Scoring another goal for gender equality, the 2019 Southern African Development Community (SADC) Gender Protocol Barometer breaks with past tradition in focusing solely on Sexual and Reproductive Health and Rights. Measuring 100 indicators across seven themes, the Barometer is the first civil society shadow report on SADC's new SRHR Strategy Score Card, ranking countries based on their performance, while offering detailed analysis and insights into what is changing and still needs to change. The no-hold-barred #VoiceandChoice Barometer features the first stand-alone chapters on Adolescent Sexual and Reproductive Health and Rights, Safe Abortion, and Sexual Diversity. It provides the data that underpins 40 national campaigns led the focal networks of the Southern African Gender Protocol Alliance, and 174 local campaigns led by the Centres of Excellence for Gender in Local Government. A must read for all those committed to Action and Results for Agenda 2030 in the SADC region.

Edition after edition Kathleen Stassen Berger's perennial bestseller, *The Developing Person Through the Life Span*, re-establishes itself as the most authoritative, engaging, and teachable textbook available for the life span course. The new edition is no exception. As always, Berger's narrative style and emphasis on diversity and universal themes speak directly to students. The book's thoroughly updated coverage makes the latest scientific and theoretical developments about the brain, genetics, and cultural diversity accessible and meaningful. And powerful media tools such as DevelopmentPortal, the interactive e-Book, and the Video Tool Kit for Human Development give students realistic observational experience to further enhance their study. *Sexuality, Society and Pedagogy* problematizes some of the prevailing assumptions that frame this area of study. In doing so, it aims to make visible the challenges of teaching sexuality education in South African schools, while demonstrating its potential for reshaping our conceptions of the social and cultural representations thereof. Although the book is largely situated in experiences and perspectives within the South African context, it is hoped that the questions raised, reflections, analyses and arguments will contribute to thinking about sexuality education in diverse contexts, in particular more developing contexts.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
