Things Fall Apart Novel

Units Teacher Guide

Heinemann

The revered Buddhist teacher and author of *When Things Fall Apart* presents the lojong teachings and the ways in which they can enrich our lives. Welcome compassion and fearlessness as your guide, and you'll live wisely and effectively in good times and bad. But that's easier said than done. In *The Compassion Book*, Pema Chödrön introduces a powerful, transformative method to nurture these qualities using a practice called lojong, which has been a primary focus of her teachings and personal practice for many years. For centuries, Tibetan Buddhists have relied on these teachings to awaken the deep goodness that lies within us. The lojong teachings include fifty-nine pithy slogans for daily contemplation, such as "Always maintain only a joyful mind," "Don't be swayed by external circumstances," "Don't try to be the fastest," and

"Be grateful to everyone."

This book presents each of these slogans and includes Pema's clear, succinct guidance on how to understand them—and how they can enrich our lives. It also features a forty-five-minute downloadable audio program entitled "Opening the Heart," in which Pema offers in-depth instruction on tonglen meditation, a powerful practice that anyone can undertake to awaken compassion for oneself and others.

A Vintage Shorts "Short Story Month" Selection Mrs. Emenike resents that her husband drives a Mercedes while she is relegated the "noisy Fiat," and she loathes the words "free primary education," a new government initiative for which three of her servants have abandoned her. But, when the program is recalled, ten-year-old Vero, whose hopes of going to school have been dashed, is Mrs. Emenike's next willing recruit—young, innocent, and desperate to do anything and everything she must to earn an education. In this masterful story by "the father of Nigerian writing," Chinua Achebe portrays the devastating injustice done to young women by government corruption and wealth inequality. One of the most provocative and original voices in contemporary literature, Chinua Achebe here considers the place

of literature and art in our society in a collection of essays spanning his best writing and lectures from the last twenty-three years. For Achebe, overcoming goes hand in hand with eradicating the destructive effects of racism and injustice in Western society. He reveals the impediments that still stand in the way of open, equal dialogue between Africans and Europeans, between blacks and whites, but also instills us with hope that they will soon be overcome.

Winner of the 2016 Whiting Award One of Publishers Weekly's "Most Anticipated Books of Spring 2016" One of Lit Hub's "10 must-read poetry collections for April" "Reading Vuong is like watching a fish move: he manages the varied currents of English with muscled intuition. His poems are by turns graceful and wonderstruck. His lines are both long and short, his prose narrative and lyric, his diction formal and insouciant. From the outside, Vuong has fashioned a poetry of inclusion."—The New Yorker "Night Sky with Exit Wounds establishes Vuong as a fierce new talent to be reckoned with...This book is a masterpiece that captures, with elegance, the raw sorrows and joys of human existence."—Buzzfeed's "Most Exciting New Books of 2016" "This original, sprightly wordsmith of tumbling pulsing phrases pushes poetry to a new

level...A stunning introduction to a young poet who writes with both assurance and vulnerability. Visceral, tender and lyrical, fleet and agile, these poems unflinchingly face the legacies of violence and cultural displacement but they also assume a position of wonder before the world."—2016 Whiting Award citation "Night Sky with Exit Wounds is the kind of book that soon becomes worn with love. You will want to crease every page to come back to it, to underline every other line because each word resonates with power."—LitHub "Vuong's powerful voice explores passion, violence, history, identity—all with a tremendous humanity."—Slate "In his impressive debut collection, *Vuong*, a 2014 Ruth Lilly fellow, writes beauty into—and culls from—individual, familial, and historical traumas. Vuong exists as both observer and observed throughout the book as he explores deeply personal themes such as poverty, depression, queer sexuality, domestic abuse, and the various forms of violence inflicted on his family during the Vietnam War. Poems float and strike in equal
