Social philosophy is the philosophical study of questions about social behavior (typically, of humans). *Social and Political Philosophy - SlideShare* First published Tue Jul 24, 2007; substantive revision Thu Sep 1, 2016. Kant wrote his social and political philosophy in order to champion the Enlightenment in general and the idea of freedom in particular. His work came within both the natural law and the social contract traditions. Kant held that every rational being had both an innate right to freedom and a duty to enter into a civil condition governed by a social contract in order to realize and preserve that freedom. Kant's Social and Political Philosophy (Stanford ... *PHIL 182: Social and Political Philosophy*. This course examines the norms or principles that establish and justify societies and determine the rights and responsibilities of a society in relation to its own members, of the members in relation to each other and to society as a whole, and of a society in relation to other societies. The course considers the application of these principles to such issues as justice, human rights, political and social institutions, and world community. *PHIL 182: Social and Political Philosophy: Philosophy ...* Social and political philosophy, unlike other fields and disciplines, involves conflict, disagreement, deliberation, and action.
