Simon and Schuster
Learn to speak French in just three months with this practical and comprehensive self-study language course. Whether you're a complete beginner or wanting to refresh your knowledge, Hugo: French in Three Months will have you speaking French fluently in just 12 weeks. With a fresh new look and an accompanying audio app, the latest edition of this classic self-study course provides all the resources needed to speak, read, and write in French. The 12 weekly chapters contain lessons on the key grammatical structures and present a range of useful vocabulary, along with exercises to reinforce your learning. The essentials of French grammar are clearly explained and tested in conversational exercises, giving you the authentic feel of the language. In addition to a written "imitated pronunciation" guide, which replaces French sounds with English syllables you're already familiar with, the new audio app also allows

you to perfect your pronunciation - at home or on the go. Whether you're learning French for work, a future holiday, or because you're interested in languages, this course is the perfect place to start. Learning French has never been so easy!

A Practical Guide John Benjamins Publishing Company

Are you sick and tired of not being able to learn Portuguese fast? Have you tried endless other ways of learning Portuguese but nothing seems to stick? Do you finally want to say goodbye to your tendency to 'forget most of what you've studied' and discover something which works for you?

To Accompany English Grammar in Use Fifth Edition McGraw Hill Professional
A private detective is following the girl he is in love with. A former air force pilot, he is discovering some sides in the human nature he can't deal with. If you already have background with Spanish language, this book is the best one to try. It makes use of the ALARM Method to efficiently teach its reader Spanish words, sentences and dialogues. Through this method, a person will be able to enhance his or her ability to remember the words that has been

incorporated into consequent sentences from time to time. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

Modern German Grammar
Tin House Books

The first book in a series of collaborations between Tin House and Octopus Books, Brandon Shimoda's *Portuguese* introduces a powerful new voice in American poetry. The poems in *Portuguese* began while Brandon rode city buses around Seattle, and were inspired by his fellow passengers—their voices and their minds, their faces and their bodies, their exuberances and infirmities, and the ways in which they enlivened and darkened the days at once. It was with and within these people that poetry seemed most alive. At the same time, they began as responses to the words and writings of visual artists, mostly painters, whom Brandon was reading while riding the bus, especially Etel Adnan, Eugene Delacroix, Alberto Giacometti, Paul Klee, and Joan Mitchell, all

of whom appear in the book. It was with and within these people, also, that poetry seemed most alive. In both senses, *Portuguese* is a work of color. *Portuguese* owes also a debt to a visit to Beirut, Lebanon (2009); six months spent in a cabin in the woods of western Maine (2010-2011); and the Japanese poets Kazuko Shiraishi, Ryuichi Tamura and Minoru Yoshioka, and their translators. It was written primarily in Seattle, Washington; Beirut, Lebanon; and Weld, Maine, though revised in Albany, California; Beacon, New York; and St. Louis, Missouri. In that sense, *Portuguese* is a travelogue, as well as a work of restlessness. Throughout writing the poems that became *Portuguese*, the presiding struggle was with poetry itself—the form and its impulses—voice and mind, face and body, exuberance and infirmity—as well as with the act of writing. The book actually began in the early 1980s, while on the bus to elementary school in a small town in New England, when Brandon was taunted for being “Portuguese.” In that sense, *Portuguese* returns

its author to this moment in which he felt challenged to become what he was being called, however falsely, and despite feeling confused, flushed and afraid. In that sense, *Portuguese* is a work of crossdressing. However, *Portuguese* is both more and less than all these things. It was—and is—a way to keep up with life in the form of drawing observations and feelings on paper, and to give form to the energy making up some part of memory. It is the fourth book in a series that began with *The Alps*, *The Girl Without Arms*, and *O Bon*. In this sense—and in all those above—it is an act of preservation, and therefore a work for his friends, his family, and for love.

Collins French Dictionary and Grammar Taylor & Francis

A Grammar and Workbook Psychology Press

Barron's 501 Portuguese Verbs teaches you how to use the 501 most common and useful Portuguese verbs. Fluency starts with knowledge of verbs, and the authors provide clear, easy-to-use guidance. Each verb is listed alphabetically in easy-to-follow chart form—one verb per page with its English translation. This comprehensive guide to is ideal for students, travelers, and adult learners. It includes: Conjugations in all persons and tenses, both active and passive A bilingual list of more than

1,250 additional Portuguese verbs Helpful expressions and idioms for travelers Verb drills and short practice sets with clear explanations Review of reflexive verb usage, object pronouns, passive voice, the progressive tense, and irregular past participle

An Essential Grammar Routledge

Unlike similar books, Portuguese Verbs And Essentials Of Grammar presents in one manageable volume what is generally in two books... a complete guide to Portuguese verbs and a compact guide to the basics of Portuguese grammar.

Practice Makes Perfect Basic Portuguese (EBOOK) Courier Corporation

This book is a study companion written in plain English, which explains the things that you need to know to be successful in learning Portuguese. No prior grammatical knowledge is assumed, and technical terms are explained clearly and progressively. Exercises are provided to help you consolidate what you have learned and build your Portuguese vocabulary. Although the main focus is on European Portuguese, Brazilian alternatives are also

given. Among the many things covered in this book: How do you pronounce words in Portuguese? What do all those funny little squiggles mean? What exactly are verbs, adjectives, prepositions, and pronouns? How do you know when to use 'ser' and when to use 'estar'? How do you use the personal infinitive? How does the subjunctive work? If you don't know your diacritic from your diphthong, you've come to the right place!

The Language Lover's Guide to Learning Portuguese University of Texas Press

Studies on Variation in Portuguese offers a collection of studies on a range of variable phenomena attested within and across varieties of Portuguese. The volume starts out with an overview of current issues in the study of intralinguistic variation and is divided in two parts. Part 1 is dedicated to research on variation within national varieties (Brazilian and European). Here, a multidimensional analysis that combines both the geographic and the social dimensions of variation emerges as a way to identify possible regional specificities and

the directionality of some of the variants. Part 2 collects studies that compare the behavior of a particular linguistic variable across different varieties. The variable phenomena discussed concern several levels of grammar and are framed within different conceptions of variation, thus promoting confrontation of theoretical and methodological alternatives. Overall, the volume constitutes a significant contribution to the essential question of how to model variation at different levels.
