"The Body Institute is a roller coaster of a book. This fast-paced sci-fi thriller grapples with issues of identity and scientific technology run amok in a society only two steps ahead of our own, while scrutinizing an all-

encompassing obsession with being thin which is very much part of the here and now. Readers will love the twists and turns and be prompted to question their own relationship to technology, body image and the ever-growing power of mega-corporations."  
- C.K. Kelly Martin, author of Yesterday and Tomorrow  
Meet Morgan Dey, one of the top teen Reducers at The Body Institute. Thanks to cutting-edge

technology, Morgan can temporarily take over another girl's body, get her in shape, and then return to her own body-leaving her client slimmer, more toned, and feeling great. Only there are a few catches... For one, Morgan won't remember what happens in her "Loaner" body. Once she's done, she won't recall walks with her new friend Matt, conversations with the super-cute Reducer she's

been text-flirting with, or the uneasy feeling she has that the director of The Body Institute is hiding something. Still, it's all worth it in the name of science. Until the glitches start... Suddenly, residual memories from her Loaner are cropping up in Morgan's mind. She's feeling less like herself and more like someone else. And when protests from an anti-Body Institute organization

threaten her safety, she'll have to decide if being a Reducer is worth the cost of her body and soul...

**The Beginner's Guide to Writing a Novel** Simon and Schuster Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are

Breakfast at Tiffany's and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote's masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of

the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the “new journalism.” Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. “I thought he was a very nice gentleman,” he says of Herb Clutter. “Soft-spoken. I thought so right up to the

moment I cut his throat.” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers’ flight, Capote’s account is so detailed that the reader comes to feel almost like a participant in the events.

Princeton University Press

One of the most influential crime novels ever written, by a legend of the genre. Tough, hard-boiled, and brilliantly suspenseful, *The Last Good Kiss* is an unforgettable detective story starring C. W. Sughrue, a Montana investigator who kills time by working at a topless bar. Hired to track down a derelict author, he ends up on the trail of a girl missing in Haight-Ashbury for a

decade. The tense hunt becomes obsessive as Sughrue takes a haunting journey through the underbelly of America's sleaziest nightmares.

At the age of seventeen, Eustace Conway ditched the comforts of his suburban existence to escape to the wild. Away from the crushing disapproval of his father, he

lived alone in a teepee in the mountains. Everything he needed he built, grew or killed. He made his clothes from deer he killed and skinned before using their sinew as sewing thread. But he didn't stop there. In the years that followed, he stopped at nothing in pursuit of bigger, bolder challenges. He travelled the Mississippi in a handmade wooden canoe; he walked the two-thousand-mile

Appalachian Trail; he hiked across the German Alps in trainers; he scaled cliffs in New Zealand. One Christmas, he finished dinner with his family and promptly upped and left - to ride his horse across America. From South Carolina to the Pacific, with his little brother in tow, they dodged cars on the highways, ate road kill and slept on the hard ground. Now, more than twenty years on, Eustace is still in the

mountains, residing in a thousand-acre forest where he teaches survival skills and attempts to instil in people a deeper appreciation of nature. But over time he has had to reconcile his ambitious dreams with the sobering realities of modernity. Told with Elizabeth Gilbert's trademark wit and spirit, this is a fascinating, intimate portrait of an endlessly complicated man: a

visionary, a narcissist, a brilliant but flawed modern hero. The Last American Man is an unforgettable adventure story of an irrepressible life lived to the extreme. The Last American Man is a New York Times Notable Book and National Book Critics Circle Award Finalist. Writing is hard work and can be difficult to wedge into a frenetic academic schedule. In this practical, light-hearted, and encouraging book, Paul Silvia explains that writing productively does not require innate skills or special traits but specific tactics and actions. Drawing examples from his own field of psychology, he shows readers how to overcome motivational roadblocks

and become prolific without sacrificing evenings, weekends, and vacations. After describing strategies for writing productively, the author gives detailed advice from the trenches on how to write, submit, revise, and resubmit articles, how to improve writing quality, and how to write and publish academic work.

Createspace Independent Publishing Platform The Pushcart Prize-winning poet's memoir of his criminal youth and years in prison: a "brave and heartbreaking " tale of triumph over brutal adversity (The Nation). Jimmy Santiago Baca's "astonishing narrative" of his life before, during, and immediately after the years he spent in the maximum-security prison garnered tremendous critical acclaim. An important chronicle that "affirms the triumph of the human spirit," it went on to win the prestigious 2001 International Prize (Arizona Daily Star). Long considered one of the best poets in America today, Baca was illiterate at the age of twenty-one when he was sentenced to five years in Florence State Prison for selling drugs in Arizona. This raw, unflinching memoir is the remarkable tale of how he emerged after his years in the penitentiary—much of it spent in isolation—with the ability to read and a passion for writing poetry. "Proof there is always hope in even the most desperate lives." —Fort Worth Star-Telegram "A hell of a book, quite literally. You won't soon forget it." —The San Diego U-T "This book will have a permanent place in American

letters.” —Jim Harrison, New York Times–bestselling author of *A Good Day to Die* and *The Norton Field Guide to Writing, with Handbook* (Lulu.com). Leo Tolstoy’s classic story of doomed love is one of the most admired novels in world literature. Generations of readers have been enthralled by his magnificent heroine, the unhappily married Anna Karenina, and her tragic affair with

dashing Count Vronsky. *All the Tools You Need to Write and Sell Your First Novel* (A&C Black) by Shad Hadid and the Alchemists of Alexandria has descriptive copy which is not yet available from the Publisher. **REA’s Quick and Easy Guide to Writing Your A+ Thesis** (Routledge) Science fiction and fantasy is one of the most challenging-- and rewarding!-- genres in the bookstore.
