### PAMELA JAZMYN

**Imagine** Fodors Travel Publications

Rob Gonsalves—master of magical realism—presents another mesmerizing picture book in his Imagine a... series, that will “stimulate wonder and imagination” (Booklist, starred review).

Imagine a world where the sky becomes the Earth; where a waterfall freefalls to become dancing women; where you can cut mountains out of curtains, and ships sail into the sky. This amazing world is what Rob Gonsalves has created. His vision inspires and astounds—and he wants to share that vision with you. With stunning illustrations that stretch the limits of the imagination, this fourth installment in the Imagine a... series explores a world that is boundless and beautiful, inviting you to imagine a world of possibilities—to imagine this world.

**Imagine** Penguin

Describes vacations involving mountain biking, cattle drives, tall ships, tornado chasing, canyoneering, white-water rafting, hot air ballooning, whale watching, and race car driving

*The Quest to Rediscover Microsoft's Soul and Imagine a Better Future for Everyone* Barbour Publishing

From a Pulitzer Prize and National Book Award finalist, a ferociously intimate story of a family facing the ultimate question: how far will we go to save the people we love the most? When Margaret's fiancée, John, is hospitalized for depression in 1960s London, she faces a choice: carry on with their plans despite what she now knows of his condition, or back away from the suffering it may bring her. She decides to marry him. *Imagine Me Gone* is the unforgettable story of what unfolds from this act of love and faith. At the heart of it is their eldest son, Michael, a brilliant, anxious music fanatic who makes sense of the world through parody. Over the span of decades, his younger siblings -- the savvy and responsible Celia and the ambitious and tightly controlled Alec -- struggle along with their mother to care for Michael's increasingly troubled and precarious existence. Told in alternating points of view by all five members of the family, this searing, gut-wrenching, and yet frequently hilarious novel brings alive with remarkable depth and poignancy the love of a mother for her children, the often inescapable devotion siblings feel toward one another, and the legacy of a father's pain in the life of a family. With his striking emotional

precision and lively, inventive language, Adam Haslett has given us something rare: a novel with the power to change how we see the most important people in our lives. "Haslett is one of the country's most talented writers, equipped with a sixth sense for characterization"-Wall Street Journal "Ambitious and stirring . . . With *Imagine Me Gone* , Haslett has reached another level."-New York Times Book Review

**The Contemporary Review** Simon and Schuster

"A lot has been written about the creation of the song, the album and the film of *Imagine*, mainly by people who weren't there, so I'm very pleased and grateful that now, for the first time, so many of the participants have kindly given their time to "gimme some truth" in their own words and pictures." --Yoko Ono In 1971, John Lennon and Yoko Ono conceived and recorded the critically acclaimed album *Imagine* at their Georgian country home, Tittenhurst Park, in Berkshire, England, and in the state-of-the-art studio they built in the grounds and at the Record Plant in New York. The lyrics of its title track were inspired by Yoko Ono's 'event scores' in her 1964 book *Grapefruit*, and she was officially co-credited as writer in June 2017. *Imagine* tells the story of John & Yoko's life, work and relationship during this intensely creative period. It transports readers to home and

working environments through artfully compiled narrative film stills, Yoko's closely guarded archive photos and artefacts, and stitched-together panoramas taken from outtake film footage that recreate the interiors in evocative detail. Each chapter and song is introduced with text by John & Yoko compiled from published and unpublished sources and complemented by comments from Yoko today. Fresh insights are provided by musicians, engineers and staff who took part, many of whom feature on the inner sleeve's enigmatic picture wheel, in which the identities are finally revealed. All the minutiae is examined: the locations, the key players, the music and lyrics, the production techniques and the artworks - including the creative process behind the double exposure polaroids used on the album cover. With a message as universal and pertinent today as it was when the album was created, *Imagine* cements John and Yoko's place in cultural history. [Reflections on the Origin and Spread of Nationalism](#) Destiny Image Publishers

Grandpa takes Rosie, Ben, and Ben's friend Max to the mountains for a picnic. But a big storm is coming. Find out what happens. Read and *Imagine* provides great stories to read and enjoy, with language support, activities, and projects. Follow Rosie, Ben, and Grandpa on their exciting adventures . . .

Simon and Schuster

This unique combination of an autobiographical, educational and motivational book is unlike one you've ever read before. In this genuine recount of her own life challenges, Kylie shares how connecting to culture and finding a teacher who believed in her changed her life. From breaking the cycle and facing fear to using the power of education and visualisation, you will be left feeling inspired and motivated to take on life's challenges with confidence and courage. As a proud Aboriginal woman with a big heart, Kylie has dedicated her career to improving outcomes for Aboriginal students and communities. Kylie's personal reflections about Australian history and injustices that have negatively impacted her people will move you deeply. In this must-read book, Kylie challenges anyone who wants to make a change in their life, to hit the reset button and *Imagine the What If*.

