## MICHAEL SANTIAGO

---

I, II and III John and Revelation Wm. B.

Eerdmans Publishing

The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization

Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes:

Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author’s own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author’s notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation.

Form/Structure/Setting—a discussion of

redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here.

Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research.

Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues.

General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

**The Book of Acts** Zondervan Academic

The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. **General Bibliography**—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

**The Bible Exposition Commentary**  
Zondervan Academic

This is the first one-volume Bible commentary edited by ACU faculty. More than 30 contributors from various branches of the Stone-Campbell movement were selected, all of whom hold or are pursuing a doctoral degree in biblical studies. Readers will find a usable introduction to each book and each section without being bogged down by every possible detail. A bibliography will direct those who want to explore topics more in-depth. In illuminating the biblical texts, the authors of this commentary draw on their knowledge of the original languages and a deep awareness of the literary shape and flow of the Bible, the relevant archaeological and textual evidence from the ancient Near East or Greco-Roman worlds, and the history of biblical interpretation, ancient, medieval, and modern. - Publisher.

Genesis 16-50, Volume 2 Zondervan Academic

Complete the Old Testament series of the Word Biblical Commentary with Dr. David Clines’ monumental study of Job. Volume 18B is devoted entirely to the response of the Lord from the tempest to Job, together with the replies of Job (Job 38-42), presenting the Lord’s own explanation of his manifold purposes in creation and bringing to an unexpected conclusion Job’s dramatic quest for justice. Difficult portions of the Hebrew text are thoroughly handled, but the commentary is written for the non-technical reader and scholar alike. Clines uncovers the driving force of the argument and the drama of the book. The Explanation sections at the end of each chapter brilliantly summarize the views of the speakers and offer thoughtful reflections on their theological value. The volume concludes with a unique 250-page bibliography of

virtually everything that has been written about the Book of Job, including its influence on art, music and literature. Features include: Complete new translation and verse by verse commentary on the Book of Job, in constant dialogue with other commentators Extensive scholarly notes on the Hebrew text of the book and its many obscure terms Unparalleled bibliography gives sweeping coverage of all aspects of the Book of Job from scholarly books to art, literature, and music

*Luke 1:1-9:20, Volume 35A* Moody Publishers

The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. *Holy Bible (NIV)* Zondervan Academic  
A companion series to the acclaimed Word Biblical Commentary Finding the great themes of the books of the Bible is essential to the study of God's Word and to the preaching and teaching of its truths. These themes and ideas are often like precious gems: they lie beneath the surface and can only be discovered with some difficulty. While commentaries are useful for helping readers understand the content of a verse or chapter, they are not usually designed to help the reader to trace important subjects systematically within a given book of Scripture. The Word Biblical Themes series helps readers discover the important themes of a book of the Bible. This series distills the theological

essence of a given book of Scripture and serves it up in ways that enrich the preaching, teaching, worship, and discipleship of God's people. Volumes in this series: Written by top biblical scholars Feature authors who wrote on the same book of the Bible for the Word Biblical Commentary series Distill deep and focused study on a biblical book into the most important themes and practical applications of them Give reader's an ability to see the "big picture" of a book of the Bible by understanding what topics and concerns were most important to the biblical writers Help address pressing issues in the church today by showing readers see how the biblical writers approached similar issues in their day Ideal for sermon preparation and for other teaching in the church Word Biblical Themes are an ideal resource for any reader who has used and benefited from the Word Biblical Commentary series, and will help pastors, bible teachers, and students as they seek to understand and apply God's word to their ministry and learning.

**Genesis 1-15, Volume 1** Zondervan Academic

This new commentary part of Eerdmans's acclaimed NICNT series gives primary attention to John's gospel in its present form rather than the sources or traditions behind it. J. Ramsey Michaels assumes that the John who authored the book is someone very close to Jesus and, therefore, that the gospel is a testimony to events that actually happened in the life of Jesus. Yet Michaels does not ignore the literary character of the gospel of John or its theological contribution to the larger Christian community from its own time to the present day. Through a detailed verse-by-verse commentary, Michaels reveals how the gospel of the disciple whom

Jesus loved is a unified composition, intertwined with the synoptics, yet drawing on material none of them cover.

**The Gospel According to John** Wm. B. Eerdmans Publishing

F.F. Bruce's revised study on the Book of Acts is a contribution to The New International Commentary on the New Testament. Prepared by some of the world's leading scholars, the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God.

Mark 8:27-16:20, Volume 34B B&H Publishing Group

**Genesis 1-15** W Publishing Group

Faithful, Focused Commentary on the Whole Bible Serious students of Scripture can easily lose their focus among the many Bible commentaries available today, studying for hours yet discovering no meaningful application of God's eternal truth. This one-volume commentary on the entire Bible from one of America's foremost Bible expositors offers instead a minilibrary of

understandable resources designed to convey the Bible's overarching message with historical and theological clarity. Pastor and teacher John MacArthur covers the complete Bible—every passage of the Old and New Testaments, phrase by phrase—in this valuable one-volume resource. Hundreds of additional study tools complement the commentary, such as Word studies Charts, graphs, and brief articles Overviews of each major division of the Bible Introductions to each biblical book A summary of essential Christian theology Special sections on Jesus's life and ministry Harmonies of historical writings Guidance in studying, applying, and teaching God's Word Readers benefit from the coherence a single commentator provides, finding faithful, understandable, and relevant resources for any passage from the entire Bible. Consistent elements include exploring God's character; seeing Christ in all Scripture; and identifying key doctrines, vital people, and touchstone Scripture passages. The MacArthur Bible Commentary offers pastors, Bible teachers, serious Bible readers, and anyone seeking to read and understand the Scriptures a way to focus their studies while still seeing the entire Bible's application to the Christian life. Word Biblical Commentary Paternoster The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation.
