She's Damaged... Dani Broussard never imagined that her life would turn out like this. She always thought that her grandfather would be there for her into adulthood and that her high school sweetheart, Jared, would be the man she would marry. That isn't what happened though. Instead, her grandfather got sick and passed away before Dani saw the age of nineteen. It was just her and Jared until he hooked up with a local MC, The Suicide Kings... Then it was just her. Pig-Pen claimed her body, rules her life, but he would never hold her heart. Kept because of her looks and a particular set of skills unique only to her, Dani has been with The Suicide Kings for the last three years... three long damaging years. She hates it, all of it, the pain the humiliation, the fear... and as strong as Dani is, as clever as she can be, she is quickly finding that death may be the kinder, gentler option rather than live through any more of this hell. He's Dangerous... Red-XIII is, and always will be, a Sacred Hearts man. But for now, he's a Suicide Kings prospect. Tasked with providing intelligence on the King's inner workings to his real club, Thirteen has been slowly, quietly and carefully dismantling the King's operation from the inside out. The situation is dangerous, good thing Thirteen is a dangerous guy but even he can't be everywhere at once and a couple of missteps have cost the Sacred Hearts dearly. Doubly determined to finish this with no more wreckage or damage to the SHMC, Thirteen is blindsided by his heart when he lays eyes on Dani. A pretty, little thing with long black hair and striking blue eyes. She slays him with one look from her damaged soul and now Thirteen has tasked himself with two missions... Take down The Suicide Kings and get both Dani and himself out alive. For now those missions run parallel to each other but what happens if they ever end up at odds? The bigger question is, how can he get close to the VP's Ol' Lady as a Prospect and not get them both burned?

He's Cracked... Reaver has always been a little weird, a little strange, okay MORE than a little of each. His psyche cracked right down the middle a long time ago. He holds the official title of 'Treasurer' for the Sacred Hearts MC but he's much more than that. He's the club's enforcer, the one they call on when things need to be done quickly, quietly, efficiently and have no traces left behind. Which is good for Reaver, very good, because it keeps the monster inside his head satisfied and in check for the most part... but then Hayden Michaels entered the picture and Reaver decided that he wanted much more. She's Crushed... The day was supposed to be the happiest day of Hayden's life, instead it left her crushed beneath a pile of emotional rubble. Is it any surprise that Reaver would be the one to pull her from the emotional wreckage left behind? Sweet, funny, caring Reaver with eyes like the bluest winter skies and a smile that left her breath hitching every time he turned it on her. Trouble is, Reaver has a darker side, one that he has never given Hayden any illusions about. Will it be something Hayden can handle? Or will the cracks his psyche contains be the cracks in the dam that crushes her under a river of never ending pain? ****Mature Audiences Only (18+)****

A guide for embodying the courage of the Fierce Feminine, or Dark Mother, to heal yourself and the world at large • Describes how to embody the sacred rage of the Fierce Feminine and channel the universal outrage collectively rising in many of us to seek justice for those who can't defend themselves • Details constructive energetic and spiritual practices to help heal from predatory relationships and traumatic experiences, recenter your personal power, and gain control of your sacred rage rather than allowing it to control you • Explains how to gain access to primordial female wisdom within the brain, embrace your inner Kali, and personally deal with sorrow and anger • Includes access to online audio tracks After millennia of suppression, the Fierce Feminine, or Dark Mother, is making a dramatic resurgence to express our universal outrage. She is rising collectively now, and many women--and men--are feeling a welling up of sacred rage inside, a calling to set things right in our own lives and seek justice for those who can't defend themselves. Offering much-needed perspective, advice, and tools for channeling the righteous energy and sacred rage of the Divine Feminine, Anaiya Sophia explains how to distinguish the Fierce Feminine from personal anger and reveals how it is not a feminist movement set to publicly condemn all that is masculine but a collective spiritual uprising for the greater good of humanity. She shares constructive practices drawn from Eastern tradition to help you embody the courage of the Fierce Feminine to heal from predatory relationships and traumatic experiences, recenter your personal power, and gain control of your sacred rage rather than allowing it to control you. She details sacred sexuality exercises, including those with a yoni egg to clear the womb after lovemaking and dispel any energetic imprint left by an ex-partner. She provides instructions to gain access to the primordial wisdom

within the untapped portion of the female brain, embrace your inner Kali, and personally deal with sorrow and anger. Through this passionate step-by-step guide to comfort your spiritual anguish and dispel the helplessness of not knowing what to do, Anaiya Sophia encourages those who feel the call of the Fierce Feminine to embrace their sacred mission and allow it to rebalance the powers that govern the planet as well as harmonize our minds. Walking in the Sacred Manner is an exploration of the myths and culture of the Plains Indians, for whom the everyday and the spiritual are intertwined and women play a strong and important role in the spiritual and religious life of the community. Based on extensive first-person interviews by an established expert on Plains Indian women, *Walking in the Sacred Manner* is a singular and authentic record of the participation of women in the sacred traditions of Northern Plains tribes, including Lakota, Cheyenne, Crow, and Assiniboine. Through interviews with holy women and the families of women healers, Mark St. Pierre and Tilda Long Soldier paint a rich and varied portrait of a society and its traditions. Stereotypical images of the Native American drop away as the voices, dreams, and experiences of these women (both healers and healed) present insight into a culture about which little is known. It is a journey into the past, an exploration of the present, and a view full of hope for the future.