*Lol Surprise Imagine Ink Magic Ink Pictures* Penn State Press

Imagine a night when you can ride your bike right up the stairs to your bed. Imagine a night when your toy train rumbles on its tracks out of your room and roars back in, full sized, ready for you to hop on for a nighttime adventure. Imagine a night when a farmer plays a lullaby on his fiddle, and his field of sunflowers begins to dip and sway to the rhythm. Imagine a night when ordinary objects magically become extraordinary...a night when it is possible to believe the impossible. With the intrigue of an Escher drawing and the richness of a Chris Van Allsburg painting, renowned Canadian artist Rob Gonsalves depicts that delicious time between sleep and wakefulness, creating a breathtaking, visual exploration of imagination and possibility that will encourage both children and adults to think past the boundaries of everyday life, and see the possibilities beyond.

**A Friendship with Jesus Now and Forever** HarperCollins

A call to action that pulls together all of Sir Ken Robinson's key messages and philosophies, and that challenges and empowers readers to re-imagine our world, and our systems, for the better. Sir Ken Robinson changed the lives of millions of people. The embodiment of the prestigious TED conference, his TED Talks are watched an average of 17,000 times a day--a figure that Chris Anderson, Head of TED, says is the equivalent of selling out the Millennium Dome every night for fifteen consecutive years. A New York Times bestselling author, Sir Ken's books have been translated into twenty four languages. In his final years, Sir Ken was working on a book that would serve as his manifesto. This book was being written for both new and dedicated audiences alike as a coherent overview of the arguments that he dedicated his life to, and as a pivotal piece of literature for the education revolution he began. When Sir Ken received his cancer prognosis in August 2020 he asked his daughter and collaborator, Kate Robinson, to finish writing this manifesto and continue his work. At its core, Sir Ken's work is a love letter to human potential--a celebration of what we as a species are capable of doing, and of being, if we create the right conditions. It is a rallying cry to revolutionize our systems of education, and the ways in which we run our businesses and structure our social systems, so that they bring out the best in each and every person. Sir Ken often observed that what separates us from the rest of life on Earth is our power of imagination: the ability to bring to mind things that are not present to our senses. It is

imagination that allows us to create the world in which we live, rather than just exist in it. It also gives us the power to recreate it.

Imagine all the people living life in peace. You may say I'm a dreamer, but I'm not the only one. I hope some day you'll join us, and the world will be as one. Join one little pigeon as she sets out on a journey to spread a message of tolerance around the world. Featuring the lyrics of John Lennon's iconic song and illustrations by the award-winning artist Jean Jullien, this poignant and timely picture book dares to imagine a world at peace. *Imagine* will be published in partnership with human rights organization Amnesty International.

[I Can Only Imagine](#) Doubleday Books for Young Readers

A series of "papers on books, their history and art," issued in 12 quarterly numbers.

*How Creativity Works* Little, Brown

"At the core, *Hit Refresh*, is about us humans and the unique quality we call empathy, which will become ever more valuable in a world where the torrent of technology will disrupt the status quo like never before." – Satya Nadella from *Hit Refresh* "Satya has charted a course for making the most of the opportunities created by technology while also facing up to the hard questions." – Bill Gates from the Foreword of *Hit Refresh* The New York Times bestseller *Hit Refresh* is about individual change, about the transformation happening inside of Microsoft and the technology that will soon impact all of our lives—the arrival of the most exciting and disruptive wave of technology humankind has experienced: artificial intelligence, mixed reality, and quantum computing. It's about how people, organizations, and societies can and must transform and "hit refresh" in their persistent quest for new energy, new ideas, and continued relevance and renewal. Microsoft's CEO tells the inside story of the company's continuing transformation, tracing his own personal journey from a childhood in India to leading some of the most significant technological changes in the digital era. Satya Nadella explores a fascinating childhood before immigrating to the U.S. and how he learned to lead along the way. He then shares his meditations as a sitting CEO—one who is mostly unknown following the brainy Bill Gates and energetic Steve Ballmer. He tells the inside story of how a company rediscovered its soul—transforming everything from culture to their fiercely competitive landscape and industry partnerships. As much a humanist as engineer and executive, Nadella concludes with his vision for the coming wave of technology and by exploring the potential impact to society and delivering call to action for world leaders. "Ideas excite me," Nadella explains. "Empathy grounds and centers me." *Hit Refresh* is a set of reflections, meditations, and recommendations presented as algorithms from a principled, deliberative leader searching for improvement—for himself, for a storied company, and for society.

