CANTRELL MELODY

Revise Edexcel GCSE (9-1) Biology Higher Revision Workbook Coordination Group Publication

Providing syllabus-specific revision for the A2-level Biology Edexcel course, this guide explains every topic, with worked examples. Ideal for last minute revision or for support during the whole course, this book gives coverage for A-level in the CGP style.

Revision guide Oxford University Press - Children

Our Revision Workbooks are designed to help students develop vital skills throughout the course in preparation for the exam.

Biology Revision Guide Hodder Education

Written by experienced examiners, this revision guide for AS provides tailored support for the 2008 specification. Featuring guidance from the people who write and mark exam papers and drawing on real exam data from Edexcel's ResultsPlus service, students can be confident they are designed

to specifically meet their needs.

Edexcel GCSE Biology Hodder Education

Provides revision notes on the key topic areas with many examples. Written in CGP style, this work has an odd bit of fun thrown in to keep concentration levels up.

As Biology Edexcel Revision Guide HarperCollins UK

Revision Guide to support students of Cambridge O Level Biology through their course and help them to prepare for assessment.

AS-Level Biology Edexcel Complete Revision & Practice

AQA GCSE Biology Revise Edexcel GCSE Science 16

The only textbook that completely covers the Oxford AQA International GCSE Biology specification (9201), for first teaching in September 2016. Written by experienced authors, the enquiry-based, international approach ensures a thorough understanding of the underlying principles of biology and provides exam-focused practice to build assessment confidence. It fully covers the 5 required practicals in the specification, enabling your students to build the investigative and experimental

skills required for assessment. This textbook helps students to develop the scientific, mathematical and practical skills and knowledge needed for the Oxford AQA International GCSE Biology exams and provides an excellent grounding for A Level study.
