Touching upon the legends surrounding the infamous captain William Kid,

Washington Irving's short story deals in feats of adventures, pirates, and buried treasure. The tempestuous life of William Kid and his return "laden with booty" gives vent to the rise of treasure-seekers, chasing wild rumours. Superstition, devilry, and magic intertwine in this short story that forms the backbone of American folklore tales about pirates and hidden, stolen goods. But do not hasten to grab the shovel - the aforesaid treasure is often guarded by the Devil himself. Versatile as the subject matter of his literary oeuvre, the name of Washington Irving still echoes in

the corridors of the American literary canon. Having earned special status as a man of letters in America and Europe alike, Irving's fame stems primarily from his short stories "Rip Van Winkle" and "The Legend of Sleepy Hollow". An avid biographer and historian, his influence can be felt within a vast group of American and British authors such as Nathaniel Hawthorne, E. A. Poe, Charles Dickens, and Sir Walter Scott.

The selection was made by Professor Newton Arvin of Smith College, a recognized authority on Hawthorne and a distinguished literary critic as well. His fine introduction admirably interprets Hawthorne's mind and art.

"A pioneer work in...the sexual structuring of society. This is not just another book about witchcraft."

—Edmund S. Morgan, Yale University

Confessing to "familiarity with the devils," Mary Johnson, a servant, was executed by Connecticut officials in 1648. A wealthy Boston widow, Ann Hibbens was hanged in 1656 for casting spells on her neighbors. The case of Ann Cole, who was "taken with very strange Fits," fueled an outbreak of witchcraft accusations in Hartford a generation before the notorious events at Salem. More than three hundred years later, the question "Why?" still haunts us. Why

were these and other women likely witches—vulnerable to accusations of witchcraft and possession? Carol F. Karlsen reveals the social construction of witchcraft in seventeenth-century New England and illuminates the larger contours of gender relations in that society.

The Stand Harper Collins

Though best known for *The Red Badge of Courage*, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic,

hallucinatory, and realistic situations alike are brilliantly conveyed through the cold, sometimes brutal irony of Crane's narrative voice.

A Study Guide for Washington Irving's "Devil and Tom Walker" Large Print Press Contains five pieces that might be called short stories: "Mountjoy," a first-person story that originally was to have been developed into a novel entitled "Rosalie"; "The Widow's Ordeal," a story of judicial combat gleaned from the annals of Spain; "The Grand Prior of Minorca," heard from a Knight of Malta who "loved to let his imagination carry him away"; "Guests from Gibbet Island," a legend of Communipaw found among the Knickerbocker papers at Wolfert's Roost; and "The Adalantado of the Seven Cities: A Legend of St. Brandan." Also of interest are two fanciful pieces which

lack sufficient plot development to be called short stories: "Don Juan: A Spectral Research," about an amorous Spanish cavalier's encounter with his own funeral, and "Legend of the Engulphed Convent," about a convent miraculously swallowed up in the earth just as ravaging Moors broke down its gate.

"A modern knight-errant on a quest after evil; grotesque, convincing and chilling."

—The New York Times Book ReviewFed up with the excesses of the 1970s, Lancelot Andrews Lamar, a liberal lawyer and distinguished member of the New Orleans gentry, is determined to stop the modern world's ethical collapse. His quest begins with his wife—an actress who he suspects has been cheating on him for years. "An Occurrence at Owl Creek Bridge"
(1890) is a short story by the American
writer and Civil War veteran Ambrose
Bierce. Described as "one of the most
famous and frequently anthologized
stories in American literature", it was
originally published by The San
Francisco Examiner on July 13, 1890,
and was first collected in Bierce's book
Tales of Soldiers and Civilians (1891).
The story, which is set during the
American Civil War, is known for its
irregular time sequence and twist
ending. Bierce's abandonment of strict
linear narration in favor of the internal
mind of the protagonist is an early
example of the stream of consciousness
narrative mode. Peyton Farquhar, a

civilian and plantation owner, is being
prepared for execution by hanging from
an Alabama railroad bridge during the
American Civil War. Six military men and
a company of infantrymen are present,
guarding the bridge and carrying out the
sentence. Farquhar thinks of his wife and
children and is then distracted by a noise
that, to him, sounds like an unbearably
loud clanging; it is actually the ticking of
his watch. He considers the possibility of
jumping off the bridge and swimming to
safety if he can free his tied hands, but
the soldiers drop him from the bridge
before he can act on the idea. Famous
works of the author Ambrose Bierce: "A
Psychological Shipwreck", "Killed at
Resaca", "An Inhabitant of Carcosa",
"One of the Missing", "A Tough Tussle",
"An Unfinished Race", "One of Twins", "A

Horseman in the Sky", "The Spook House", "The Middle Toe of the Right Foot", "The Man and the Snake", "An Occurrence at Owl Creek Bridge", "The Realm of the Unreal", "The Boarded Window", "The Secret of Macarger's Gulch", "The Death of Halpin Frayser", "The Damned Thing", "The Eyes of the Panther", "Moxon's Master", "The Moonlit Road", "Beyond the Wall".

