally occurring data, the author proposes an image-schematic interpretation for each of the productive prefixes be-, ver-, er-, ent-, zer-, um-, über-, unter-, and durch-. These abstract semantic patterns underlie a remarkable range of particular meanings, and they consistently account for subtle contrasts between prefixed verbs and

alternative constructions such as simple verbs, particle verbs, and verbs with other prefixes. Furthermore, the author develops a schematic meaning for the prefixed verb construction itself. This grammatical meaning reflects the interpreter's perspective and attentional focus as the objective event is imagined to unfold. Underlying all of these proposals is a novel conception of meaning as a dynamic and flexible process with a constantly active role for the

interpreter. This volume will be of great value to cognitive linguists as well as scholars and students of German who want to gain insights into a central and puzzling part of the morphosyntax and semantics of the German language.

The German Language Today Robinson

This is not your ordinary how-to book! Austin TX based authors and polymer clay artists Kim Schlinke and Randee M. Ketzler artfully mix a clever mystery with 20 how-to projects that show

step-by step photographs and instructions to create your own "ancient artifacts." These polymer clay masterpieces are beautiful enough to grace a museum collection-or yours! At 206 pages, this lavishly photographed book is stuffed with a multitude of projects that can be done just as presented with highly detailed step-by-step instruction, or used as starting points to make faux gems for use in all sorts of designs. Priced retail at \$30, the hefty book's how-to projects

weigh in at the mere cost of \$1.50 each. Animal lovers will be pleased to note that our authors also give us the secrets of making replicas of ivory and tiger claw that involve no cruelty towards elephants or wild cats whatsoever! Projects featured in this compendium include: Celtic Bronze Fibula, Navajo Silver Pendant, Art Nouveau Golden Ginkgo Brooch, Carnelian Choker of Ancient Rome, Amethyst Cabochons and Nugget Beads, Amethyst Silver Art Nouveau

Find out how it is all done-
and "who done it"-along
with our intrepid
protagonists, Parker and
Peele. "What is this stuff?"
wondered Parker, and her
companion pointed her
umbrella to the drawings
that plastered the walls.
"The raw materials for the
best forgeries ever seen"
replied her friend. "This is
where they were created."

Together they examined
the drawings, exclaiming
softly as they recognized
several objects from the
Museum. Parker picked up
one of the colorful lumps
and frowned. "What is
this, Peele? It's soft like
clay, but I've never seen
these colors before." "No,"
said her friend, "nor have
I-at least in this form. I
suspect it requires a
catalyst of some type to
render it into the false
gems-ah, here!" Peele
uncovered an array of
electric ovens. "Heat-how
charming. This must be
some type of polymer,

which, when brought to
the proper temperature,

then hardens. I have
heard rumors. Could
become just about

anything, in skilled
hands."