**Imagine a Town** Canongate Books

Imagine a day when your swing swings you higher than the highest treetops. Imagine a day when you can ride your bike up a path of falling leaves into the very tree they are falling from. Imagine a day when you release a handful of blue balloons into a cloudy, gray sky to create a postcard-perfect day. Imagine a day when the ordinary becomes the extraordinary...a day when anything is possible. *Imagine a Day* is the companion book to the critically acclaimed *Imagine a Night*, which School Library Journal declared "a fascinating foray into the imagination." Renowned Canadian artist Rob Gonsalves once again stretches the limits of visual exploration with his breathtaking paintings and encourages parents and children alike to look beyond the limits of the everyday world and imagine.

[Bibliographica](#) Routledge

You are invited into a stunning and dreamlike voyage into the imagination—ideal for fans of Chris Van Allsburg and the Caldecott Honor Book *Journey* by Aaron Becker. *Imagine* a world without edges . . . where bunnies and bears ride bicycles, lions read books, and buses are fish that fly

through the clouds. In the city of imagination, anything is possible, and an outing with their mother brings a world of adventure to two lucky children. With simple, evocative, rhyming text and page after page of unusual and mystical details to explore, this is a story that encourages readers to open their minds and dream of magical places filled with the unexpected. Enter a world of the past, present, and future, where wonders exist that we never thought possible. . . . "Who could resist hanging out with gargoyles while sipping tea?"—Kirkus "Hurst's sweeping pen-and-ink illustrations suggest a combination of midtown Manhattan and Hogwarts. . . . [Her] engrossing mashups of the urban and the fantastical present no shortage of fuel for readers' own imaginations."—Publishers Weekly "Imagination reigns in this flight of fantasy . . . Rabbits read newspapers, fish fly, and trees grow out of pictures. Readers will have tea with gargoyles and float on lily pad rafts, see books and umbrellas float by, walk among lions and bears, or ride on a fish bus with a bear conductor."—Booklist

**Imagine** Grand Central Publishing

*Invisible Cathedrals* places Wilhelm Worringer in the foreground of discussions of Expressionism and German Modernism for the first time. These essays not only reveal the complexities of his individual works, such as *Abstraction and Empathy* (1908) and *Form Problems of the Gothic* (1911), they also examine his lesser-known books and essays of the post-World War I years, the 1920s, and beyond. *Invisible Cathedrals* offers both a basic introduction to Worringer's writings and their broad influence, and a profound and detailed revisionist analysis of his significance in German and European Modernism. It also provides the most comprehensive bibliography to date of his own work and of the scattered criticism devoted to Worringer in different disciplines. Worringer's works were provocative, widely read, and often reprinted and were highly influential among artists and writers in Germany. As a result, they both raised suspicion in his own academic discipline of art history and excited discussion in other diverse fields, such as literary and social theory, psychology, and film theory. Worringer emerges here not solely as a scholarly commentator on the history of art, but also as an activist scholar who engaged his historical criticism of other periods directly in the production of culture in his own time. Contributors are Magdalena Bushart, Neil H. Donahue, Charles W. Haxthausen, Michael W. Jennings, Joseph Masheck, Geoffrey Waite, and Joanna E. Ziegler.

**Hit Refresh** HarperCollins

Inspired by every location, smell, color, flavor, person and thing she sees, Victoria is dedicated since age 5 to tell us -with pencils, crayons and words- how she sees this world that makes her so happy. Inspirada por cada lugar, olor, color, sabor, persona y cosa que ve, Victoria se ha dedicado desde los 5 años a contarnos -con lápices, crayones y palabras- cómo ve este mundo que la hace tan feliz.

*Lol Surprise Imagine Ink Magic Ink Pictures (Value)* Canongate Books

"New York Times" bestselling author Jonah Lehrer introduces us to musicians, graphic artists, poets, and bartenders to show us how we can use science to be more imaginative and make our cities, our companies, and our culture more creative.

**I Imagine Things Because I Picture Myself There** Verso

This is a love story. The story of the world before, but mostly after the day *Imagine* becomes possible. A tale of dreams and a revolution in love. *Imagine* a world of reason, intelligence and cooperation. A world with no borders and no countries. A world with no religion but full of spirit and consideration. A place where love, trust and faith dominate. A place where knowledge is shared freely and possessions are not important. Remembering a fabulous song but this time it's a story. *Imagine* will change how you think about the world.

*Imagine a Night* Simon and Schuster

The definitive, bestselling book on the origins and development of nationalism...

**Fisher Price Little People Let's Imagine on the Farm/ Imaginemos La Granja** Yamaha Corporation

I'm anxious, socially awkward, and introverted. I spent an enormous amount of time thinking about thinking. In the process of doing so, I became trapped inside my head and entered some dark places. But at the same time, I opened myself to a new form of consciousness I never knew existed. It took me a while to break out of that prison but when I did, this book was complete.