Darwin's evolution is now complete. Darwin Hunter made his literary debut more than twenty years ago when he chronicled the lifestyle warfare taking place in idyllic rural Vermont between the entrenched natives ("Woodchucks") and the invaders from the south ("Flatlanders") in a self-proclaimed magnum opus, "Beyond Yonder." The misadventures continued as he made an unorthodox run for public office, embracing a policy of Total Disclosure in

"The King of Vermont." Meanwhile, to the south in the coastal Flatlands in a seaside community just south of Boston called Indian Mound, Arthur Gordon, disgraced Hollywood film director, tries to recover his self-esteem by restoring a rundown summer cottage and catching a striped bass on a fly rod in the mini-epic "Stripah Love." Now, the entire cast of characters from both locations come together for the final chapter (well, who knows?) of Darwin's journey in "Stories and Tunes." Darwin Hunter is the MegaBucks Czar, a man with unassailable authority over the state lottery. After an epiphany that reveals to him the regressive nature of this institutionalized gambling, Darwin becomes a modern day Robin Hood, using his power to more fairly distribute

the wealth, at least in the Brigadoon that is Vermont. He is assisted and challenged by the most colorful cast of characters since ... uh, "Canterbury Tales." There's the rappin' Shappy Shapiro, originator of the Peace Pretzel; BJ Bosco, equally at ease shooting with a camera or a gun; the silently voracious Dog Sled Girl; Henry Drown, entrepreneur from Down Under; and Captain Goo-Roo, the musician whose life is defined by the power chords of rock and roll. Vermont is the stage for a madcap farce with pretensions of searing social commentary. Things gotta change.

The Devil and Tom Walker by Washington Irving Classic Short Horror Stories - The Devil By his interest in popular legends the first of the great American writers shows his sympathy with the Romantic movement, which prevailed in his time in all the countries of Europe. His devil, however, has not been imported from the lands across the Atlantic, but is a part of the superstitions of the New World. The author himself did not believe in "Old Scratch." The real devils for him were the slave-traders and the witch-hunters of Salem fame. It is interesting now to read a contemporary critic of Washington Irving's devil-story:

"If Mr. Irving believes in the existence of Tom Walker's master, we can scarcely conceive how he can so earnestly jest about him; at all events, we would counsel him to beware lest his own spells should prove fatal to him" (Eclectic Review, 1825). Few people in those days had the courage to take Old Nick good-naturedly. "Even the clever Madame de Stael," said Goethe, "was greatly scandalized that I kept the devil in such good-humour." The devil appears in many colours, principally, however, in black and red. It is a common belief in Scotland that the devil is a black man, as may also be seen in Robert Louis Stevenson's story "Thrawn Janet." There is no warrant in the biblical tradition for a black devil. Satan, however, appeared as an Ethiopian as far back as the days

of the Church Fathers. The black colour presumably is intended to suggest his place of abode, whereas red denotes the scorching fires of hell. The devil was considered as a sort of eternal Salamander. In the New Testament he is described as a fiery fiend. Red was considered by Oriental nations as a diabolical colour. In Egypt red hair and red animals of all kinds were considered infernal. The Apis was also red-coloured. Satan's red beard recalls the Scandinavian god Donar or Thor, who is of Phoenician origin. Judas was always represented in mediaeval mystery-plays with a red beard; and down to the present day red hair is the mark of a suspicious character. The devil also appears as yellow, and even blue, but

never as white or green. The yellow devil is but a shade less bright than his fiery brother. The blue devil is a sulphur-constituted individual. He is the demon of melancholy, and fills us with "the blues." As the spirit of darkness and death, the devil cannot assume the colours of white or green, which are the symbols of light and life. The devil's dragon-tail is, according to Sir Walter Scott, of biblical tradition, coming from a literal interpretation of a figurative expression. A few interesting remarks on the expression "The Devil and Tom Walker" current in certain parts of this country as a caution to usurers will be found in Dr. Blondheim's article "The Devil and Doctor Foster" in Modern Language Notes for 1918.
